Objections to Traffic Regulation [No. 16] Order 2023, Proposed prohibition of waiting Blackmoorfoot Road, Bulay Road, Nelson Street and Springdale Avenue, Huddersfield.

The Committee considered objections received for Traffic Regulation [No. 16] Order 2023, Proposed prohibition of waiting Blackmoorfoot Road, Bulay Road, Nelson Street and Springdale Avenue, Huddersfield.

The report was presented by Ken Major Principal Engineer who explained that the traffic regulation order was for two separate locations within the Crosland and Netherton ward and were advertised together. Both locations received objections during the advertising period of 4 October 2023 to 1 November 2023.

Significant issues regarding access/egress had been raised by a number of businesses on Blackmoorfoot Road. The main issue was that staff/visitors to businesses on the section of Blackmoorfoot Road were parking in a way which impeded access to and egress from the businesses. A scheme was developed to remove parking from these areas of concern and to make sure that other sections of Blackmoorfoot Road were not going to be impacted by displaced parking. The residents of Bulay Road had also had issues with their bins not being emptied due to bin wagons not being able to gain access to Bulay Road and Nelson Street. To improve the possibility large vehicles gaining full access regularly it was proposed to install “no waiting at any time” restrictions on key corners and junctions on Bulay Road, Nelson Street and Springdale Avenue. This would mean that the double yellow lines would free up tight turning areas so that larger vehicles could operate without obstruction.

Councillor Jo Lawson added that the problem of poor parking persisted despite other numerous interventions made to try and change parking behaviour. In addition to the issues of waste collection on Bulay Road, there were concerns with regards to emergency vehicle access. In respect of Blackmoorfoot Road the issue of pavement parking was highlighted on a regular basis by residents. This reduced access for businesses and caused a large stretch of the road to be in-accessible to pedestrians (especially push chair and wheelchair users) raising concerns for their safety. Councillor Lawson further asked the Committee to consider residents needs highlighting support for the TRO as a step forward in relieving the persistent issues residents reported regularly.

Cabinet Committee - Local Issues – 31 January 2024

Councillor Moses Crook highlighted the importance of the scheme in resolving the long-standing and persistent issues reported by residents where numerous attempts had prior been made to change behaviour. In response to concerns raised within the deputations given, it was noted that most of the parking restrictions may mirror existing restrictions due to their proximity to junctions (as listed in the Highway Code) and part of the aim of making the markings more visible was to increase adherence to the restrictions and the TRO did not remove significant legal parking. Councillor Crook also noted that some of the objections stated that parking restrictions were no longer required due to pavement parking, but in response it was highlighted that this was not a solution as this had a impact to pedestrian safety.

The Committee further noted that it was important for residents to benefit from regular waste collections as well as ensuring increased highways safety and emergency vehicle access and after considering all the information presented to it verbally, and in writing, it was agreed that:

RESOLVED: The objections to Traffic Regulation [No. 16] Order 2023, Proposed prohibition of waiting Blackmoorfoot Road, Bulay Road, Nelson Street and Springdale Avenue, Huddersfield be overruled, and that the proposals be implemented as advertised.

Report title:

Kirklees Council Car Parking Charges / Tariff Uplift for On-Street Parking Bays and Off-Street Parking across Kirklees.

Meeting	Cabinet Committee Local Issues
Date	22 March 2024
Cabinet Member (if applicable)	Cllr Aafaq Noor Butt
Key Decision Eligible for Call In	Yes Yes
<p>Purpose of Report</p> <ul style="list-style-type: none"> • To consider responses received in response to the non-statutory engagement and consultation undertaken regarding uplifting car parking tariffs / charges. • To seek a decision regarding implementation of revised tariffs / charges. 	
<p>Recommendations</p> <p>Note and consider the responses and objections arising out of the statutory consultation for the introduction of new charges and non-statutory consultation in relation to increasing existing charges.</p> <p>Note and consider the findings of the Integrated Impact Assessment at https://www.kirklees.gov.uk/beta/delivering-services/integrated-impact-assessments/home/details/IIA-546833559/</p> <p>That the proposed revised and uplifted parking charges / tariffs set out at Appendix 1 to this report are implemented from 1 April 2024.</p> <p>That future annual revisions of car parking charges / tariffs are delegated to the relevant Service Director responsible for the Parking Service, in line with Financial Procedure Rules.</p> <p>Reasons for Recommendations</p> <ul style="list-style-type: none"> • Car parking charges / tariffs have remained unchanged in Kirklees since 2009. • Benchmarking of parking charges across the region indicates that parking charges / tariffs in Kirklees are significantly lower than those in other Yorkshire districts. • Kirklees Council has the authority to impose charges for parking in Council - operated car parks, as well as designating parking places on the highway and charging for the use of them. • The retrospective increase in parking charges is by the rate of inflation retrospectively back to the previous change in 2009. • Under the Council's Financial Procedure Rules, fees and charges must be reviewed at least once per annum, therefore parking charges / tariffs will be reviewed annually in future, under delegation authority to the relevant Service Director. • To provide short and long stay parking spaces to meet the needs of shoppers, commuters and visitors. 	
<p>Resource Implication:</p> <p>The proposed revised parking charges / tariffs seek to introduce a comparable rate for parking charges / tariffs across the district, reducing the gap between charges in Kirklees and the rest of the region.</p>	

