Exempt Information is provided within several appendices to this report.

Consideration must be given to whether the public and press should be excluded from the meeting prior to the determination of the matter to enable the exempt information to be discussed by passing the following resolution:-

To resolve that under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting during the consideration of the following item of business, on the grounds that it involves the likely disclosure of exempt information, as defined in Part 1 of Schedule 12A of the Act.

It is considered that the disclosure of the information would adversely affect those third parties including the Authority and therefore the public interest in maintaining the exemption, which would protect the rights of an individual or the Authority, outweighs the public interest in disclosing the information and providing greater openness and transparency in relation to public expenditure in the Authority's decision making.
