POTENTIAL ISSUES IDENTIFIED FOR INCLUSION IN THE WORK PROGRAMME 2020/21

ISSUE	APPROACH AND AREAS OF FOCUS	OFFICER/PARTNER COMMENTS
FULL PANEL DISCUSSION ISSUES – CARRIED FORWARD FROM 2019/20		
<p>1. Financial position of the Kirklees Health and Adult Social Care Economy.</p>	<p>Maintain a focus on the finances of the health and social care system in Kirklees to include:</p> <ul style="list-style-type: none"> • Reviewing any emerging transformation programmes and assessing their contribution to increasing efficiencies and impact on services. • Considering the various Cost Improvement Schemes (CIPs) and their impact on the delivery and commissioning of services. 	<p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> • Healthwatch Kirklees has a seat on the new Kirklees Integrated Health and Care Leadership Board. We would like to see joint decision making between providers and commissioners and new ways of working towards an integrated health and social care system. • How has Covid-19 impacted the financial position and transformation of our local health and care system? • How can we re-build from Covid-19 in a different way?
<p>2. Community Care Services.</p>	<p>To assess the progress and effectiveness of Community Care Services (CCS) in Kirklees to include:</p> <ul style="list-style-type: none"> • Reviewing progress of the Primary Care Networks (PCNs) to include the impact in providing greater accessibility and flexibility for patients accessing primary medical services. • Looking at the work being done by the networks to assess their local population through a targeted and personalised approach to provide support to people where it is most needed. • Assessing the relationship between the key providers of CCS to include PCNs; Locala; Community Plus; and the Kirklees Wellness Service. • Assessing how well the integration agenda is being implemented 	<p>Clinical Commissioning Groups (CCGs)</p> <p>We note that if the panel’s focus on PCNs is on access to general practice, this has changed significantly as a result of the COVID-19 pandemic we would suggest that it would be helpful to set the discussion in that context.</p> <p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> • Healthwatch Kirklees has had limited contact with PCNs up to this point. • We would like PCNs to offer assurance about how they are engaging their

	<p>through CCCS in Kirklees.</p> <ul style="list-style-type: none"> Assessing the impact of CCS in Kirklees in reducing avoidable A&E attendances; hospital admissions; delayed discharges; and reducing avoidable outpatient visits. 	<p>patients in the development of their work programmes and plans.</p> <ul style="list-style-type: none"> Impact of Covid-19 upon PCNs
3. Kirklees Integrated Wellness Service	To continue monitoring the development of the service and receive a 12-month update on progress of the service following the last discussions with scrutiny in November 2019.	
4. Quality of Care in Kirklees	Receive an annual presentation from CQC on the State of Care across Kirklees with a focus on Adult Social Care.	<p>CCGs</p> <p>Previous meetings have worked well when commissioners have been present. Depending on what areas the panel would be focusing on it is suggested that it would be helpful to include input from all relevant commissioners.</p> <p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> Healthwatch Kirklees regularly feedback to the CQC regarding patient experience. Impact of Covid-19 on quality of care in Kirklees
5. Suicide Prevention	<p>Receive an update on progress of the work being done on suicide prevention since the panel meeting in January 2020 to include:</p> <ul style="list-style-type: none"> The impact that the pathfinder support workers have had in their work in providing advice, training, and support for men vulnerable to self-harm and suicide. The impact that the preventative and educational work on mental health that is taking place in schools is having in helping to reduce self-harm and suicide. 	<p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> Healthwatch Kirklees has planned (alongside the local suicide prevention workstream) to engage with people who have previously tried to take their own life or self-harm. Our work is currently on hold due to the Covid-19 outbreak. Our aim is to gain insight into what it really feels like to be in this position and what help people in this situation

		<p>need. We need a better understanding of what people need to be safe, rather than making assumptions about what we think they need. Additionally, we want to understand what brought people to such a point and, just as importantly, what helped them at their time of crisis.</p> <ul style="list-style-type: none"> • Covid-19 and the subsequent fallout economically and emotionally is likely to have an impact on the incidence of suicide. We are involved in the Suicide Prevention Action Group, and we are keen to ensure that this group has a focus on this. <p>South West Yorkshire Partnership NHS Foundation Trust (SWYPFT) We welcome the continued focus on suicide prevention and would be pleased to support Public Health in this review.</p>
<p>6. Kirklees Safeguarding Adults Board (KSAB) 2019/20 Annual Report</p>	<p>To receive and consider the KSAB Annual Report.</p>	<p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> • Healthwatch Kirklees are a partner on the Safeguarding Adults Board. I would ask scrutiny to consider whether the report gives them an understanding of whether people in Kirklees are safer as a result of their work. • Impact of Covid-19 on safeguarding adults and children during periods of lockdown
<p>7. Mid Yorkshire Hospitals NHS Trust</p>	<p>To receive an update on the closure of the AEC unit at DDH and to look</p>	

