The object of this questionnaire is to reach the truth of the matter, whatever it may be, Your are therefore asked to answer the questions as fully as possible and not keep back any information, whether for or against the public claim. This is important if this information is to be of real value in establishing the status of the route. The information you give will eventually become public and may be used as evidence at a public enquiry

Year to

1970

This form should be completed by the one person who is named above - Please use black ink

Please return the form to the person who supplied it to you.

1948

If you have any queries regarding this form please contact:
