

SECTION F

Scheme of Delegation to Officers

General Provisions

1. A Scheme of Delegation has been introduced that is founded on the principle of delegation “by exception”. That means that the delegating body delegates everything that can lawfully be delegated (both non-executive and executive functions) to a Director or, in appropriate circumstances, to the Assistant Director – Legal, Governance and Monitoring, save for exceptions which are listed. Therefore the listing is of what is not delegated, as opposed to a listing of what is (although a number of specific delegations are referred to for clarity and the avoidance of doubt).
2. Officers may only exercise the delegated powers in this Scheme in accordance with:
 - a) All relevant statutory requirements including the principles of public law and the provisions of the Human Rights Act 1998, statutory guidance and statutory codes of practice; and
 - b) The provisions of this Constitution (including the provisions of the Access to Information Procedure Rules relating to the taking of key decisions); and
 - c) The revenue and capital budgets of the council, subject to any variation thereof permitted by the Council’s Financial Procedure Rules.
3. Officers may not exercise delegated powers where:
 - a) The matter is reserved to the council by law or by the council’s Constitution;
 - b) The matter is a function which cannot by law be discharged by an officer;
 - c) The council, the Executive or Committee, Sub-committee or Panel has determined that the matter should be discharged otherwise than by an officer;
 - d) In relation to executive functions, the Leader of the Council or the relevant Cabinet member has directed that the matter should be referred to the Executive for determination;
 - e) In relation to non-executive functions, the Chair of a Council Committee, Sub-committee or Panel has directed that the matter should be referred to the appropriate Committee, Sub-committee or Panel for determination;
 - f) The decision would be contrary to any approved policies and plans of the Council.
4. The Scheme provides for the delegation of authority to the relevant Director or the Assistant Director – Legal, Governance and Monitoring (as appropriate). However the relevant Director or the Assistant Director – Legal, Governance and Monitoring may arrange for such delegated authority to be exercised on their behalf by an officer of appropriate experience and seniority. The Director or Assistant Director – Legal, Governance and Monitoring (as appropriate) shall remain personally responsible for any decision taken on their behalf pursuant to the delegation arrangements.

5. All decisions taken must be clearly recorded and must clearly identify the officer responsible for taking the decision.
6. Each Director together with the Assistant Director – Legal, Governance and Monitoring will prepare Service Schemes of Delegations which set out how decisions will be made in each of the Services for which they are responsible. Such schemes should clearly establish which officers have been given authority to make decisions under the delegated powers of the Directors or Assistant Director – Legal, Governance and Monitoring, the extent of the delegated authority of those officers and any terms, conditions and/or limitations subject to which those delegations must be exercised. All service schemes of delegation will be lodged with the Council’s Monitoring Officer and made available to the public on request.
7. Where an officer has delegated authority to discharge functions by virtue of any provision of this Constitution other than the Scheme of Delegation set out in Section F, or by virtue of a specific decision of the Council, a Committee, Subcommittee, Panel or the Executive, whether made before or after the adoption of this Scheme, the absence of that delegation from this Scheme shall not be treated as preventing the exercise of that delegation.
8. Where an officer has delegated authority to discharge functions in consultation with the relevant Cabinet member, in the absence of that Cabinet member the officer may discharge such function in consultation with the Leader instead (or in the Leader’s absence, in cases of urgency, with the Deputy Leader).
9. Where the delegation provides for discharge of a function in consultation with the Leader, in the absence of the Leader the officer may discharge the function, in cases of urgency, in consultation with the Deputy Leader instead.
10. This Scheme describes particular functions as executive functions and non-executive functions for illustrative purposes only, and misattribution of a function as executive or non-executive shall not be treated as preventing the exercise of the delegation.
11. “Function” for the purposes of this Scheme of Delegation is to be construed in a broad and inclusive fashion and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions.
12. Where relevant, the delegations within this Scheme also include the appointment of the Chief Officer as “proper officer” for the purpose of any function delegated to him/her under these arrangements.