A retrospective increase by inflation is a fair and balanced way of realigning the parking charges / tariffs in Kirklees with other regional authorities.

Further reports will be considered to consider introduction of charges in car parks that are currently free of charge and changes to permit parking charges.

1. Executive Summary

- 1.1 This report is presented on completion of a non-statutory engagement and consultation process in relation to increasing existing car parking charges/ tariffs in Kirklees parking spaces.
- 1.2 Cabinet Committee Local Issues (CCLI) are asked to make a decision on the proposal to increase car parking charges, following completion of the non-statutory engagement and consultation undertaken in Kirklees.
- 1.3 Kirklees Council operates both off-street car parks and on-street parking bays across the district. Parking charges / tariffs vary across the district, with some car parks being free of any charges currently.
- 1.4 Parking charges / tariffs have remained unchanged since 2009. It is proposed to increase existing tariffs by inflation, retrospectively back to 2009.

2. Information required to take a decision

- 2.1 The uplifted charges will apply to all Council – managed car parking spaces in Kirklees – both on-street and off-street, in car parks. Charges will continue to apply for 7 days a week Monday to Sunday inclusive.
- 2.2 The full list of current and proposed tariffs is shown in **Appendix 1**.
- 2.3 In summary, parking charges will be uplifted in Huddersfield, Dewsbury and Holmfirth. Dewsbury and Holmfirth charges will align,

2.4 Examples of tariff changes are:

Where charge / tariff currently is:	Proposed charge / tariff to be:
5p	40p
20p	30p
40p	70p
50p	80p
60p	£1.60
70p	£1.10
80p	£1.30
90p	£1.50
£1.00	£1.60
£1.50	£2.40
£2.00	£3.30
£2.50	£4.10
£3.00	£4.90
£4.00	£6.50

2.5 The proposed uplift to charges was considered by Cabinet (14 November 2023) and Environment and Climate Change Scrutiny Panel (6 December 2023). The outcome of those discussions was:

- 2.5.1 That approval be given to introduce new parking charges and that a statutory consultation process in relation to new charges will be undertaken in order to do this.
 - 2.5.2 That approval also be given to increase existing parking charges by inflation, retrospectively and that in addition a non-statutory engagement and consultation process in relation to increased charges will be undertaken.
 - 2.5.3 Note that in accordance with usual procedures, on completion of the consultations, a report will be submitted to Cabinet Committee Local Issues (CCLI) for consideration in relation to the Traffic Regulation Order.
 - 2.5.4 That authority be delegated to CCLI for the decision prior to implementation of revised charges.
 - 2.5.5 That it be noted that any future annual revisions of car parking tariffs / charges may be delegated to the relevant Service Director responsible for the Parking Service, in accordance with the Financial Procedure Rules.
- 2.6 With respect to 2.5.1, a statutory consultation process in relation to new charges (specifically charges in car parking spaces that are currently free of charge) will commence in early March 2024.
- 2.7 With respect to 2.5.2, a non-statutory engagement and consultation process commenced on 16 January 2024 for 21 days. All local elected councillors were notified, written proposals were displayed in every pay and display off-street car park in Kirklees, and legal notices were placed in relevant local newspapers.
- 2.8 **Appendix 1** shows the Notice of Variation of Charges for off-street parking places in Huddersfield, Dewsbury and Holmfirth and on-street parking places in Huddersfield and Dewsbury. These notices provide the current and proposed charges and form the basis of the recent non-statutory consultation process.

