- There are no major changes proposed to the schemes for 2019/20
- Kirklees LA, as the admissions authority, is responsible for determining the admission policy and admission numbers for the community and voluntary controlled schools it maintains.
- Kirklees has made no changes to the admission arrangements for community and voluntary controlled schools, apart from amendments to some published admission numbers.

2. Information required to take a decision

2.1 The co-ordinated admission schemes

- Kirklees Council is required by law to produce admission schemes to co-ordinate the admission of children to the first year of all schools in Kirklees. The schemes cover the admission of rising 5 year olds, and admissions to the first year of junior, middle and secondary schools.
- The schemes cover the normal round of admissions to schools at the beginning of the 2019/20 school year in September 2019 and in-year admissions during the school year 2019/20.
- The schemes comply with the requirements of the School Admissions Code which came into force in December 2014.
- The schemes are attached to this report as:-
 - Appendix 2A: Kirklees co-ordinated schemes for normal year of entry admissions for rising 5 year olds, junior schools, middle schools and secondary schools.
 - Appendix 2B: Kirklees scheme for in-year admissions

2.2 Changes to the co-ordinated admission schemes in 2019/20

- There are no major changes to the schemes for 2019/20 and are very similar to those determined for use in 2018/19.
- The timetable for co-ordination for 2019/20 has been amended to take account of the increased number of own admission authority preferences that have to be processed before lists of pupils can be sent to own admission authority schools for ranking.
- The list of own admission authority schools has been updated to include the schools that have become own admission authorities due to conversion to academy status or a change of category to a trust or aided school and is correct as at 20 February 2018.

2.3 The admission arrangements for all Kirklees community and voluntary controlled schools for 2019/20.

Kirklees LA, as the admissions authority, is responsible for determining the admission policy and admission numbers for the community and voluntary controlled schools it maintains.

As the admissions authority, the LA has a statutory duty to consult with the governing bodies of those schools, the governing bodies of academy, aided, foundation and trust schools in Kirklees and neighbouring LAs on the admissions policy and proposed admission numbers for schools.

This report confirms the outcomes of this process which took place between 1 November and 12 December 2017.

- Appendix 1B to this report explains how the published admission numbers are derived.
- Appendix 1C gives the proposed arrangements for community and voluntary controlled schools for 2019/20.
- Appendix 1D lists the proposed published admission numbers for community and voluntary controlled schools for 2019/20. The admission numbers for own admissions authority schools; academies, aided, foundation and trust schools are included for information only and may be subject to change.

2.4 Changes to the admissions arrangements for community and voluntary controlled schools in 2019/20

Kirklees has made no changes to the admission arrangements for community and voluntary controlled schools, apart from amendments to some published admission numbers.

2.5 School organisation proposals

For schools undergoing statutory processes, any impact for admissions purposes have been included as part of the process and will be determined should proposals be approved in the future.

2.6 Published Admission Numbers (PANs) for community and voluntary controlled schools in Kirklees

The table in Appendix 1D indicates the PAN for each year in a school.

Where a change is made to the PAN for a particular year of entry (the relevant year), it applies to that cohort of pupils only, at admission and then will apply in successive years as the pupils progress through the school.

3. Implications for the Council

3.1 Early Intervention and Prevention (EIP)

Reviewing and then determining admission arrangements support the Pupil Admission Team to continue to work together with partners to ensure all children are offered a school place within a reasonable distance from their home. Continuing to develop our partnership and integrated working arrangements with schools, early years providers, neighbouring local authorities, Community Hubs and other departments including SENACT, Attendance & Pupil Support and Early Years to provide better targeted services to support early intervention.

An intelligence led approach will allow the LA to further explore opportunities to reduce unfilled places in a creative and innovative way. This will be integral to sufficiency planning and to taking a proactive approach in assessing need from the Local Plan.

3.2 **Economic Resilience (ER)**

We want Kirklees to be a place where local people have the chance to develop skills, and where communities have good employment opportunities and wages. In line with this, we are committed to making sure that there are enough high quality school places in the areas where communities and families need them and that we support children to secure a school place.

3.3 **Improving Outcomes for Children**

Our aim is that all children in Kirklees have equal access to, and equal opportunities in education, regardless of where they were born or their start in life. We are committed to improve the quality of education in our schools to give every child the best possible start. In line with this we are committed to ensuring there are enough high quality school and early learning places in the areas where communities and families need them and that we support children to secure a school place..

3.4 **Reducing demand of services**

This report highlights that a deep review of the admission arrangements which was undertaken in the 2016/17 school year. Whilst the findings indicate we have a fair and transparent process and there is no evidence to support the change of current arrangements, the level of rich intelligence this review produced is now being used to proactively target non-returns, and applicants who only name one preference. Kirklees Council aims to secure sufficient high quality school places within a reasonable distance of the family home and the deep review findings underline the importance of parents making on time applications and naming three preferences on their application, including their catchment school.

There are further opportunities to develop processes using 'Digital by Design' which builds upon the online application approach that was introduced two years ago. The quality of data now held is enabling parents/carers to help themselves and allow the Pupil Admission team to focus resources on those most in need of support and to ensure that no children fall through the gap.

3.5 **Other (eg Legal/Financial or Human Resources)**

This is a statutory requirement for the council. There are no financial or Human Resources implications for the council.

4. **Consultees and their opinions**

Consultees and their opinions

The proposed arrangements and schemes were subject to the statutory 6 week consultation between 1 November and 12 December 2017.

As part of the consultation the proposals were communicated to the following parties:- Governing Bodies and Headteachers of all Kirklees schools including own admission authority schools, Roman Catholic and Church of England Aided schools and Trust schools, Academies and Free schools, the Diocese of Leeds and the Church of England Diocese of Leeds, neighbouring Local Authorities, and comments were invited from parents and other interested parties via social media, Involve, Kirklees Newsfeed and the Kirklees website. Schools were also encouraged to raise awareness of the consultation in their newsletter to parents.

