89 Strategic Investment Plan: Proposals to allocate Funding from the Strategic Priorities Section of the Capital Plan for New Pupil Places in the Huddersfield South West Area

Cabinet considered a report as part of a sequence of three reports outlining the availability of Capital Investment to address requirements for new pupil places in Huddersfield North, Huddersfield North West and Huddersfield South West. The considered report specifically focused on a proposal to design and construct a new 630 place primary school building for pupils aged 4 to 11 years old within the existing site of Moor End Academy, in order to meet basic need requirements in South West Huddersfield.

The report set out information on pupil place numbers required in the South East of Huddersfield, set in context in relation to pupil places in the area and went on to provide information on the proposals in relation to the building and grounds at the site of the Moor End Academy.

RESOLVED -

(1) That approval be given to the development and delivery of the new build school building as set out in the considered report and within the final business case attached to the report at Appendix A.

(2) That approval be given to the capital allocation up to £13.75M for this proposal, to be funded from basic need grant and prudential borrowing (if required), as set out at section 2.22 and 2.23 of the considered report.

(3) That approval be given to the proposal to the relief land required for the delivery of this project from the Public/Private Partnership (PPP) one contract agreement via a deed of variation, thereby enabling the Council to design, develop and implement the required new school and its associated infrastructure and sports provision outside the PPP one contract.

(4) That authority be delegated to the Assistant Director for Legal, Governance and Monitoring and Assistant Director for Physical Resources and Procurement to negotiate and implement any required deed of variation(s) to the PPP one agreement and any associated lease issues arising from this report.

90 Proposals to allocate funding from the Strategic Priorities section of the Capital Plan for new pupil places in North Huddersfield

Cabinet considered a further report on the availability of the Capital Investment requirements for new pupil places in the Huddersfield area, focusing on the Huddersfield North area and making recommendations in relation to a new 422 place primary school. The considered report set out proposals for a 422 place primary school for children aged 4 to 11 years on the section of land known as Clare Hill playing fields. The report indicated that the land concerned was not in Council ownership and set out information on the implications of proposals to purchase the land. The report sought authority to proceed in relation to the requirement for certainty on the delivery of availability of the scheme, prior to negotiations taking place to purchase land and to put forward a planning application.

The considered report provided information on the background on the need for additional pupil places and on the site selection process that had led to the identification of the Clare Hill playing fields site being the preferred option.

RESOLVED -

- (1) That the selection of Clare Hill playing fields for the preferred site for the development and construction of a 420 place 2 form entry primary school building for Huddersfield North.
- (2) That officers be authorised to submit an outline planning application for the new school in order to establish whether the development of a new school on this land is deliverable.
- (3) That officers be authorised to continue discussions with Greenhead College and to utilise appropriate resources to negotiate an agree a valuation and heads of term for the potential purchase
- (4) That in principle agreement be given to the potential use of some of the Cemetery Road Allotments site as part of the overall solution for the new school proposal, and that officers be authorised to further investigate the potential impact of the proposal on the existing non-statutory Cemetery Road allotments and to work with the Allotments Team and plot holders to minimise, if possible the potential impact.
- (5) That the decision of the Assistant Director of Strategic Investment Group to allocate £874,000 of funds from signed 106 Section Agreements to offset the final cost of this new school building be approved.
- (6) That the intention of officers to return to Cabinet in spring 2017 with an updated report in relation to the project be noted.