3. Implications for the Council

3.1 Working with People

The proposed changes to parking charges / tariffs will require key services to work closely together proactively. Car parking continues to be discounted to holder of the Kirklees Priority

Passport (1 hour extra free). Disabled parking provision remains across Kirklees. The Green parking permit for electric or hybrid vehicles offers people an alternative choice.

3.2 **Working with Partners**

As part of the process for introducing the revised parking charges / tariffs, key partners will be notified to help identify potential opportunities to collaborate.

3.3 **Place Based Working**

The proposed changes are intended to provide a comparable rate for parking charging / tariffs across the district.

3.4 **Climate Change and Air Quality**

The proposals may encourage more sustainable travel and is not expected to have a detrimental effect on Air Quality or Climate Change. The Green parking permit is available to fully-electric, low CO2 emission and (approved) alternative fuel vehicles.

3.5 **Improving outcomes for children**

The proposals seek to manage the Council's car parking options supporting active travel for all users, including children.

3.6 **Financial Implications**

3.6.1 The proposals seek to introduce a comparable rate for parking charges / tariffs across the district, reducing the gap between charges in Kirklees and the rest of the region. Long and short stay parking spaces will be available throughout the district to meet the needs of commuters, the retail sector, tourism and residents.

3.6.2 The estimated additional income from the uplift in tariffs / charges is £1,570k. Based on current car parking provision and usage, this comprises £1,238k (Huddersfield parking), £279k (Dewsbury parking) and £53k (Holmfirth parking).

3.6.3 As per 3.7.5 below, the Council must spend surpluses on the provision of specific services and improvements locally.

3.7 **Legal Implications**

3.7.1 The Notice of Variation of Charges has been publicised in line with Section 35 of the Road Traffic Regulation Act 1984.

3.7.2 The Council is empowered to make car parking charges (and review such charges) for on-street and off-street parking to discharge its traffic management functions .

3.7.3 Sections 45 and 46 of the 1984 Act provide a power to designate on-street parking places and charging for their use .

3.7.4 The setting of charges must follow procedures laid down in section 122 of the 1984 Act which imposes a general duty, amongst other considerations, when setting charges to secure expeditious, convenient and safe movement of vehicular traffic and other traffic such as pedestrians, and the provision of suitable and adequate on-street and off-street parking facilities .

3.7.5 The 1984 Act is not a tax raising measure and the Council cannot intentionally set charges to raise revenue and thereby create intentional surpluses. Any surpluses must relate to purposes set out in section 55 of the 1984 Act . This sets out how surpluses must be spent . this includes expenditure for the provision of public transport services; highway maintenance and improvements and environmental improvements .

3.7.6 Under section 46A of the 1984 Act there is no statutory duty to vary existing charges . The Council must publish a notice of variation in at least one local newspaper at least 21 days before the changes come into force.

3.7.7 Statutory consultation must be carried out in relation to proposed new charges in accordance with section 46 of the 1984 Act and the Local authorities Traffic Orders (Procedure) (England and Wales) Regulations 1996.

- 3.7.8 The Council's consultation must comply with the Gunning principles and be fair, at a formative stage and the findings conscientiously considered before any final decision is made.
- 3.7.9 The Council must comply with its Public Sector Equality duty under section 149 of the Equality Act 2010.
- 3.8 Other (e.g. Risk, Integrated Impact Assessment or Human Resources) Integrated Impact Assessment (IIA)**
- 3.8.1 A Stage 1 IIA was completed in September 2023 in relation to the review of parking tariffs / charges in existing parking spaces and the introduction of charges in car parks that are currently free of charge. [Integrated Impact Assessments - IntegratedImpactAssessment \(kirklees.gov.uk\)](https://www.kirklees.gov.uk/integrated-impact-assessments)
- 3.8.2 At that stage, no groups were consulted. It was considered there was neutral impact on protected characteristics groups. The impact on the environment was assessed to be positive, with changes to charges encouraging more sustainable transport choices.
- 3.8.3 As a result of feedback received during the governance process since November 2023, a further IIA has been completed, specific to the uplift of parking charges / tariffs. [Integrated Impact Assessments - IntegratedImpactAssessment \(kirklees.gov.uk\)](https://www.kirklees.gov.uk/integrated-impact-assessments)
- 3.8.4 Impact on those in poverty or low income is mitigated by the provision of additional free car parking in certain Huddersfield and Dewsbury off-street car parks, for Kirklees Priority Passport holders. Free on-street parking remains in all areas of Kirklees.
- 3.8.5 Further IIA's will be completed regarding other proposed changes to parking charges / tariffs and provision.

