What we want to do

Engage- Inspire-Progress

We want young people to be involved in the decisions that are made about them. We want to help young people to take control of their lives, to work to understand how much they can do and the impact they can have. And we will want to pool all the ideas and talents of young people to improve services so they meet what children and young people need and expect.

WE PLEDGE:

To help and support you to stay safe and have a healthy and active lifestyle.

To involve you in all decisions about your life.

To want you to do well and encourage you to do and be the best that you can.

To support you throughout your education and to plan for the future.

To listen and make sure you know what will happen next.

To celebrate your achievements.

To make sure you have lots of different people to support you.

To help you have new experiences and develop your own interests.