The proposed arrangements and schemes were discussed at the meetings of the Place Planning and Admissions Group on 16 October 2017.

Responses to consultation

The LA received 12 responses, 7 from school governors, 3 from Headteachers, 1 from another school representative, 1 from a parent and 1 response from the Mayor of Mirfield. Below is a summary of the responses along with LA Officer commentary.

Respondents	LA Officer commentary
<p><u>Holme Junior & Infant School</u> The Governors have requested that the LA increase the PAN from 5 to 6.</p>	<p>There is no basic need rationale to increase the PAN, however the LA do recognise the very specific economic and organisational challenges faced by this small school. Given these circumstances and the minimal impact on other local schools the LA recommends an increase in the PAN to 6 in Reception 2019/20. Subject to future PAN consultations, a PAN of 6 can be phased in on a year by year basis thereafter reducing the risk of unnecessary pupil movement.</p>
<p><u>Hopton Primary School</u> The Governors have requested the LA increase the PAN of 45 to 50. The school is a popular school, the increase in the PAN would help parents who have a child at the school but do not live in the catchment area to secure a place for a sibling.</p>	<p>There is no basic need rationale to increase the PAN. Increasing the school's PAN would have a negative impact on neighbouring provision, which is not something the LA can support. It is therefore recommended that the PAN remains at 45 at this time.</p>
<p><u>Farnley Tyas First School</u> The Governors have requested that the LA maintain a PAN of 10. The school has been working towards a PAN of 10 for the past 3 years. The school has had renovation work done and believe that they can continue to sustain the PAN of 10. There is planning permission in place for new 400 homes in the schools priority admission area.</p>	<p>The LA acknowledges that the school has had a PAN of 10 since 2015/16. There is no new information to support a reduction in the PAN. It is therefore recommend the continuation of a PAN of 10.</p>
<p><u>Pentland Infant and Nursery School</u> The Governors have requested that the LA increase the PAN from 49 to 50 as this would provide equal numbers within each class in each year group.</p> <p>Governors would like to voice a little concern about the online applications as it they feel it does not work well for their parents and takes a lot of school time helping parents to complete forms.</p> <p>Governors would like to see the allocation of places from waiting lists speeding up.</p>	<p>There is no basic need rationale to increase the PAN. Increasing the school's PAN would have a negative impact on neighbouring provision, which is not something the LA can support. It is therefore recommended that the PAN remains at 49 at this time.</p> <p>This is an operational matter and not part of the admissions scheme. However, it is an important issue. Admission staff can be deployed to support schools. Officers will discuss this opportunity with the school.</p> <p>This is an operational matter and not part of the admissions scheme. Officers will</p>

<p>Governors are concerned about children who defer their education or take-up of part-time education [early education]</p>	<p>however discuss this suggestion with the school.</p> <p>This is not part of the admissions scheme. It is a parents' right to defer their place until their child reaches statutory school age. However Officers do share these concerns. Evidence is clear that children who access early education do better in later life.</p>
<p><u>Paul Blakeley, Mayor of Mirfield</u> Mr Blakeley has questioned the rationale for a priority admission area deviating from the ward boundary and dividing the houses in a small settlement between two priority admission areas. The settlement is near, around the junction of Hollin Hall Lane, Hopton Lane and North Gate, WF14 8ET. Following conversations with some local residents, Mr Blakeley has requested that the priority admission area be redrawn to follow the ward boundary to allow residents of the settlement to have a priority admission to a Mirfield school.</p>	<p>The majority of houses in this settlement were built a numbers of decades ago and the school priority admission areas have been in place for over 10 years. No specific rationale has been found to explain the small deviation from the ward boundary in this area.</p> <p>The impact of changing a priority admission area boundary could affect a number of interested parties including local residents and local schools. At this point in the admission consultation process it is not practical to fully understand the impact and the views of those who could be affected by such a change. Officers therefore recommend that further work is undertaken to explore impact and views of all stakeholders and present any future proposals to the next admission consultation.</p>

5. Next steps

To publish the approved arrangements on the Council's website, make copies available on request, to inform the public that the admission arrangements have been determined and inform all consultees of the decisions.

To prepare the composite Guide for Parents to support their applications for 2019/20.

6. Officer recommendations and reasons

Taking into account the consultation responses, officer commentary and to comply with statutory duties it is recommended that Members approve the;

- the Kirklees co-ordinated admission schemes for 2019/20, including in-year admissions, as set out in Appendix 2
- the admission arrangements for Kirklees community and voluntary controlled schools as detailed in Appendix 1, including
- the PANs for the schools set out in appendix 1D.

7. Cabinet portfolio holder's recommendations

We, the Cabinet Members for Children Young People recommend that cabinet approve;

- the Kirklees co-ordinated admission schemes for 2019/20, including in-year admissions, as set out in Appendix 2
- the admission arrangements for Kirklees community and voluntary controlled schools as detailed in Appendix 1, including