4. Consultation

- 4.1 Environment and Climate Change Scrutiny Panel – 6 December 2023.
<https://democracy.kirklees.gov.uk/documents/g7442/Printed%20minutes%2006th-Dec-2023%2010.00%20Environment%20and%20Climate%20Change%20Scrutiny%20Panel.pdf?T=1>
Resolved: The decision taken in relation to car parking charges be freed for implementation.
- 4.2 All 69 ward Councillors informed at start of consultation process.
- 4.3 Parish and town Councils were informed at the start of the consultation process.
- 4.4 Notices placed in local press (January 2024) – see **Appendix 2**.
- 4.5 Notices erected in car parks and on-street (January 2024) – see **Appendix 1**.
- 4.6 Concerns were raised prior to the consultation process starting in January 2024, from residents, local business and elected councillors. These concerns included petitions, received in Council meetings. Some concerns were raised during the consultation period in January and February 2024.
- 4.7 See **Appendix 3** for summary of responses received before and during the 21-day consultation period.

5. Engagement

See above points – Consultation.

6 Options

6.1 Options Considered

1. Implementation of proposed tariff increases in car parking spaces across Kirklees (recommended option).
2. Retain existing tariffs in car parking spaces across Kirklees.

6.2 Reasons for recommended Option

1. Recommendation 1: Implement uplifted tariffs / charges as set out in Appendix 1 with effect from 1 April 2024.
2. Recommendation 2: CCLI to receive a review report, following 12 months of revised charges in operation.

7 Next steps and timelines

- CCLI to consider the objections as detailed above, along with other related information provided.
- If the decision is made to uplift charges / tariffs, amendments will be made to signage, parking machine hardware and software, app-payment system and web-based information.

KIRKLEES COUNCIL
Proposals to Make Prescribed Alterations to Provision for Pupils with Special Educational Needs.
Notice is given in accordance with section 19(1) of the Education and Inspections Act 2006 that Kirklees Council intends to make prescribed alterations to the provision for children with special educational needs at the following school:
Woodley School and College, a Community Special School, Dog Kennel Bank, Huddersfield, HD5 8JE.
Prescribed alterations to increase the pupil places available at Woodley School and College to 194 pupil places gradually over time, using specific provisions, ahead of and leading up to the new school rebuild.
It is proposed that the changes would be implemented gradually, increasing numbers from March 2024. This notice is an extract from the complete proposals. Copies of the complete proposals can be obtained from: Kirklees Council, School Organisation and Planning Team, PO Box 1720, Huddersfield, HD1 9EL. Tel: 01484 221000. Copies of the full proposals are available on the Kirklees Council website www.kirklees.gov.uk/schoolorganisation
Within four weeks from the date of publication of this proposal (i.e. by 8 February 2024), any person may object to or make comments on either or both of the proposals by sending them to Kirklees Council, School Organisation and Planning Team, PO Box 1720, Huddersfield, HD1 9EL, or via email to school.organisation@kirklees.gov.uk. **Tom Brindleford** - Strategic Director for Children's Services, Kirklees Council Publications Dates (12 January 2024)
Note: Not part of the statutory notice. A non-statutory consultation took place between 29 September 2023 and 27 October 2023. Consultation documents were written and produced with due regard to 'The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013'.

TOWN AND COUNTRY PLANNING ACT 1990
The Secretary of State gives notice of the proposal to make an Order under section 307 of the above Act to authorise the stopping up of a length of unmetalled highway as follows:
Marsden Street at Salsburgh in the Metropolitan Borough of Kirklees.
If made, the Order would authorise the stopping up only to enable development as permitted by Kirklees Council, under reference 2021/019/46/22/E.

