7 Overview update on One Adoption

The Board considered a report giving an overview update on One Adoption and welcomed Julie Chew from One Adoption to the meeting.

Julie Chew highlighted the main challenges faced by One Adoption since it had started in April 2017 and the key points were as follows:-

- IT had been the biggest challenge as One Adoption had moved onto the Mosaic System and key IT training would be undertaken on the Mosaic case recording system for all staff;
- One Adoption had an adoption support team based in Kirklees;
- There were currently less adoptive families around, but more children were needing adoption;
- Information evenings were taking place and interest in adopting was on the increase;
- As soon as someone was approved for adopting they were placed on the waiting list for a child;
- One Adoption were making use of early permanence places and placing children with approved adopters;
- Some cases required a decision within 24 hours which could be outside of the fostering panels, eg decisions to make approved adopters temporary foster carers;
- Social Workers attended a monthly meeting to discuss potential children for adoption;
- There were ongoing access issues to other local authority legacy systems and problems with fire walls, but progress was being made and solutions were being found;
- One Adoption Panels – 11 Panels were set up originally, but this had reduced to 7 panels per month held in 3 locations – 2 in Huddersfield, 3 in Bradford and 2 in Leeds;
- Membership on the Adoption Panels had now settled and training for Panel Members was taking place and Panel papers were now circulated electronically;
- More applicants were currently in the middle of the adoptive process so the number of children matched should increase;
- Number of children matched with an adoption was similar to the numbers across the rest of West Yorkshire;
- One Adoption were represented at Legal Gateway meetings in Kirklees.

The Board considered the performance data relating to Kirklees Children for Quarters 1, 2 and 3 which was outlined within the report.

The Board agreed to receive the comparable adoption data for quarter 4 for West Yorkshire and the One Adoption Annual Report at a future meeting of the Board. The Board agreed to receive information regarding the 'journey of a child' both prior to and since One Adoption had been in place so that there were some clear comparators for the Board to consider.

In response to a question from the Panel regarding what difference One Adoption had made, Julie Chew advised that it was hard to evidence until a full year of data was available for analysis and could be shared with the Board.

Resolved –

1. That the Overview update on One Adoption be noted and that Julie Chew be thanked for attending the meeting.
2. That the Board consider a future report giving comparable data for West Yorkshire in Quarter 4.
3. That the Board consider an Annual Report on One Adoption, which should include an update on further progress and what difference One Adoption had made to children and young people – date to be determined.

8. Ofsted update

The Board considered a verbal update from Steve Comb, Interim Head of Corporate Parenting, on the scheduled monitoring visit by Ofsted on the 13th and 14th March 2018.

Steve Comb advised the Board that Ofsted planned to meet with a number of officers focusing on looked after children, children in care and placement with parents (children on legal orders).

The Board was advised that a focused piece of work had been undertaken by officers in Kirklees in preparation for the visit which included progress made since the monitoring visit in 2016 and data where there had been both challenges and improvements. Steve Comb advised the Board that Kirklees was hoping for some feedback from Ofsted shortly after the planned monitoring visit and that it was hoped this would include some positive messages that could be shared with staff.

Steve Comb advised the Board that Copthorne Children's Home had been closed by Ofsted following an inspection in November 2017. The Board was informed that Kirklees was in dialogue with the children's home. Steve Comb advised the Board that it was anticipated the number of looked after children at the home would be reduced from 6 to 4, but that further feedback from Ofsted was expected in the near future. Steve Comb explained that the Statement of Purpose for the Copthorne Children's home would be revised in accordance with Ofsted's recommendations.

The Board was informed that Members from the Children's Scrutiny Panel had recently visited Healds Children's Home and the Chair of the Corporate Parenting Board would be visiting the home in the near future.

In response to a question from the Panel regarding why children in Kirklees were placed back at home, Steve Comb advised that people and families changed and made progress. The Board was also informed that Courts could sometimes place a child back at home on an interim care order while further assessments took place.

In response to a question by the Panel regarding the position of the Children's Service in terms of the 2 year timeline on progress, Ophelia Rix confirmed that it was a rolling programme time plan and that the Leeds Improvement Team had come to Kirklees in 2017 which was almost a year after the initial inspection by Ofsted in 2016. Ophelia Rix further explained that progress had been made and the Service was beginning to see the change and it was important that this was shared with Ofsted.

RESOLVED –

1. That the Ofsted update be noted.

11 Overview of number of children in care

The Board considered a report giving an overview of the number of looked after children in care, presented by Steve Comb, Interim Head of Corporate Parenting.

Steve Comb highlighted the following key areas from the report:-

- The Sufficiency Strategy was being updated – sufficiency was a challenge and Kirklees wanted as many of our children and young people to be placed within the Kirklees boundary as possible;
- 'Refer a Friend' scheme was now in place which was offering £500 if an existing foster carer referred a friend and they became a foster carer;
- A review had been undertaken of the recruitment of foster carers –foster carers who were transferring to Kirklees from another local authority retained their existing fee for 2 years but after that time they would be paid the Kirklees standard rate;
- Foster Care week would be held in May 2018;
- Kirklees was building relationships with private Children's Home providers and were hoping to seek agreement that more vacancies would be allocated to Kirklees children in the first instance;
- Children in care was 669 as of Friday 9th March, measured against a population of 10,000;