Appendix 4 - The meaning of words and expressions used in this scheme

A. Introduction

- These schemes are intended to comply with The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 and the School Admissions Code 2014. The School Admissions Code ('the Code') has been issued under Section 84 of the School Standards and Framework Act 1998 ('SSFA 1998'). The Code has been made following a consultation under Section 85(2) of the SSFA 1998.
- Some community or voluntary controlled schools in Kirklees may become an own admission authority by converting to academy status or changing category to trust or voluntary aided status during the life of these arrangements. Any school that becomes an own admission authority during the period of these schemes assumes the responsibilities of an admission authority from the date of change of status / category.
- Please consult the websites of Kirklees and other admission authorities to obtain the most up to date information.
- There are no planned changes to the Priority Admission Areas (PAA's) in Kirklees for 2019-20. Last year Kirklees Pupil Admissions undertook an in depth review of the admission arrangements and how well they meet the needs of local families, schools and the local authority, now and going forwards. The review included research and analysis into how Kirklees compares with other local authorities, patterns of past allocations, preference data and modelling exercises to assess the impact of any changes to the existing arrangements. Having reviewed the findings, the evidence gathered does not suggest that currently any major changes to the admission arrangements are required, but that the focus needs to be on supporting parents and carers to make an on time application and encouraging them to name up to three preferred schools, including their catchment school. Choosing a school within walking distance of the family home has great health and wellbeing benefits for children and parents and would contribute to the reduction of polluting emissions, a key focus of the Kirklees Air Quality Strategy.
- Since the admission consultation Kirklees cabinet have agreed to make some changes to the home to school transport arrangements for mainstream schools. From September 2019 the child's nearest school geographically (rather than catchment school) will be used as the "nearest suitable school". This is in keeping with Department for Education statutory guidance and the Kirklees Home to School Transport policy. The law provides protection for families where pupils are entitled to free school meals, or if their parents are in receipt of maximum Working Tax Credits, but other families who are no longer eligible for free transport will need to budget for the cost of Home to School travel. Amendments will be made to the admissions "Guide for Parents" to help them take these arrangements into account when referencing a new school

B. Published Admission Numbers (PANs) and Priority Admission Areas (PAAs)

Published Admission Numbers (PANs)

All schools have a Published Admission Number (PAN or admission number). This is the maximum number of places that the school can offer in each year group. This section explains

how we have arrived at the proposed Published Admission Numbers based on the workplace range for each school.

In order to comply with the statutory timetable, the LA must consult the governing body of each community and voluntary controlled school about the PAN (and other admission arrangements) 18 months before it comes into effect. PANs for September 2019 must have been consulted on by 31 January 2018.

The table on pages 15 to 22 indicates the PAN for each year in a school.

Where a change is made to the PAN for a particular year of entry (the relevant year), it applies to that cohort of pupils only, at admission and in successive years as the pupils progress through the school.

In order to be consistent when proposing PANs for each community and voluntary controlled school the Kirklees LA considers the following:

- **The Net Capacity Calculation**

The internal measurement of a school produces a maximum number of workplaces and a minimum number which is normally 90% of the maximum. We call this 10% spread between the maximum and minimum workplaces the 'range'.

The net capacity of a school is subsequently determined as the agreed PAN multiplied by the number of age groups at the school provided that this figure falls within the 'range' of workplaces. If a PAN is chosen which (when multiplied by the number of year groups) does not fall within that range, the Net Capacity is set as the nearer of either the maximum or the minimum number of workplaces.

Nursery space is excluded from the net capacity measurement, therefore, this age group is also excluded from the calculation.

The net capacity calculation estimates the impact of a sixth form group on the entire school and provides a proportion of a year group. For example, an 11-18 secondary school with a sixth form may have 5.42 year groups (five statutory age groups plus 0.42 equivalent full-size age groups of sixth form students).

- **Flexibility in setting PANs**

The range of workplaces calculated for each school allows Kirklees some discretion in setting the PAN to take account of a school's particular circumstances and governors' views. The Authority's expectation is that, in most cases, PANs will be set within the range with appropriate and realistic regard to the likely demand for places.

- **PANs outside the range**

Kirklees may set a PAN above the range for the following reasons:

- to accommodate all in-area children who apply on time for the first year in school
- where it has been agreed that the school should expand
- where the school accepts that they can accommodate children above the range without the need for extra accommodation.

Priority Admission Areas (PAAs)

In Kirklees each community and voluntary controlled school has an area identified as its Priority Admission Area (other LAs refer to catchment areas). A small number of schools share priority areas; these are known as shared priority areas. Full details of priority areas are available on the Kirklees Council website.

C Proposed admission arrangements for Kirklees community and voluntary controlled schools for 2019-20

Admission Criteria

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The proposed Kirklees admission criteria for community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school's Priority Admission Area (PAA) who have a brother or sister attending from the same address at the date of admission (the sibling rule);
3. children who live in the school's PAA;
4. children who live outside the school's PAA who have a brother or sister attending from the same address at the date of admission (the sibling rule);
5. children who live outside the school's PAA.

Community and voluntary controlled schools will admit a child with Special Educational Needs where the school is named on the Statement or Education Health and Care Plan.

Linked infant and junior schools

There are several combinations of infant and junior schools in Kirklees. These are shown in the list below. The majority of children transfer from the infant school to the linked junior school. It is proposed to strengthen the admissions criteria for linked infant and junior schools to increase the continuity for children to a level comparable to that in an all-through primary school

- Berry Brow I & N School and Newsome Junior School
- Birkby I & N School and Birkby Junior School
- Diamond Wood Community Academy and Ravensthorpe CE (VC) Junior School
- Earlsheaton Infant School and Bywell CE (VC) Junior School
- Kirkroyds Infant School and Wooldale Junior School
- Lindley Church of England Infant School and Lindley Junior School¹
- Manorfield I & N School and Staincliffe CE (VC) Junior School
- Netherpton I & N School and South Crosland CE (VA) Junior School
- Pentland I & N School and Headfield CE (VC) Junior School
- Purlwell I & N School and Hyrstmount Junior School
- Rawthorpe St James CE(VC) I & N School and Rawthorpe Junior School
- Reinwood I & N School and Reinwood Community Junior School
- Savile Town CE (VC) I & N School and Headfield CE (VC) Junior School
- Shaw Cross I & N School and Bywell CE (VC) Junior School
- St John's CE (C) Infant School and Westmoor Primary School
- Thornhill Lees CE (VC) I & N School and Headfield CE (VC) Junior School

On 4 April 2017 Cabinet approved the bringing together of Honley Church of England Voluntary Controlled Infant and Nursery School and Honley Church of England Voluntary Controlled Junior school to create a new Church of England voluntary controlled all through primary school from 1 May 2017, therefore there is no transition between KS1 to KS2 at the new school which is called Honley CE(VC) Junior, Infant & Nursery School.