Copies of the draft Order and relevant plan will be available for inspection during normal opening hours at Donby Dale Parish Council, Council Office, Commercial Road, Salsburgh, Huddersfield, HD18 9DA in the 28 days commencing on 19 January 2024, and may be obtained, free of charge, from the address stated below quoting NAT/19/46/22/E.

Any person may object to the making of the proposed order by stating their reasons in writing to the Secretary of State at naturalresources@kdn.gov.uk or National Transport Casework Team, Tyneside House, Skinnerburn Road, Newcastle upon Tyne NE4 7AR, quoting the above reference. Objections should be received by midnight on 16 February 2024. You are advised that your personal data and correspondence will be passed to the applicant/agent to enable your objection to be considered. If you do not wish your personal data to be forwarded, please state your reasons when submitting your objection.

001	07.11.23	Employee - Holmfirth	Email to Cllr	<p>I am emailing to register my disappointment towards the proposal to increase the parking charges in Kirklees.</p> <p>I currently work in the centre of Holmfirth and pay £4 per day to park here. Where I work is [redacted] with no parking due to it being very central, and paying to park at all is a disadvantage but I have no other option due to my start time it is almost impossible to park freely as all the spaces are always taken.</p> <p>In the current times with the cost of living, my wage just about covers my bills and expenses, however, increasing the parking by £2.50 per day will prove to be very costly to myself and others who work in the centre and those who choose to visit.</p> <p>I urge you to rethink the parking charges as Holmfirth specifically is a small village where parking is already sparse and people should not have to pay extortionate prices just to park in walking distance of their workplace.</p>	<p>Acknowledgement.</p> <p><u>Standard Response:</u> Thank you for your comments with regards to the Council's proposal to increase existing parking tariffs and the introduction of new charges. Cabinet will consider a report on the 14th November which recommends increasing charges by inflation retrospectively and to introduce consistent charging across the Borough. It is noted that Kirklees have not increased charges for approaching 14 years which is no longer sustainable.</p> <p>As part of the process a legal order will need to be published including of a statutory consultation. Your comments have been recorded and will be consider as part of the consultation.</p>
002	07.11.23	Town / Parish Council	Email to Cllr	<p>I am once again, (unsurprisingly) left incredibly disappointed by the lack of consultation and engagement with Town and Parish Councils. I refer</p>	<p>Standard response</p>

The Charter doesn't allow for the process of Town Councils commenting on papers to be followed.</p> <p>I recognise that you have issues with finances, however there are different ways of going about things; talk to us. We are left to clean up the mess of your top down decision making.</p> <p>Engage with us. Don't dictate to us.</p>	
003	10.11.23	Meltham	Email to Cllr	<p>I wish to object in the strongest possible terms to the decision to impose parking charges on car parks that are currently free and to increase charges in car parks that are currently chargeable.</p> <p>The proposal is ill-thought out and fails to recognise the negative and knock-on impacts on many areas of life (in my case - Meltham) for example - People on low incomes; people with access issues; street parking will increase; parking on pavements will increase; shoppers will be attracted to free parking in supermarkets instead of shopping local - negatively affecting local traders - car journeys will increase (what happened to your Climate Emergency declaration?)</p>	<p>Acknowledgement.</p> <p><u>Standard Response:</u></p> <p>Thank you for your comments with regards to the Council's proposal to increase existing parking tariffs and the introduction of new charges. 004	08.11.23	Batley Resident	Email to Cllr	<p>Just looking through the local news, and I came across an article in YorkshireLive concerning parking in Kirklees.</p> <p>My question isn't about the raising of the prices, the council must make these decisions to hopefully avoid putting the council in a Section 114 notice. My interest is about blue badge holders like myself, as at times it is difficult enough to park in a disabled bay mainly due to inconsiderate drivers especially the fast food takeaway drivers. Will the charges also be for legitimate disabled persons with a blue badge?</p> <p>I must on a lighter note draw your attention to a part of the article concerning Batley Market Place, where are the 36 car parking spaces as the actual marketplace is locked? Never have I been able to understand why on earth a previous council took it upon itself to bollard the marketplace, especially when you are lucky if there are three stalls on a Friday.</p> <p>To be totally honest and you probably have reached the same conclusion, cars with simply park in Asda, Aldi or Tesco car parks to avoid paying a charge. The cost of installing equipment will no doubt run into many thousands of pounds (is it considered</p>	<p><u>Cllr response:</u></p> <p>Thank you for your email and sharing your views regards parking charges.</p> <p>I attach a copy of the report which will be discussed at the cabinet meeting on Tuesday 14th November.</p> <p>v7 FINAL Cabinet Report Parking Tariffs.pdf (kirklees.gov.uk)</p> <p>I am happy to feed your concerns in. However; if you wish to directly comment on the report you can speak to Yusra Hussain, Batley West councillor and portfolio holder for this area of work. I have copied her into this e-mail for information and comments.</p>

