APPENDIX 1a

1) WHAT IS YOUR PROPOSAL?	Please select YES or NO
To introduce a service, activity or policy (i.e. start doing something)	NO
To remove a service, activity or policy (i.e. stop doing something)	YES
To reduce a service or activity (i.e. do less of something)	YES
To increase a service or activity (i.e. do more of something)	NO
To change a service, activity or policy (i.e. redesign it)	YES
To start charging for (or increase the charge for) a service or activity (i.e. ask people to pay for or to pay more for something)	YES

Please briefly outline your proposal and the overall aims/purpose of making this change:

The Council is seeking to reshape the current service offer of the Early Intervention and Targeted Support Service (EITSS) and Integrated Youth Support Service (IYSS) into an Integrated EARLY HELP OFFER. The Early Help Offer aims to identify needs within vulnerable families at an early stage and provide support and intervention before problems escalate. The Council needs to do this in the context of significant budget reductions, and so it is proposed to change the functions of children's centres and youth centre buildings, and to close some sites. Early Help will be delivered through area based working and in partnership with a wide range of other agencies. The proposed model emphasises the council's role in building capacity in communities and through partners such as schools.
