2. Information required to take a decision

The premises currently benefit from a premises licence under the Licensing Act 2003 – PR(A)0892 which can be seen at appendix B. The premises have been running ever since the licensing Act came in into force in 2005 and applied for a conversion/variation on 27/07/2005. The premises licence holder is Leslie Country Inns and has held the licence since July 2012.

3. Implications for the Council

3.1 Policy considerations (extracts from Kirklees Licensing Policy 2015-2020).

Para 2.3 Licensing Objectives

The Policy promotes the four licensing objectives contained in the Act and each has equal weight.

- The prevention of crime and disorder.
- Public Safety.
- The prevention of public nuisance.
- The protection of children from harm.

Para 6.9 The Licensing Authority will determine any application by considering the Act, the statutory guidance, this Policy and the four licensing objectives including how it may support other key aims, strategies and objectives.

Para 6.10 The following factors would normally be considered (although other relevant matters may be considered as the individual case dictates):

- The type of use, the numbers and type of customers likely to attend the premises;
- The proposed hours of operation;
- The level of public transport accessibility for customers either arriving or leaving the premises and the likely means of public or private transport that would be used by the customers;
- The adequacy and impact of car parking on local residents or businesses;
- The scope for mitigating any impact;
- How often the activity occurs.

and, in considering any application for a variation the Licensing Authority may also take into account

- historical evidence, whether favourable or adverse, relating to activities carried out at the premises, especially on local residents or businesses;

- and where adverse impact has been caused, appropriate measures have been agreed and put into effect by the applicant to mitigate that adverse impact.

3.2 The following provisions of the Secretary of State's guidance apply to this application:

Paras 2.1 - 2.5 Crime and disorder

Paras 2.6 – 2.13 Public safety

Paras 2.14 – 2.20 Public nuisance

Paras 2.21 – 2.30 Protection of children from harm

4. Other Representations

9 representations have been received from local residents and can be seen at appendix C. The objections state that the following objectives may not be achieved if the licence were granted:

Prevention of crime and disorder

Public safety

Prevention of public nuisance

5. Consultees and their Opinions

6.1 Advertising

The responsible authorities defined under Section 13 (4) of the Licensing Act 2003 have all received a copy of the application for review. Additionally in accordance with regulation 39 of the Licensing Act 2003 (Premises Licences and Club Certificates) Regulations 2005, Officers from Kirklees Licensing Service arranged for advertisement of the review including being posted on the premises for 28 days and on the public notice board at the licensing office. Interested parties and responsible authorities are therefore allowed to make additional representations during that 28 day period. The period of advertisement ended on **6 June 2017**.

West Yorkshire Police – No Objections

West Yorkshire Fire and Rescue Service – No Objections

Kirklees Environmental Health – Conditions

Kirklees Planning Services – No Response

West Yorkshire Trading Standards – No Response

Kirklees Area Child Protection Committee – No Response

Kirklees Primary Care Trust – No Response

6. Next Steps

Not applicable

7. Officer Recommendations and Reasons

In determining the application the panel can take any of the steps as it considers necessary for the promotion of the licensing objectives, which are:

- Issue warning with licence unaffected;
- modify conditions of the licence;
- exclude a licensable activity from the scope of the licence;
- remove the designated premise supervisor;
- suspend the licence for a period not exceeding 3 months;
- revoke the licence

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

8. Cabinet Portfolio Holder Recommendation

Subject: Objection to License Application 138128 - Woodman Inn, Thunder Bridge, Kirkburton

Dear Sir/Madam,

We have been made aware of Licensing Application number 138128 made by the Woodman Inn, Thunderbridge. As residents of Thunderbridge in close proximity to these premises we wish to make an objection to this application on the following grounds:

1) NOISE - Thunderbridge is a small rural residential hamlet with one public house (The Woodman). Traditionally the pub has operated as a country pub style eatery / restaurant, and therefore when functions such as weddings have been held then any noise created has been largely contained within the main structure of the original pub itself. This has proved acceptable to the residents of Thunderbridge by and large.

The new application requests that the premises be open from 0800 to 0030 Sunday to Thursday and 0800 to 0130 Friday and Saturday. It also requests this to be extended to the new orangery and outside garden area. This would presumably involve an even larger number of people milling around the hamlet, and would bring with it significant noise disruption from the inevitable chatter, shouting and ambient noise created by any large social gathering. Any such noise would be heard by all residents of the village. This would only be exacerbated by the application request of alcohol sale for consumption on and off premises from 1000 to 0000 Sunday to Thursday and 1000 to 0100 Friday and Saturday.

The new application specifically requests a licence for playing live music, recorded music, and any entertainment inside AND OUTSIDE from 1000 to 2300 on Sunday to Thursday and 1000 to 0000 Friday and Saturday. Clearly, the noise levels created would be over and above that created by a crowd of people alone. It would be heard by all residents, almost certainly even if we are within our dwellings with windows closed. This is frankly unacceptable, antisocial, and shows a complete lack of consideration for all residents within the hamlet.

In short, we have grave concerns for the granting of any sort of licence which would permit significant noise pollution to adversely affect the quality of life of residents. We would be deeply unimpressed if prevented from sleeping and having our working lives affected because of a live band still playing music at the stroke of midnight. In particular one of us is a shift worker who frequently has to be awake for 0500hrs.

2- PARKING - Thunderbridge is a small hamlet with one through road. The pub has a small carpark opposite the pub and a larger one adjacent to it. Nevertheless, even at present, there is insufficient parking provision for the pub's customers. Throughout the week but especially at the weekend the roadside is an unbroken line of parked vehicles belonging to pub customers, obviously forced to park there because both pub carparks are full.

This not only precludes residents from parking on the road, but also causes access restrictions for those residents fortunate enough to have a driveway. In addition, there are safety implications both in terms of people crossing the road to the orangery and beer garden (frequently in drink) with imperfect sight lines and from cars constantly having to stop to negotiate through access.

Furthermore, the lack of adequate parking pushes parked vehicles to the extremities of the village, causing collateral disruption to residents at those locations. As an example, at 2340hrs on Sunday 28th

May 2017 a bus was parked outside my house with its engine running. It had been parked in this position for over two hours. This was preventing us from sleeping and so we went out to speak to the driver, who apologetically informed us that he was waiting for the wedding party to finish. He was parked there as there is nowhere outside the pub for a bus to park.

Clearly, all of these issues can only be exacerbated by extending the capacity and hours of operation of the pub as proposed in this application. As I have stated, the small hamlet of Thunderbridge is ALREADY saturated with the parked vehicles of pub customers, which spoils the enjoyment of our living space and creates safety and access issues aside from mere irritation.

In conclusion, we feel this application represents nothing less than a clear intention by the Woodman Inn to expand its business operations in the pursuit of profit, to the detriment of residents and with complete disregard for their quality of life. We accept that there is a balance to be struck between the encouragement and facilitation of business enterprise and the wishes and rights of residents. However, we must stress that Thunderbridge is NOT the town centre. It is a rural setting and it is from this idyllic rural setting from which The Woodman Inn derives a large part of its desirability as a venue. It is therefore somewhat hypocritical for the owners of the pub to erode and subvert these characteristics with this application.

Respectfully submitted for your consideration

Sheree Mosley

Subject: Attention of Beth Jennings - Re The Woodman proposed extension of license to include 'Thunderbridge Gardens'

Dear Beth Jennings,

I would like to raise my concerns regarding this proposed change around an application. I live in Thunderbridge at Rose Cottage, 8 Thunderbridge Lane.

I have always been supportive of The Woodman Inn and recognise the need for entrepreneurial investment. However there is a point when it is too much to be in keeping with a small hamlet and appropriate with the infrastructure around the area.

We are concerned that the proposal will increase an already struggling car parking situation, travel safety and noise. Their plan is to now include a marquee from the newly built orangery, which will give them a possible 200 guest capability. Unlike a building, a marquee has little sound insulation and the noise potential is going to increase greatly. Alongside this; and their option of live music, guests will be leaving at midnight or later, loud shouting, taxis and disorderly behaviour to name a few problems. We already experience some components of this at a weekend, however the increased numbers will impact now on our well being and life style.