				<p>essential?) and also have people getting their needs from one of the majors, and once again the local smaller shopkeeper losing out and having to close their business.</p> <p>I think you know my point of view of the whole scheme, which will be just another nail in the coffin for our local shopkeepers. The whole scheme is very badly thought through, and it looks like a knee-jerk reaction which will not work out as planned. And no doubt the only way to pay for parking will be via a smartphone, try telling the elderly people it's progress when they can't pay with money.</p> <p>Many thanks,</p>	
005	15.11.23	News channel	Email to Comms	<p>I'm [redacted] colleague at ITV Calendar</p> <p>Just getting in touch to ask for an updated statement since the outcome of yesterday's meeting. Also how long is the parking consultation period?</p> <p>One last thing - according to Leeds radio there's a protest calling to save two Kirklees care homes later. In anticipation of this event would you be able to provide a statement on the council's care home cuts?</p>	<p><u>Comms response:</u></p> <p>Before we implement any changes to our current parking offer, we will launch a statutory consultation which is due to go live before the end of November and last for three weeks. At the end of the consultation, all comments from our communities and businesses in response to the proposed changes will be considered. There are no proposed changes to our Blue Badge or disabled parking offer.</p> <p>Free, timed on-street spaces in our towns and villages will not be affected by the proposals, so there will still be free parking available for those wishing to visit our towns and villages.</p>

006	15.11.23	Press	Social media	Wondering on the outcome on parking charges was yesterday. Can't see it mentioned in the thread. What's the discussion deferred? Thank you	<u>Comms response:</u> Before we implement any changes to our current parking offer, we will launch a statutory consultation which is due to go live before the end of November and last for three weeks. At the end of the consultation, all comments from our communities and businesses in response to the proposed changes will be considered.
007	24.01.24	Permit Holder	Email to Parking Team	Apologies, but the letter below isn't clear and I can't work out exactly what the charges will be changing/increasing to? Please can you let me know exactly what the price will be moving forward for an annual pass for Dews/Hudds Area 1 and 2 for two days a week on a monthly direct debit. Many Thanks for your help in advance 😊	
008	19.01.24	Permit holder	Email to Parking Team	Does this mean my direct debit will go up from 76.80 per month to £124.80 commencing in February? An increase of over £40. Have you seen the state of the business station car park and the council have the ordacity to make such a huge increase per month. I know that KMC are virtually bankrupt but once again it is the motorist who gets slammed. I await your response.	<u>Parking Team response:</u> The new prices come into force in February but only for new issues. Your current season ticket will remain at the same price until it expires.

009	08.01.24	Permit Holder	Email to Parking Team	I have a parking permit for the enclosed area under civic 1 Monday to Friday so presume this is area 1 . I have a couple of comments in relation to the increases. Firstly I signed up from June for the permit for a year so I would presume the price rise for my permit will take place after June ? Secondly, I understood that there would be a direct debit option over a 12 month period as an option due to the price rise increase can you clarify this for me please?	<p><u>Parking Team response:</u> The new prices are likely to be implemented by June and we do allow all annual season ticket holders to pay by direct debit arrangement. When you made your renewal there will be a direct mandate form to fill however, we rely on our Finance service to guide us if it is over 10 (current arrangements) or 12 instalments.</p>

011	19.01.24	Permit Holder	Email to Parking Team	<p>Is this charge increasing as of next year for us?</p> <p>Can you confirm the bus station car park is going to get some attention, i meant to email last week, but it is an absolute disgrace.</p> <p>Lift regularly out of order, full of pot holes, filthy and druggies hanging around. Its actually a disgrace to be honest.</p>	<p><u>Parking Team response:</u></p> <p>The new charges will start for season tickets issued from 1/3/24. Your season ticket will continue at the current price until the expiry date.</p> <p>I will pass your comments regarding the bus station on to senior officers.</p>
