

APPENDIX 5

Current Offer	New Model
<p>Integrated Youth Services – the provision of a range of services supporting young people outside of school/work hours contributing to their personal and social development and diverting them towards positive activities.</p>	<p>The Community plus offer for young people within the Early Help Hubs will be to facilitate other partners, organisations and the community to deliver a range of youth activities and the Councils contribution to this will be through building the capacity of those agencies or the community to meet the needs of the most vulnerable young people in the area.</p>
<p>Open Access (Universal) Children Centre services providing:</p> <ul style="list-style-type: none"> • Access to early learning and childcare • Information and advice for families • Adult learning and employment support • Integrated child and family health services 	<p>The Community Plus Children Centre offer for families within the Early Help Hubs will develop a hub for the local community; by building social capital and cohesion and to ensure partners and communities have the capacity and skills to deliver accessible and effective services to children, young people and families across the area. To enable families and communities to meet needs wherever possible, and engage businesses and other employers to contribute funding and expertise to help enhance and sustain local provision. To plan how to support and grow the role of voluntary, community, and faith organisations by developing a transparent commissioning process. Working with partners and the community to ensure there is access to high quality support available to all families who need them across the area</p>
<p>Delivery of a range of evidence based group work and parenting programmes to families and young people</p>	<p>Our new Early Help offer intends to support families much earlier, before they reach crisis point. Our targeting of those who require support will be much more co-ordinated and based on identified need particularly to those families with multiple vulnerabilities. We will develop a suite of accessible, relevant and affordable programmes which add value and complement our early help offer. Some of these will be delivered by the council. Sometimes we will enable these to be delivered by others. Direct delivery of group work programmes</p>

	<p>from local sites will be complemented by signposting families to access free online parenting programmes where appropriate and dependent on needs.</p>
<p>Targeted Family Support providing focussed 1:1 interventions as part of the Early Help/Single Assessment framework</p>	<p>The new targeted offer will bring together the 1:1 support to families and 1:1 support to young people into One Key Worker providing holistic family interventions in line with the model developed through the stronger families programme. The keyworker will be the best person to support a family. This will not always be someone from the council.</p> <p>This adopts the 5 family intervention factors which lead to positive outcomes:</p> <ol style="list-style-type: none"> 1. Dedicated workers, dedicated to families 2. Practical ‘hands on’ support 3. A persistent, assertive and challenging approach 4. Considering the family as a whole 5. A common purpose and agreed action