At no point was a marquee music venue & wedding option raised in the planning. Therefore I think it is important that you are made aware that the hamlet of Thunderbridge cannot accommodate the proposed.

Can you please advise how Kirklees plans to address this.

Kind regards
Carole Holmes

Subject: Attn Beth Jennings - re. The Woodmain Inn, Thunderbridge, Licence OBJECTION

Dear Beth

I write to express serious concerns with the application of the Woodman Inn to extend its licence to the recently developed orangery and the garden area promoted as 'Thunderbridge Gardens' which if approved will allow the Woodman Inn to intentionally avoid the scrutiny, restrictions and controls of the planning system.

As residents of Thunderbridge we strongly believe that the proposal will –

- Bring traffic chaos and exacerbate what is an existing issue
- Create unacceptable levels of noise and disruption
- Affect the quality of life of the residents

Thunderbridge is a small hamlet with infrastructure commensurate with its size and the very features which The Woodman Inn promotes to sell itself will be destroyed by the licence extension and bring chaos, noise and disruption to this quiet rural location and have a detrimental impact on the quality of life of the residents.

As you are aware, the planning application and subsequent approval was for "a change in use of lower ground floor to commercial catering kitchen, erection of orangery and boiler room and alterations". However, The Woodman are advertising 'Thunderbridge Gardens' as an outdoor wedding venue, catering for weddings with a capacity of up to 150 people. Clearly they cannot cater for weddings of this size within the orangery, which is why they are advertising the use of a wedding marquee.

Of particular concern is the undoubted significant increase in traffic, parking and noise which a venue of this size will create; bearing in mind that this could potentially occur nearly every Friday and Saturday night.

During the initial consultation period before planning permission was granted, Tim Wood from the Highways Development Management Team expressed concerns regarding the highway capacity and safety, and initially said that they **"cannot support this application because of its lack of parking provision"**. Hence, one of the conditions of the subsequent planning approval was that the development must have 20 spaces allocated for use by the development. This must have been based on the fact that the orangery was going to be the new function room, as there was no mention of any other use of the garden area as a function space in the planning application.

Given the fact that the orangery as a function space could probably cater for up to 40 guests at the most, and the Highways team insisted that 20 dedicated spaces should be allocated to it - how many dedicated spaces would have been required for 150 guests?!

Weddings of this size will therefore significantly increase these problems of road safety and capacity for anyone who is trying to travel down Thunder Bridge Lane. The Woodman Inn is already a very popular pub, restaurant and wedding venue which results in congestion along Thunder Bridge Lane virtually every weekend. The car park currently cannot accommodate the volume of guests from the existing business, with cars always being parked right along Thunder Bridge Lane, creating a single lane thoroughfare for several hundred metres. This creates issues, not only for the residents on Thunder Bridge Lane, but also affects the junctions onto Grange Lane and Dam Hill. Further, given that the beer garden is situated across this road from the pub it already poses a safety risk for customers and drivers.

The other main concern, is the impact on noise for local residents which weddings of this size would create. Responding to concerns from the planning application, conditions around noise were attached to the approval however this relates to the orangery and by extending the licence it would allow music (including live bands) to be set up within the garden area. A marquee will not provide the sound insulation qualities to adhere to the planning condition especially as access to the toilets requires a journey to a separate building and therefore the doors will be in effect open all the time so noise will spill out.

In addition having potentially 150 people (plus those who are using the pub / restaurant without being at the wedding) milling around Thunder Bridge Lane will create unacceptable disruption and noise for local residents seriously affecting the quality of life. Current licensing restrictions are being ignored with drinking outside taking place after midnight despite it being limited to 11pm and people still milling around beyond 2pm with shouting and swearing (video evidence is available but too large to attach). This is just a snapshot from this past Friday but unfortunately it is a typical occurrence with many residents of Thunder Bridge Lane dreading the increased activity which this extension will bring.

As Thunderbridge is a small hamlet and 'Thunderbridge Gardens' is within a conservation area, I feel that a wedding venue of this size will destroy the tranquillity and nature of the area, particularly for local residents.

It would be appreciated if you could forward a copy of my email to Tim Wood from the Highways team given his initial concerns

I look forward to your comments.

