Dear Karen,

Huddersfield (Traffic Regulation) (No 8) Order 2016
St Stephen's Road/ Albany Street/ Macham Street/ Bland Street/ Garden Street/ Mount Pleasant,
Lockwood Residential Permit Parking / No Waiting at any Time

I am seriously concerned about the proposed plans to introduce residential permit parking on St Stephen's Road and Bland Street. I am a regular visitor to the Ghausia mosque and park on these roads. If the permit parking comes into force on these roads, then where does the Council expect the visitors to park?

The mosque has been operating in this area for almost 40 years and I consider it wholly inappropriate to penalise the mosque and its visitors by appeasing a few local residents especially given that when I visit the mosque there is ample car parking spaces available and I've never had a problem parking in the area.

I strongly request Kirklees Council to withdraw/abolish this Order as in its current state it will cause significant detrimental issues for people like me who visit the mosque.

Kind Regards

Wasim Akhtar

Dear Karen,

Huddersfield (Traffic Regulation) (No 8) Order 2016

**St Stephen's Road/ Albany Street/ Macham Street/ Bland Street/ Garden Street/ Mount Pleasant,
Lockwood Residential Permit Parking / No Waiting at any Time**

I am seriously concerned about the proposed plans to introduce residential permit parking on St Stephen's Road and Bland Street. I am a regular visitor to the Ghausia mosque and park on these roads. If the permit parking comes into force on these roads, then where does the Council expect the visitors to park?

Since I have seen the notice about these proposals I have observed myself that there tends to be greater than 75% free occupancy of spaces available on these two roads so I am very surprised that an issue has been highlighted. Whenever I visit the mosque I have never had a problem finding parking space in the area therefore I think it's a fallacy that the residents have problems.

The mosque has been operating in this area for almost 40 years and I consider it wholly inappropriate to penalise the mosque and its visitors by appeasing a few local residents.

I strongly request Kirklees Council to withdraw/abolish this Order as in its current state it will cause significant detrimental issues for people like me who visit the mosque.

Kind Regards

Mohammad Shahid

Dear Karen,

Huddersfield (Traffic Regulation) (No 8) Order 2016
St Stephen's Road/ Albany Street/ Macham Street/ Bland Street/ Garden Street/ Mount Pleasant,
Lockwood Residential Permit Parking / No Waiting at any Time

I am seriously concerned about the proposed plans to introduce residential permit parking on St Stephen's Road and Bland Street. I am a regular visitor to the Ghausia mosque and park on these roads. If the permit parking comes into force on these roads, then where does the Council expect the visitors to park?

Since I have seen the notice about these proposals I have observed myself that there tends to be greater than 75% free occupancy of spaces available on these two roads so I am very surprised that an issue has been highlighted. I would request the Council to provide evidence of there being problem in these two roads for the residents. Whenever I visit the mosque I have never had a problem finding a parking space in the area therefore I think it's a fallacy that the residents have problems.

The mosque has been operating in this area for almost 40 years and I consider it wholly inappropriate to penalise the mosque and it's visitors by something that has been caused by town centre commuters (though I have yet to see evidence of there being issue on St Stephen's Road and Bland Street for residents.)

I strongly request Kirklees Council to withdraw/abolish this Order as in its current state it will cause significant detrimental issues for people like me who visit the mosque.

Regards

Dear Karen,

**Huddersfield (Traffic Regulation) (No 8) Order 2016
St Stephen's Road/ Albany Street/ Macham Street/ Bland Street/ Garden Street/
Mount Pleasant, Lockwood Residential Permit Parking / No Waiting at any Time**

I write to object to the proposed plans of introducing residential permit parking on the above mentioned roads. This will create severe problems for the local Ghausia mosque whereby the visitors will instead begin to park on Victoria Road causing an issue to myself and other residents living on this road. This is simply moving the problem from one road to another. Instead the Council need to rethink this through and come up with a solution that does not negatively impact some residents and the mosque whilst trying to improve matters for other residents.

I request Kirklees Council to withdraw/abolish this Order until an improved solution is available.

Yours Sincerely

Khalid Khan

Dear Karen,

**Huddersfield (Traffic Regulation) (No 8) Order 2016
St Stephen's Road/ Albany Street/ Macham Street/ Bland Street/
Garden Street/ Mount Pleasant, Lockwood Residential Permit
Parking / No Waiting at any Time**

I write to object to the proposed plans of introducing residential permit parking on the roads listed above. This will create detrimental problems for the Ghausia mosque and the visitors of the mosque will begin to park on Victoria Road causing an issue to myself and other residents living on this road. I am particularly concerned as my younger brother has a disability and any increased parking outside my house will cause issues to us.

The current proposals are simply moving the problem from one road to another. The Council need to find an alternative solution that does not negatively impact the residents and the mosque whilst trying to improve matters for other residents.

I strongly request Kirklees Council to withdraw/abolish this Order until an improved solution is found.

Regards

Muzaffar Farooq
