1. Purpose of report

- 1.1 To provide members of the Calderdale and Kirklees Joint Health Scrutiny Committee (JHSC) with the context to the discussions with Calderdale and Greater Huddersfield Clinical Commissioning Groups, Calderdale and Huddersfield NHS Foundation Trust and other key health stakeholders on the new service models Urgent Care and Emergency and Specialist Care and proposed changes to the Intensive Care Unit.

2. Key Points

- 2.1 Calderdale and Greater Huddersfield CCG's have published a Pre-Consultation Business Case (PCBC) that outlines the case for transforming health services in Calderdale and Greater Huddersfield.
- 2.2 Included in the PCBC is a description of the in-hospital future model and an outline of the services that are included in the scope of the In Hospital Services Programme.
- 2.3 The future model of care for hospital services includes a proposal to develop Urgent Care Centres on both hospital sites in Huddersfield and Calderdale which will be open 24/7 to provide services for patients with non-life threatening illnesses and injuries.
- 2.4 For patients that have more serious or life threatening conditions the future model of care proposes a single unified Emergency Care Centre located at the Calderdale site that will provide Emergency/Acute medicine and Accident and Emergency Services.
- 2.5 Representatives from both CCG's and Calderdale and Huddersfield NHS Foundation Trust will be in attendance to provide a detailed explanation of the new service models for Urgent Care and Emergency and Specialist Emergency Care and to outline planned changes to the Intensive Care Unit facilities.
