2 Information required to take a decision

2.1 Application

2.1.1 On 25th September 2020 the Licensing department received an application for the grant of a premises licence for Northern Sole Limited. The application was made on behalf of the company by Mr Carl Awty. A copy of this application may be seen at **Appendix A**.

2.1.2 The licensable activities applied for by the applicant are as follows;

the supply of alcohol for consumption on and off the premises, 7 days a week from 08:00hrs to 23:00hrs.

2.1.3 In total, 8 representation from residents have been received relating to this application. The representations consider that the following licensing objectives would not be met should this licence be granted:

- Public Nuisance
- Prevention of Crime and Disorder

A copy of the representations may be seen at **Appendix B**

2.2 Licensing Policy

Members considering the application should take note of the Authority's Statement of Licensing Policy, which provides the following guidance on how Members should approach the application and representation:

1.0 – Executive Summary

1.2 In exercising its duties and responsibilities under the terms of the Licensing Act 2003, the Council will operate within the statements and procedures mentioned in this policy statement. Notwithstanding this statement, all applications will be treated on their merits and judged accordingly. The council will have regard to any relevant guidance issued by the Secretary of State in exercising its powers under the Act.

2.0 – Purpose and Scope of the Licensing Policy

2.7 The Licensing Authority recognises that each licence application must be considered on its own individual merits in the context of the four licensing objectives, and that unless relevant representations are received from responsible authority's or interested parties, there is no provision for a Licensing Authority to impose conditions on a licence other than those proposed within an application. Only conditions which have been volunteered by the applicant or which have been determined at a Licensing Panel hearing can be attached to a licence or certificate. If no relevant representations are made in respect of an

application, the Licensing Authority is obliged to issue the licence on the terms sought.

Licensing Objectives.

1. Public Safety
2. Prevention of crime & disorder
3. Prevention of public nuisance
4. Protection of children from harm

2.3 Secretary of State Guidance

Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003. As the representations relate to all four licensing objectives, Members attention is drawn to Section 2 of this Guidance, the relevant parts of which may be found at **Appendix C**.

3 Implications for the Council

3.1 Working with People

Residents of Kirklees need to be confident that under the Licensing Act 2003 licence holders under the Licensing Act 2003 are in a position to uphold the four licensing objectives. The committee is required to take appropriate and necessary action against licence holders where they fall short of their duties under the Licensing Act 2003. This will support both the licensing objectives and support the corporate outcomes of citizens in Kirklees living in cohesive communities, feeling safe and protected from harm.

3.2 Working with Partners

The Council's licensing team work closely with partnering agencies, named 'Responsible Authorities' under the Licensing Act 2003. Responsible authorities include Planning, West Yorkshire Police, Trading Standards, Environmental Health, Fire Service, and Safe Guarding Children team.

3.3 Place Based Working

Working closely with Responsible Authorities the Licensing Authority can address issues within the districts that make up Kirklees.

3.4 Improving outcomes for children

A key objective of the Licensing Act is the protection of children from harm, and any decision made by the Council, in its capacity as Licensing Authority, will have to have regard to this objective.

3.5 Other (e.g. Legal/Financial or Human Resources)

In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of State's Guidance. The applicant or any other person who made relevant representations in relation to the application have a right of appeal to the Magistrates' court.

4 Consultees and their opinions

Consultation has taken place in accordance with the Act. There have been no matters arising from responsible authorities.

5 Next steps and timelines

5.1 When determining the application Members, having had regard to the representation, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps are

- grant the application,
- grant the application with the appropriate conditions,
- exclude from the scope of the licence any of the licensable activities which relate to this application, or
- reject the application

5.2 Findings on any issues of fact should be on the balance of probability.

5.3 In arriving at a decision Members must have regard to the relevant provisions of statutory guidance and the licensing policy statement and reasons must be given for any departure.

5.4 The decision should be based on the individual merits of the application.
