

KIRKLEES HEALTH & WELLBEING BOARD	
MEETING DATE: 22/11/18	
TITLE OF PAPER: Updated Kirklees Joint Strategic Assessment (KJSA) Overview 2018/19	
1. Purpose of paper	<p>To share the updated 'Kirklees Overview' 2018/19 with the Board (slides to be presented and hard copies to be circulated). This will replace the previous Kirklees Overview (2017/18) and summarises the key population health and wellbeing issues and challenges for Kirklees. It provides a useful context for the more detailed KJSA sections being updated during 2018/19.</p>
2. Background	<p>The Health and Social Care Act (2012) requires the Health and Wellbeing Board, working through local authorities and Clinical Commissioning Groups, to produce a Joint Strategic Needs Assessment (JSNA) of the health and well-being of their local community. In February 2015 the Board endorsed a new approach to JSNA development - an ongoing process focussed on both needs and assets which outlines medium and longer term challenges for the district. Subsequent papers have updated the Board on the progress of the KJSA, including the development and continuous improvement of the KJSA website.</p> <p>It was agreed by the Board in May 2016 that the Kirklees Overview would be updated annually and published on-line following approval from the Board. The Overview provides a useful context for the more detailed sections of the KJSA by summarising the 'big issues' and 'key challenges' for health and wellbeing using infographics and simple messages.</p> <p>Not all the data used in the Kirklees Overview has changed since the last version was approved by the Board in September 2017. However, the latest available data has been used in this 2018/19 update wherever possible.</p>
3. Proposal	<p>The Board is asked to endorse and support the updated Kirklees Overview 2018/19. Together with the more detailed KJSA summaries and sections this will provide population-level intelligence to support the delivery of the Joint Health and Wellbeing Strategy and the forthcoming local Health and Wellbeing Plan and to enable intelligence-led commissioning and service delivery. A member of the Public Health Intelligence team will be available to talk through the slides and answer any questions at the meeting.</p>
4. Financial Implications	<p>None</p>
5. Sign off	<p>Rachel Spencer-Henshall, Strategic Director – Corporate Strategy and Public Health</p>
6. Next Steps	<p>Subject to amendments highlighted in the meeting, the 2018/19 Kirklees Overview will be published online (replacing the current version here).</p>
7. Recommendations	<p>To endorse and support the updated Kirklees Overview 2018/19. A draft copy of the Kirklees Overview slides will be circulated prior to the meeting.</p>