Many thanks & kind regards

Subject: extended licence extension thunderbridge attn: Beth Jennings

Dear Beth Jennings,

I would like to make you aware of our concerns and object to the proposed licence extension regarding The Woodman Inn at Thunder Bridge Lane.

We currently have problems with various issues concerning The Woodman, one of which is the noise which already intrudes into our lives from the numerous weddings. We can often hear the music etc from wedding receptions which prevents me from enjoying my living space in our village hamlet. If they are allowed the extended licence and a large marquee and live music outside the noise will become intolerable for me as a resident.

Another concerning issue which we already suffer from is traffic congestion and parking problems which affects my family whilst visiting. Speeding and drink drivers has become a danger as we have experienced first hand whilst walking in our village. As this is only a small hamlet it can not accommodate the amount of traffic at present but will become significantly worse if they are granted the extension.

We were not aware of the proprietor's intentions for a large marquee and out door music and if this was the case would have appealed to their original planning application. I feel this was their original intention and have misled everyone including the council. I can not understand how the Council have allowed this in the first instance, along with their out door toilets in a conservation area which I think is inappropriate to the hamlet of Thunder Bridge.

If you could also pass this information to Tim Wood from the Highway Development to make him aware of my concerns regarding this issue.

I ask you to take our concerns into consideration as a resident of Thunder Bridge which was once a peaceful village hamlet and has now been taken over by the woodman inn with no consideration for its residents.

Yours Sincerely

Tracy Brooke

Dear Ms Jennings,

Re. Woodman Pub licensing application.

My partner and I wish to register our objection to any changes being made to the current licensing arrangements regarding the Woodman public house.

Our property is within 200 yards of the pub and we already suffer a certain amount of late night noise from their customers. We tolerate this on a live and let live basis and on the understanding that things don't get worse. Parking is usually difficult and even though there are sizeable car parks, customers (and some staff!) often seem to prefer to park on the street. At peak times, it almost impossible to drive safely along Thunderbridge Lane.

The proposed changes can only make things considerably worse, particularly in respect of loud music being played until midnight and no doubt beyond as, in my experience, there is rarely any attempt by management to curtail boisterous behaviour.

Thunder Bridge is a small hamlet which is now starting to be dominated by the requirements and preferences of the Woodman business and if we are not careful we may end up becoming a 'wedding theme park' existing for their benefit.

If I recall correctly, at one time expansion of the Woodman was restricted, presumably by the council. In recent times however they have purchased the small cottage attached to the left side of the property and, of course more recently the property across the road. I think their presence in the community now is at levels that can only just be accommodated and that to go beyond those levels will seriously diminish the pleasure of living in what is supposed to be a peaceful little hamlet.

Yours faithfully

John Leather

Dear Madam

I am writing to you about the proposed application to grant variation to the licence for the woodman Inn at Thunderbidge this will affect me greatly as I am just over the road from the Pub. As it stands now things are not too bad but there are times when things go wrong and they run ^{well} over their time. Even with the windows closed at 10.00pm I can still hear the music in my home (which does not end until 12.00pm) So if they can have music in the Garden from ?? until 11.00pm this will affect me. The music may finish at 11.00pm but the extra noise from the people leaving will not end then. If the weather is good then people will sit out from early doors till late one lot leaves and another arrive the licence as it stands now is working but I feel there will be problems if there are changes

ANNEX 1 - MANDATORY CONDITIONS

Alcohol:

No supply of alcohol may be made under the premises licence:

- (a) at a time when there is no Designated Premises Supervisor (DPS) in respect of the premises, or
- (b) at a time when the DPS does not hold a personal licence or his/her personal licence is suspended

Every sale/supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

1. (1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises;

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children:

- (a) games or other activities which require or encourage, or are designed to require or encourage individuals to:
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
- (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
- (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
- (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on:
 - (i) the outcome of a race, competition or other event or process, or
 - (ii) the likelihood of anything occurring or not occurring;
- (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.

2. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).

3. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.

4. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.

(2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

5. The responsible person shall ensure that:

(a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures:

- (i) beer or cider: ½ pint;
- (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
- (iii) still wine in a glass: 125 ml; and

(b) customers are made aware of the availability of these measures.