¹ Please see admission policies on the websites for both schools

On 10 March 2017 the Schools Adjudicator approved the governing body of All Hallows' CE (VA) I & N School proposal to become an all through primary school called All Hallows' CE (VA) Primary School from 1 September 2017.

Admission criteria for linked infant and junior schools.

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The proposed Kirklees admission criteria for linked infant and junior, community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school's Priority Admission Area (PAA) who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
3. children who attend a listed infant school (with priority for the linked junior school)
4. children who live in the school's PAA;
5. children who live outside the school's PAA who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
6. children who live outside the school's PAA.

Community and voluntary controlled schools will admit a child with Special Educational Needs where the school is named on the Statement or Education Health and Care Plan.

Notes

- The definition of a 'looked after child' is a person under the age of 18 who is provided with accommodation by a local authority, acting in its social services capacity, for a continuous period of more than 24 hours, by agreement with the parents or in accordance with section 22 of the Childrens Act 1989. Previously Looked After refers to those children who immediately after being looked after became subject to an adoption order, (under section 46 of the Adoption and Children Act 2002), residence order (under Section 8 of the Children Act 1989), or specialist guardianship order (under Section 14A of the Children Act 1989). Children looked after under an agreed series of short term placements (respite care) are excluded
- Children in priority 1 above may be admitted above the PAN.
- If we cannot agree to requests for admission in priorities 2 to 5 above without exceeding the PAN, we will give priority up to the PAN to children living nearest the school.
- Distance is measured in a straight line from a child's home address to the school. Measurements are calculated using six-figure National Grid Co-ordinates from the National Land and Property Gazetteer. This grid reference relates to a point that falls within the permanent building structure corresponding to the address. The boundary of the building structure for the address is from Ordnance Survey's MasterMap. For smaller, residential properties the grid reference marks a point near the centre of the building. For larger properties like schools with, for example, multiple buildings and large grounds, the grid reference relates to a point inside the main addressable building structure. The distance calculated is accurate to within 1 metre.
For all-through schools located on two different sites, Kirklees LA proposes that the distance to each site will be measured in a straight line from the applicant's home address and the shortest distance will be used for admission purposes.
- 'Live' means the child's permanent home at the date when applications close or, if a significant house move is involved, the latest reasonable date before the final allocation of places (see page 12).
- Where a child's parents live at different addresses and the child spends time at each address we will consider the following when deciding on the address that will be used for admissions purposes:

- the amount of time spent at each address
- which parent has parental responsibility for the child
- who receives child benefit for the child
- where the child is registered for medical and dental care
- any residency or custody orders made by the courts.

We will ask for documentary evidence to support information given about the above points.

- For children transferring from first or middle schools, we will give preference in priorities 2-5 above (up to the PAN) to children attending a first or middle school in the middle or secondary school PAA.
- A PAA means a geographical area determined by Kirklees in consultation with the governing body of the school. It is called this because children living there normally have priority for admission over children who live elsewhere. It is also referred to as the catchment area.
- Children with Statements of Special Educational Needs or Education Health and Care Plans are admitted to mainstream schools, special units and special schools separately from the general admission policies, but we do ask families to complete the online application if they would like to name a mainstream school as one of their preferences.
- **It is important to note that attending a school nursery or pre-school setting on a school site does not give any priority for a place in that primary/infant school and there is no automatic transfer.**

Application Procedures

- **Transfer to secondary school**

Kirklees residents will apply for a secondary school place by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2018. The closing date for applications will be 31 October 2018.**

- **Transfer to junior or middle school**

Kirklees residents will apply for a junior or middle school place by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2018. The closing date for applications will be 15 January 2019.**

- **Admission to full-time school for rising five year old children**

Kirklees residents will apply for admission to full-time school (rising five year old children) by using the online Parent Portal on the Kirklees website. The application period will run from the week beginning **1 September 2018. The closing date for applications will be 15 January 2019.**

- **Late applications**

Applications received after the appropriate closing date will be regarded as late unless, in Kirklees' judgment, there are significant and exceptional reasons for the lateness. Proof of special circumstances will be required.

Late applications are not considered until all on-time applicants have been allocated places. Forms submitted after the closing date due to a significant house move will be regarded as on-time provided that documentary evidence to confirm the move is provided by the following deadlines in time for the allocation process.

For year 7 and year 9 applications - It is expected the allocation process will take place on 17 January 2019. The latest reasonable date for evidence of a significant house move will therefore be 2 January 2019.

For Reception, year 3 and year 6 - It is expected that the allocation process will take place on 15 March 2019. The latest reasonable date for evidence of a significant house move will therefore be 14 February 2019.

- **Waiting lists**

A child's name will automatically be placed on the waiting list for any Kirklees community or voluntary controlled school where they have been refused a place in the school's normal year of entry, eg, Year 7 at secondary school.

The waiting lists will be held in admission criteria order and will close on the last school day in December.

For in-year admissions, the waiting list will be held for the remainder of the term for which they have applied for a place.

- **In-year admissions**

Kirklees residents who wish to apply for a place in the first year at a school after the first school day in September 2019, or to any other age group at any time, will apply on the In-year Common Application Form (ICAF).

- **Twins / multiple births**

A twin or sibling from a multiple birth can be admitted as an excepted pupil into an infant class, where admission of more than one of the siblings would exceed the infant class size limit of 30 pupils, such cases would be examined on an individual basis.

- **Flats**

In the event of two or more children living equidistant from the school, eg, blocks of flats, the place will be decided by drawing lots, the first name drawn out of the bag will be offered the place.

- **Rising five year old children**

Full time places will be available from the September following a child's fourth birthday.

Parents may defer their child's entry until later in the school year and the allocated place will be held for the child. Parents may not defer entry beyond the beginning of the term in which the child reaches their fifth birthday, nor beyond the school year for which the original application was accepted.

Parents can request that their child takes up the place part-time until the child reaches compulsory school age.

