Lobbying

If you are approached by any Member of the public in respect of an application on the agenda you must declare that you have been lobbied. A declaration of lobbying does not affect your ability to participate in the consideration or determination of the application.

In respect of the consideration of all the planning applications on this agenda the following information applies:

PLANNING POLICY

The statutory development plan is the starting point in the consideration of planning applications for the development or use of land unless material considerations indicate otherwise (Section 38(6) Planning and Compulsory Purchase Act 2004).

The statutory Development Plan for Kirklees is the Local Plan (adopted 27th February 2019) and the Holme Valley Neighbourhood Development Plan (adopted 8th December 2021).

National Policy/ Guidelines

National planning policy and guidance is set out in National Policy Statements, primarily the National Planning Policy Framework (NPPF) published 20th December 2023 the Planning Practice Guidance Suite (PPGS) first launched 6th March 2014 together with Circulars, Ministerial Statements and associated technical guidance.

The NPPF constitutes guidance for local planning authorities and is a material consideration in determining applications.

REPRESENTATIONS

Cabinet agreed the Development Management Charter in July 2015. This sets out how people and organisations will be enabled and encouraged to be involved in the development management process relating to planning applications.

The applications have been publicised by way of press notice, site notice and neighbour letters (as appropriate) in accordance with the Development Management Charter and in full accordance with the requirements of regulation, statute and national guidance.

EQUALITY ISSUES

The Council has a general duty under section 149 Equality Act 2010 to have due regard to eliminating conduct that is prohibited by the Act, advancing equality of opportunity and fostering good relations between people who share a protected characteristic and people who do not share that characteristic. The relevant protected characteristics are:

- age;
- disability;
- gender reassignment;
- pregnancy and maternity;
- race;
- religion or belief;
- sex;
- sexual orientation.

In the event that a specific development proposal has particular equality implications, the report will detail how the duty to have “due regard” to them has been discharged.

HUMAN RIGHTS

The Council has had regard to the Human Rights Act 1998, and in particular:-

- Article 8 - Right to respect for private and family life.
- Article 1 of the First Protocol - Right to peaceful enjoyment of property and possessions.

The Council considers that the recommendations within the reports are in accordance with the law, proportionate and both necessary to protect the rights and freedoms of others and in the public interest.

PLANNING CONDITIONS AND OBLIGATIONS

Paragraph 55 of The National Planning Policy Framework (NPPF) requires that Local Planning Authorities consider whether otherwise unacceptable development could be made acceptable through the use of planning condition or obligations.

The Community Infrastructure Levy Regulations 2010 (as amended) stipulates that planning obligations (also known as section 106 agreements – of the Town and Country Planning Act 1990) should only be sought where they meet all of the following tests:

- necessary to make the development acceptable in planning terms;
- directly related to the development; and
- fairly and reasonably related in scale and kind to the development.

The NPPF and further guidance in the PPGS, launched on 6th March 2014, require that planning conditions should only be imposed where they meet a series of key tests; these are in summary:

1. necessary;
2. relevant to planning and;
3. to the development to be permitted;
4. enforceable;
5. precise and;
6. reasonable in all other respects

Recommendations made with respect to the applications brought before the Planning Committee have been made in accordance with the above requirements.
