HEALTH AND ADULT SOCIAL CARE SCRUTINY PANEL (DRAFT PROGRAMME)

ISSUE	APPROACH AND AREAS OF FOCUS
FULL PANEL DISCUSSION ISSUES – CARRIED FORWARD FROM 2018/19	
1. **Financial position of the Kirklees Health and Adult Social Care Economy.**	To maintain a focus on the finances of the health and social care system in Kirklees to include: • Reviewing any emerging transformation programmes and assessing their contribution to increasing efficiencies and impact on services. • Considering the various Cost Improvement Schemes (CIPs) and their impact on the delivery and commissioning of services.
2. **Care Closer to Home**	To receive and consider: • An update that provides details of how the future Locala Care Closer to Home (CC2H) contract will be developed. • A detailed explanation and supporting information that covers an assessment of the CC2H programme including how it is helping to reduce demand on Kirklees hospital's and supporting the reconfiguration of local hospital services. • To assess and review the strategic document that outlines Locala's plans for delivering the remaining two years of the CC2H contract.
3. **Integration of Health and Adult Social Care**	Areas of focus to include: • Evidence that the integration work being developed includes an emphasis on tackling health inequalities. • Assessing how well the integration agenda is being implemented through the Care Closer to Home Programme. • An update on the Better Care Fund (BCF) following publication of the Green paper on Adult Social Care. • The role of Community Plus and the outcomes it's delivering. • The development of GP Federations and details of their work.

4.	**Integrated Wellness Model**	To continue monitoring the development of the Wellness Model to include: • Receiving an update on the Panel's recommendations agreed at the March 2019 meeting. • Looking at the outcomes and lessons learned from the transition period.
5.	**Quality of Care in Kirklees**	Receive an annual presentation from CQC on the State of Care across Kirklees.
6.	**Suicide Prevention**	To receive and consider: • An update on progress of the work being done on suicide prevention through the Primary Care Networks and the development of the high risk decision support tool for primary care. • An update on work that is being done on mental health services for men in the 45-60 age group. • Progress on the level of support and information being provided to schools for young people who have been identified as self-harming.
7.	**Mental Health Rehabilitation and Recovery Services Transformation Project.**	Key areas of focus to include : • An update on the work that is being done through the regional Integrated Care System (ICS) on a system wide Mental Health and Rehabilitation and Recovery Service and how this will impact on local services. • Details of how key messages from the local engagement process have informed the new proposed model. • The new proposed model and to consider if any elements of the model constitute a significant change to service.
8.	**Kirklees Safeguarding Adults Board (KSAB) 2018/19 Annual Report**	To receive and consider the KSAB Annual Report.

9.	**Mid Yorkshire Hospitals NHS Trust (MYHT) Ambulatory Emergency Care (AEC) Services**	A joint piece of work with Wakefield Adults Services, Public Health and the NHS Overview and Scrutiny Committee that will look at the impact of the closure of the AEC unit at Dewsbury Hospital to include :
		• An assessment of the services provided by the AEC unit at Pinderfields and reviewing:
		    o The pathways for accessing AEC services at MYHT;
		    o Patient numbers/flows;
		    o Services and treatments provided by the Pinderfields unit;
		    o Capacity of the unit;
		    o Analysis of transport arrangements;

	o Staff arrangements including roles and responsibilities; o Future plan and timescales for reestablishing an AEC unit on the Dewsbury Site. • Looking at other services that complement AEC services to include Frailty, hot clinics and partnership working with adult social care.
10. Foetal Alcohol Spectrum Disorder (FASD) and Foetal Alcohol Syndrome (FAS).	To monitor progress of the recommendations agreed at the Panel meeting January 2019 with a focus on the work that is being progressed regionally on developing a protocol and diagnostic pathway for children with FASD.
11. Transforming Outpatient Care at Calderdale and Huddersfield NHS Foundation Trust (CHFT)	To continue to monitor the work being developed by CHFT on transforming outpatient care to include: • Assessing whether there is sufficient capacity in primary care to support the new models of outpatient care. • Receiving details of the key outcomes of the new model by service area including: o Examples of how the model has improved the patients experience and outcomes. o Examples of how the Trust has benefited from the transformation programme. • A panel visit to see a demonstration of the technology and meet clinicians from those service areas where the new model has been implemented.
LEAD MEMBER BRIEFING ISSUES	
ISSUE	**APPROACH AND AREAS OF FOCUS**
1. **Wheelchair Services**	Following the commencement of the new contract maintain an overview of the service and quality of provision to include looking at: waiting times; demand; repairs; and social needs of services users. Findings to be reported back in a written report to full panel.
2. **Interim changes to Acute inpatient Elderly Medicine, Cardiology and Respiratory Services provision at CHFT**	Arrangements to be made to visit CHFT to see changes that have taken place. Subject to panel agreement Lead Member to monitor impact of changes.

3.	Kirklees Health and Wellbeing Plan to include work emerging from the West Yorkshire and Harrogate Health and Care Partnership (WY&H HCP)	To monitor progress and implementation of the Local and WY&H HCP plans to include assessing any emerging regional proposals and their impact on local services.

MONITORING ITEMS
Routine follow up to previous recommendations to demonstrate Scrutiny outcomes

ISSUE	**FOCUS**
1. Review of Mental Health Assessments	Lead member to check progress of the Ad Hoc action plan and report back to the Panel.

PROPOSED NEW ISSUE	**FOCUS**
1. **Yorkshire Ambulance Service (YAS) Response Times**	To consider ambulance response times across the district to include: • Assessing performance across the district with a focus on response times for categories 1 and 2. • Looking at the variances of performance across Kirklees. • To consider factors that may affect performance including: levels of demand; dependency on other organisations; and how these dependencies are managed.
2. **Primary Care Networks (PCNs)**	Key areas of focus to include: • Monitoring progress of the development of the Kirklees networks to include assessing the network's contribution to the integration of health and adult social care; the integrated wellness model and care closer to home. • Looking at the impact of the networks in providing greater accessibility and flexibility for patients accessing primary medical services. • Assessing the impact of the networks in reducing avoidable A&E attendances; hospital admissions; delayed discharges; and reducing avoidable outpatient visits. • Looking at the work being done by the networks to assess their local population through a targeted and personalised approach to provide support to people where it is most needed.
3. **West Yorkshire and Harrogate Local Maternity Network**	To consider the work that is being done to produce robust local maternity plans to provide safer maternity care and improved outcomes across the West Yorkshire and Harrogate footprint to include: • How it will be actioned in Kirklees by the two acute trusts. • The impact and implications of the changes to local services. • Looking at the development of the Community Hubs.