- **Children of Service Personnel**

Kirklees Council is signed up to the armed forces Community Covenant, which is a pledge made by the government to ensure that the armed forces and their families are not disadvantaged as a result of their service. As part of the co-ordinated process applications from armed forces families are reviewed on an individual basis to ensure they are not disadvantaged, and, Kirklees LA may ask schools to consider admission over PAN if this is felt to be necessary. If an alternative school place cannot be secured by normal processes, the application may be considered under Fair Access Protocol.

Children of service personnel and crown servants returning from overseas to live within Kirklees, will be allocated a school place in advance of their arrival. The application must be

accompanied by an official letter declaring the relocation date and postal address. The allocation will be based upon the anticipated postal address.

- **Summer born children (children born between 1 April and 31 August)**

The majority of parents apply and take up a reception place in the school year in which their child will reach the age of five (rising fives). All children are entitled to a full time place in the September following their fourth birthday. However, the legal starting age for full time education is the start of the term following the child's fifth birthday and parents may request that their child's entry is deferred until later in the same school year or until the term in which the child reaches compulsory school age.

Kirklees Council receives a small number of enquiries from parents (whose children are 'summer born') to defer their entry to school until the September following their fifth birthday.

In many of these cases where a request is made for a deferred entry of a 'summer born' child, a place would be offered in Year 1 as this enables the child to remain within their chronological age group, however, non-statutory Department for Education (DfE) Guidance states;

- **School admission authorities are required to provide for the admission of all children in the September following their fourth birthday, but flexibilities exist for children whose parents do not feel they are ready to begin school at this point.
- **School admission authorities are responsible for making the decision on which year group a child should be admitted to, but are required to make a decision based on the circumstances of the case.
- There is no statutory barrier to children being admitted outside their normal year group.

All requests for such transfers will be explored with the parent/carer on an individual basis.

'Advice on the Admission of Summer Born Children' (DfE, July 2013)

** Kirklees Council is the admission authority for community and voluntary controlled schools. The governing body is the admission authority for foundation and voluntary aided schools and the academy trust is the admission authority for academies and free schools.

- **Admission of children outside chronological year group**

It is the general view of Kirklees Council that all children and young people will complete their primary and secondary education in school year groups according to their chronological age. It is also the general view of the Local Authority that moving pupils into older or younger year groups is usually not in their best educational, social or emotional interests. This includes either early or late admission to primary school or early or late transfer to secondary school.

The National Curriculum sets out a clear, full and statutory entitlement to learning for all pupils. In addition, schools in Kirklees deliver an offer which supports access to high quality differentiated education. This should ensure that a pupil's curricular needs are met without either early or delayed transfer to the next phase of schooling being necessary other than in exceptional circumstances.

It is for individual admission authorities to consider requests for placement out of the chronological age group. Kirklees Council is the admission authority for community and voluntary controlled schools. The governing body is the admission authority for foundation and voluntary aided schools and the academy trust is the admission authority for academies and free schools.

All requests for such transfers will be explored with the parent/carer on an individual basis.

Appendix 2

Proposed Kirklees schemes for school admissions 2019-20

1. Introduction and purpose

- These schemes are intended to comply with The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 and the School Admissions Code 2014.
- Kirklees LA will co-ordinate normal round admission arrangements with all of the admission authorities responsible for school admissions within Kirklees and with other neighbouring local authorities.
- Some community or voluntary controlled schools in Kirklees may become an own admission authority by converting to academy status or changing category to trust or voluntary aided status during the life of these arrangements. Any school that becomes an own admission authority during the period of these schemes assumes the responsibilities of an admission authority from the date of change of status / category.
- Please consult the websites of Kirklees and other admission authorities to obtain the most up to date information.

2. Schemes

- A. Kirklees co-ordinated schemes for normal (relevant) year of entry admissions for 2019-20 for rising 5 year olds, junior schools, middle schools and secondary schools: sections 5-20
- B. Kirklees scheme for in-year admissions 2019-20 sections 21-29

3. Additional appendices

- Appendix 3 shows the timetables for implementing these schemes.
- Appendix 4 explains the meanings of expressions (marked *) used in these schemes.

4. Kirklees admission authorities

In Kirklees² the admission authorities* for schools at the time of publication on the website are listed below. This list will be updated before determination by the cabinet in February 2018.

Some Kirklees community or voluntary controlled schools may have changed category to academy or trust status before the 2019 admissions round. The relevant schemes in this document will apply to any school that becomes an own admission authority from the date of the change to own admission authority.

Details will be updated on the Kirklees and school websites.

A. Kirklees co-ordinated schemes for relevant year of entry admissions for 2019-20 for rising fives, junior schools, middle schools and secondary schools			
<p>5. Details about summer born children admissions can be found under page 14)</p>			