(MYHT) Ambulatory Emergency Care (AEC) Services and Services provided at Dewsbury and District Hospital (DDH)	<p>at the wider range of services provided at DDH to include:</p> <ul style="list-style-type: none"> • A visit to DDH to see the provision of services that complement AEC services to include Frailty, hot clinics and partnership working with adult social care. • An overview of the range of services currently being provided at DDH to include a visit to key services selected by the Panel. 	
8. Transforming Outpatient Care at Calderdale and Huddersfield NHS Foundation Trust (CHFT) and Mid Yorkshire Hospitals NHS Trust (MYHT)	<ul style="list-style-type: none"> • Continue to monitor the programme of change at CHFT to include assessing the impact of the changes. • Reviewing the work being done by MYHT on its Outpatient Care to include a visit to its outpatients' areas. 	<p>Healthwatch Kirklees We continue to monitor public feedback about the transformation</p>
9. Yorkshire Ambulance Service (YAS) Response Times	<p>To receive an update on performance and demand across all areas of Kirklees to include:</p> <ul style="list-style-type: none"> • A focus on response times for categories 1 and 2. • Looking at the variances of performance across Kirklees. 	
10. Kirklees Immunisation Programme	<p>To consider the performance of the Immunisation programmes in Kirklees to include:</p> <ul style="list-style-type: none"> • Details of the local arrangements, structures, and responsibilities for immunisation. • Looking at Kirklees performance compared to national standards. • Details of policies that are in place to ensure that those residents that are 'at-risk' and eligible for vaccination are being targeted to include the approach to engagement with the more deprived communities in Kirklees. • An overview of key challenges and/or risks to the delivery of an effective immunisation programme. 	<p>Healthwatch Kirklees We are interested in how the risks of Covid-19 may influence the immunisation program, particularly if there is a second spike in winter months.</p>
11. Update on Winter Planning	Update on winter preparations from the Kirklees Health and Adult	Healthwatch Kirklees

	Social Care sector to include: <ul style="list-style-type: none"> Receiving details of the lessons learned from the winter period 2019/20 to include feedback and experiences of service users 		We are interested in how the risks of Covid-19 may influence winter pressures locally particularly if there is a second spike in winter months.
PROPOSED NEW ISSUE	Put Forward by	FOCUS	OFFICER/PARTNER COMMENTS
1. Development of a local Community Care Package (pilot)	Health and Adult Social Care Scrutiny Panel	Reviewing the outcomes of a local authority pilot initiative to develop a community care package led by Cllr Murgatroyd.	Adult Social Care <ul style="list-style-type: none"> We would suggest that this issue is broadened to cover “new models of delivering support in the community” as there are a number of new developments including but not limited to the Care Co-operative. We would also suggest that the focus includes reviewing the work on new models of care in people’s own home e.g. Colne Valley Care Co-operative, micro enterprises, PAs.
2. Mental Health Services Workshop	Health and Adult Social Care Scrutiny Panel	To arrange a mental health services workshop with South West Yorkshire Partnership NHS Foundation Trust (SWYPFT) to look in more detail at the various support services and redesign of services. Format and structure of workshop to be developed by the panel in conjunction with the Trust.	CCGs <p>We would suggest that consideration is given to broadening the workshop beyond just those services delivered by SWYPFT for example to include the breadth of provision across our mental health alliance.</p> <p>In addition, the panel may wish to consider updates on the work being undertaken by the West Yorkshire and Harrogate Integrated Care System (ICS) workstream on Mental Health and Learning Disabilities.</p>

			<p>SWYPFT</p> <p>We remain keen to develop a workshop with scrutiny and would suggest that if this is scheduled for the later part of 2020/21 we could include details of our early response to service provision as a result of the pandemic.</p>
<p>3. COVID-19</p>	<p>Health and Adult Social Care Scrutiny Panel</p>	<p>To consider the impact of COVID-19 on the local Health and Adult Social Care Economy to include:</p> <ul style="list-style-type: none"> • Looking at the key challenges; pressures; and measures taken to mitigate them. • Assessing the impact on the workforce. • Understanding the budget implications of dealing with the crisis and the longer-term financial impact. • Assessing the work that was undertaken to safeguarding vulnerable adults. • Lessons learned. 	<p>Locala</p> <p>We would be happy to provide a presentation of our reset and recovery plan.</p> <p>Healthwatch Kirklees</p> <ul style="list-style-type: none"> • Healthwatch Kirklees are currently engaging with the public and with staff around their experiences of health and care throughout the Covid-19 outbreak. Our engagement will come to an end 28th August 2020. All key findings will be provided to scrutiny approx. October 2020. • We are also interested in the experiences of people with family members who have passed away during the outbreak which are not Covid-19 related. <p>SWYPFT</p> <p>We would be happy to contribute to this item.</p>
<p>4. Effectiveness of smoking cessation arrangements in Kirklees.</p>	<p>Mid Yorkshire Hospitals NHS Trust</p>	<p>To review the effectiveness of smoking cessation arrangements in Kirklees.</p> <p>Areas of focus to be confirmed.</p>