6. The application	<ul style="list-style-type: none"> • Parents apply online for their child’s school place via the Kirklees Parent Portal. This can be accessed via the Kirklees website. • The Kirklees Parent Portal should only be used by Kirklees residents. • Parent/carers can express up to three preferences, ranked in priority order, for the school at which it is preferred that the child should be educated. • Kirklees will not disclose a parent/carer’s order of preference during the allocation process, prior to offer day. • The parent/carer may name state-funded schools in Kirklees or any other LA. 		
7. Supplementary Information Form SIF*	<ul style="list-style-type: none"> • Own admission authority schools (see sections 4b-4e) may require parent/carers to complete a Supplementary Information Form (SIF). • SIFs are only used to provide the extra information required by the school’s admission criteria which is not available on the Kirklees online application. • A SIF must be returned to the school. • A SIF is required as well as the Kirklees online application. • If the Kirklees online application has been completed, but not a SIF, the preference is still valid and must be considered. If it is not possible to consider the preference fully without the supplementary information, the applicant should be ranked lower than those applicants who met the criteria fully. • Where a SIF is required, the school should follow up any that have not been received. 		
8. The application process	<u>Rising five year old admissions</u> <ul style="list-style-type: none"> • Parents/carers of children who attend a Kirklees early years setting will receive notification of when it is time to apply for their child’s school place. Kirklees will also widely publicise this information. • Parents/carers in Kirklees must complete an online application via the Kirklees Parent Portal to apply for their child’s school place. The Kirklees Parent Portal and website also informs parents when a SIF needs to be completed so the relevant school can assess the child’s eligibility for a school place. • Parents/carers will receive an email when their online application has been submitted and then when it has been downloaded. 	<u>Junior and middle school admissions</u> <ul style="list-style-type: none"> • At the start of year 2 in an infant school or year 5 in a Shelley pyramid first school Kirklees parents/carers need to apply for their child’s school place via the Kirklees Parent Portal. • Parents/carers will be sent details via their child’s current school of when to complete the online application. The Kirklees Parent Portal and website also informs parents when a SIF needs to be completed so the relevant school can assess the child’s eligibility for a school place. • Parents/carers will receive an email when their online application has been submitted and then when it has been downloaded. 	<u>Secondary school admissions</u> <ul style="list-style-type: none"> • At the start of a year 6 in a primary / junior school or year 8 in a Shelley pyramid middle school parents/carers need to apply for their child’s school place via the Kirklees Parent Portal. • Parents/carers will be sent details via their child’s current school of when to complete the online application. The Kirklees Parent Portal and website also informs parents when a SIF needs to be completed so the relevant school can assess the child’s eligibility for a school place. • Parents/carers will receive an email when their online application has been submitted and then when it has been downloaded.

	<p>Schools are asked to:-</p> <ul style="list-style-type: none"> let parents/carers know about the online application process. support parent/carers to apply online and on time for their child's school place. Schools will be asked to help Kirklees LA chase up any parents who have not applied before the deadline. advise parents of children living in other LA's to apply to their home LA for their school place. advise parents that no priority is given to children attending the school's nursery, where applicable, when allocating school places. 	<p>To support on time applications, the child's present school is asked to :-</p> <ul style="list-style-type: none"> let parents/carers know about the online application process and distribute correspondence from Admissions about the application process to pupils. support parent/carers to apply online and on time for their child's school place. Schools will be asked to help Kirklees LA chase up any parents who have not applied before the deadline. advise parents of children living in other LA's to apply to their home LA for their school place.
<p>9. Procedure for preferences expressed for Kirklees schools</p>	<ul style="list-style-type: none"> The procedure applies equally to preferences for Kirklees schools received from Kirklees residents and from residents of other LAs. For a Kirklees community or voluntary controlled school Kirklees LA will determine each application by reference to Kirklees published admissions criteria, the order of priority in which that application for the school is ranked. For an own admission authority school (see sections 4b-4e) Kirklees LA will send details of applications to the governing body/academy trust of the school. The governing body / academy trust will determine the order of priority in which that application is ranked and provide the Kirklees LA with a list which ranks all the applications for that school. 		
<p>10. Provision of information to other local authorities</p>	<ul style="list-style-type: none"> Kirklees LA will supply another LA with details about a child in a Kirklees school, who is resident in the other LA, to provide the child with the appropriate common application form. Parents/carers resident in Kirklees who wish to express a preference for a school in another LA must name the school as one of the preferences on a Kirklees online application. Kirklees LA will supply another LA with details of any application made by a Kirklees parent/carer for a school maintained by that other LA. Kirklees LA will advise another LA of the eligibility of any child resident in that other LA for a place in a Kirklees school. 		
<p>11. Procedures for a Kirklees academy, foundation, trust or VA school</p>	<p>This scheme requires the governing body/academy trust of a school in Kirklees which is an admissions authority to:</p> <ul style="list-style-type: none"> Follow the Kirklees application procedure. Ensure that all applications are made via the Kirklees Parent Portal. Be responsible for the provision, completion by applicants and retention of any SIF which the governing body/academy trust finds necessary to apply its own admission criteria. (Kirklees LA will ensure that SIFs are available on its 		

	<p>website or paper copies can be obtained from Kirklees Pupil Admissions. A prompt will also appear on the Kirklees Parent Portal when a parent names a school that requires a SIF as one of their preferences).</p> <ul style="list-style-type: none"> • Determine by reference to the school's admission criteria the order of priority in which each and every application is ranked, after they have received information from Kirklees about all the applications for the year for their school. • Notify the Kirklees LA of their decision according to the timetable in Appendix 3. • Ensure that a decision to grant or refuse a place at that school is only communicated to the parent/carer by the Kirklees LA, on behalf of the governing body/academy trust. 		
<p>12.Procedure for offers of places to parents / carers</p>	<ul style="list-style-type: none"> • Where a Kirklees child qualifies for a place at one or more schools, and following any necessary liaison with other LAs, Kirklees LA will determine and offer the one school which is ranked as the parent/carer's highest preference where the child qualifies. • Where a Kirklees child does not qualify for a place at any of the parent/carer's preferences a place will be offered at the school designated by Kirklees to serve the parent/carer's address or, if no such place is available, the nearest appropriate Kirklees school where a place is available. Nearest means the shortest distance from the child's home to the school measured in a straight line. • Kirklees LA will notify the governing body/academy trust of any school in sections 4b-4e (or other LA) of a Kirklees decision to offer or refuse a place at such a school. 		
<p>13. Offers of places to Kirklees parents / carers and appeals</p>	<p>National offer day for rising five year old admissions is <u>16 April 2019</u></p>	<p>National offer day for junior and middle school admissions is <u>16 April 2019</u></p>	<p>National offer day for secondary school admissions is <u>1 March 2019</u></p>
<p>14. Processing online applications for the normal entry admissions round</p>	<ul style="list-style-type: none"> • The normal entry admission round for Kirklees children is defined as any determination of online applications for the relevant year made under this coordinated scheme before the national offer date (see section13). • The processing of online applications for the normal entry admissions round will be as follows:- <ul style="list-style-type: none"> ○ The initial allocation : To assess and allocate a place for all online applications which were received on time or deemed to be on time from parents/carers resident in Kirklees and other LAs. 		

	<ul style="list-style-type: none"> ○ The second allocation : To assess and allocate a place (as soon as possible after the first allocation) for all online applications which were received late from parents/carers resident in Kirklees and other LAs. ○ Waiting lists : After the offer day, unsatisfied higher preferences for a school are placed on that school's waiting list which is held by the admission authority for the school as listed in section 4. Preferences which cannot be satisfied which are received after the offer day are similarly placed on a school's waiting list. 		
15. Late and revised applications	<u>Rising five year old admissions</u> <ul style="list-style-type: none"> • Closing date for applications 15 January 2019 • Planned allocation date 15 March 2019 	<u>Junior / middle admissions</u> <ul style="list-style-type: none"> • Closing date for applications 15 January 2019 • Planned allocation date 15 March 2019 	<u>Secondary school admissions</u> <ul style="list-style-type: none"> • Closing date for applications 31 October 2018 • Planned allocation date 17 January 2019
<ul style="list-style-type: none"> • Applications received after the closing date without significant and exceptional reasons will be treated as late. • Late applications will not be included in the initial process which will be confined to on-time applications. Late applications will be included in the second allocation process. • Where applications are received after the closing date, in Kirklees' judgement for significant and exceptional reasons, for example a move into Kirklees, the Authority will endeavour to include the application in the initial allocation process. Proof of such special circumstances will be required. Proof of change of address will be accepted up to the latest reasonable date before the allocation date for school places (see page 12 for the deadlines). This exception to the closing date only applies to Kirklees schools, other Local Authorities may have their own conditions for accepting late applications. • After the closing date parents/carers will not be able to change their preferences (including a change to the order) unless there is a genuine reason for doing so, for example, a significant house move. Following the offer of places a parent/carer may request a place at a school which has not previously been considered. However, a parent/carer may not have more than three "live" preferences at any time. 			
16. Waiting lists	<ul style="list-style-type: none"> • Waiting lists for community and voluntary controlled schools are held by Kirklees LA from the offer day and close at the end of one term which is determined to be on the last school day in December. • Waiting lists for own admission authority schools (see sections 4b-4e) are held by the governing body/academy trust for a period of time determined by the admissions authority. • The names on the waiting lists for a school will be children: <ul style="list-style-type: none"> (a) whose parent/carer has expressed a preference for that school but who were offered a lower preference school or an alternative school. (b) (only at the parent/carer's written request) whose parent/carer has expressed a preference for that school but who were offered a higher preference school. • As vacancies occur, the allocation of places to children on a waiting list will be determined by the same admission authority as the initial allocation and 		

	<p>according to that admission authority's published admission criteria (treating on-time and late applications equally).</p> <ul style="list-style-type: none"> The offer of places from the waiting lists will only be made by the Kirklees LA. Where the offer is for a place at an academy, foundation, trust or voluntary aided school, it will be made on behalf of the governing body/academy trust of the academy, foundation, trust or voluntary aided school and following consultation with the school.
17. Admissions outside normal admissions round	<ul style="list-style-type: none"> Admissions outside the normal admissions round means any admissions other than those determined under this scheme. Applications received for any other age group, or the relevant age group made after the first school day, will be processed under the Kirklees scheme for in-year admissions. Please see details in sections 21-29
18. Appeals	<p>A parent/carer who has been unsuccessful in obtaining a place at a school for which they have expressed a preference can appeal to an Independent Appeal Panel (except for a child who has been permanently excluded from two schools).</p> <ul style="list-style-type: none"> For community and voluntary controlled schools parents/carers should contact Kirklees admissions team or look at the website for full information. For voluntary aided schools, free schools, trust schools and academies parents/carers should contact the school to enquire about the appeal process For schools outside Kirklees parents/carers should contact the other local authority to enquire about the appeal process.
19. Changes to PAN by admission authorities	<p>Governing bodies / academy trusts of Kirklees own admission authority schools must</p> <ul style="list-style-type: none"> Notify the LA in writing of any intention to increase the school's PAN and publish the change on the school's website. <p>Following determination of the PAN, notify the LA if they intend to admit above PAN, in good time to allow the LA to deliver its coordination responsibilities effectively according to the timetable in Appendix 3.</p>
20. Schools with assessment *or testing as part of the admissions process	<p>(a) Batley Grammar School - fair banding assessment for entry into Year 7</p> <ul style="list-style-type: none"> All children applying to Year 7 at Batley Grammar School will take a fair banding assessment to ensure a comprehensive intake. Applicants will be placed into one of four ability bands based on the score achieved in the GL Assessment Non Verbal Reasoning test, which will be taken by all applicants to Year 7 at Batley Grammar School. Applicants will be placed in bands, such that, wherever possible, there are an equal number in each band. Places will be allocated, as far as possible, such that, an equal number are given in each band and represent the proportion indicated in each of the identified postal code areas below. Banding will enable Batley Grammar School to achieve an intake representative of the ability range of applicants to the school. Children who have not taken the banding test (apart from children in care, or adopted children who have been in care, who must always be given priority) will be considered after children who sat the banding test. They will be prioritised on the basis of the oversubscription criteria. All applicants will be offered fair access to the test and will be reminded of the date, times and location available to sit the test. To ensure that we are meeting the needs of parents in the Batley and Birstall area children will be accepted from an area which will be split into a defined inner catchment area (WF17) and an outer catchment area (all other postal codes). 45% of places will be allocated to pupils in WF17 0--; WF17 8-- and WF17 9--; a further 45% of places will be allocated to WF17 5--, WF17 6--,

	<p>and WF17 7--, whilst the remaining 10% of places will be allocated to pupils from the other postal code areas of WF12 7; WF16 9; LS27 0, BD11 1 and BD19 4. Oversubscription criteria will be applied to the bands in each of these groups.</p> <ul style="list-style-type: none"> • In order to be eligible for a place parents must make the school one of their three preferences on their local authority application. In addition to the application to their home local authority, parents are required to complete the school supplementary information form and return this to Batley Grammar School. There is a strict deadline of 4.00pm on Wednesday 31 October 2018 for return of the School Registration/Supplementary Information Form to be returned to Batley Grammar School. A copy of the school registration form is in the school prospectus, available on the school and the local authority's websites or can be obtained from the school admissions office. <p>Forms received by the deadline will be considered first.</p>
	<p>(b) Heckmondwike Grammar School - ability testing</p> <ul style="list-style-type: none"> • Heckmondwike Grammar School is a selective school and admission is based on the results of an entrance test. Eleven year olds take the entrance test on a Saturday early in the Autumn term preceding the September of entry. Papers test a range of reasoning skills in a variety of contexts and they are designed to be predictors of likely future performance. The results from each paper will be standardised, age weighted and combined into a total standardised age score. The school will publish outline information about the number, length and format of the tests in the summer term preceding the test date. • The outcome of the tests is communicated to parents in mid-October, prior to the deadline for submission of the application for a high school place to the local authority. • Any information sent to the parents/carers of children who are successful in the testing must make clear that if more children pass the test than there are places in the grammar school, that passing the test does not constitute the offer of a place and that the parent/carer must wait until the offer day on 1 March 2019 to be notified by their home LA at which school they are to be offered a place. • Parents are required to register for their child's entrance test by noon on 25 June 2018

B. Kirklees scheme for in-year admissions 2019-20 : sections 21-29

This scheme is written to reflect that Kirklees intends to move towards a digital by design process which means a move away from paper applications. Once implemented this will be a change in the administrative process and means all applications are expected to be online. This will support Kirklees being able to adapt to the potential requirement for in-year co-ordination.

<p>21. In-year applications</p>	<p>In-year applications are those made during the school year for the normal year of admission and those made for admission to age groups other than the normal year of admission.</p>
<p>22. The Kirklees In-year Common Application Form (ICAF)</p>	<p>All applications for an in-year admission to a Kirklees school must be made on the Kirklees In-year Common Application Form (ICAF). This includes applications from parents/carers resident outside Kirklees.</p>
<p>23.</p>	<ul style="list-style-type: none"> • Own admission authority schools (see sections 4b-4e) may require parent/carers to complete a Supplementary Information Form (SIF).

<p>Supplementary Information Form SIF</p>	<ul style="list-style-type: none"> • SIFs are only used to provide the extra information required by the school's admission criteria which is not available on the ICAF. • A SIF must be returned to the school. • A SIF is required as well as an ICAF. • If an ICAF has been completed, but not a SIF, the preference is still valid and must be considered. If it is not possible to consider the preference fully without the supplementary information, the applicant should be ranked lower than those applicants who meet the criteria fully. • Where a SIF is required, the school should follow up any that have not been received.
<p>24. Assessment of a parent/carer's preference for Kirklees community and voluntary controlled schools</p>	<p>The following applies equally to preferences for Kirklees schools made on the Kirklees ICAF received from Kirklees residents and residents from other LAs. This scheme requires the Kirklees community or voluntary controlled school to:</p> <ul style="list-style-type: none"> • Contact Kirklees admissions regularly to confirm the availability of places at the school. • Kirklees admissions will <ul style="list-style-type: none"> ○ confirm whether the school has vacancies in the year group required ○ confirm by reference to the Kirklees admission criteria the order of priority in which a parent/carer's preference is ranked in relation to other applications for that school. ○ where there are more applications than places available, determine by reference to the Kirklees LA published admission criteria the order of priority in which all applications are ranked. ○ The offer or refusal of a place is only communicated to the parent/carer by Kirklees LA as the Admission Authority.
<p>25. Kirklees schools where the governing body / academy trust is the admission authority</p>	<p>This scheme requires the LA to make available the details of the application received on the ICAF within 2 school days of the parent submitting the application.</p> <p>This scheme requires the governing body/academy trust to:</p> <ul style="list-style-type: none"> • Check the School Admissions Module daily for new applications. • Be responsible for the provision, completion by applicants and retention of any SIF which the governing body/academy trust finds necessary to apply its own admission criteria. The Kirklees admissions team will ensure that SIFs are available on its website or paper copies can be obtained from Kirklees Pupil Admissions. • Communicate the availability of places to the Kirklees admissions team when requested. • Where there are more applications than places available, determine by reference to the school's published admission criteria the order of priority in which all applications are ranked. • Communicate the offer or refusal of a place to the parent/carer (or the parent/carer's home LA) and notify the Kirklees admissions team of the decision according to the timetable which is detailed in section 26 below.
<p>26. Offers of places to Kirklees parents /</p>	<p>The relevant admissions authority (as noted in section 4) will send out to a parent/carer within 20 school days of their application being received at a school a decision to offer or refuse a place at the school. A copy of the decision should be sent to the Kirklees admissions team.</p>

<p>carers and appeals</p>	<p>The offer will specify a start date as agreed with the school. This should normally be the first day of the next school term where no significant house move has taken place. Where a child has moved into Kirklees and is without a school place, or has moved a significant distance within Kirklees, the offer should specify a start date no later than 10 school days from the date of the offer.</p> <p>The refusal must give reasons why the child is not being offered a place at a parent/carer's preferred school (where appropriate) and include information about :-</p> <ul style="list-style-type: none"> • the statutory right of appeal, • how to accept or refuse an offer • the availability of assistance with school transport.
<p>27. Distance	Distance is measured in a straight line from a child's home address to the school. Measurements are calculated using six-figure National Grid co-ordinates from the National Land and Property Gazetteer. This grid reference relates to a point that falls within the permanent building structure corresponding to the address. The boundary of the building structure for the address is from Ordnance Survey's MasterMap. For smaller, residential properties the grid reference marks a point near the centre of the building. For larger properties like schools with, for example, multiple buildings and large grounds, the grid reference relates to a point inside the main addressable building structure. The distance calculated is accurate to within 1 metre.
