State the ground(s) for review (please read Guidance note 1):			
There have been incidents of criminal offences, underaged drinking and Covid breaches at The Woodman Inn all within the last 18 months. The latest being a breach of Covid 19 legislation where 5 persons were found by the police, drinking alcohol in the Premises in addition to the 6 family members who live at the address. At this time all public houses in Kirklees were closed due to being in lockdown.			

Please provide as much information as possible to support the application (please read Guidance note 2)

The Woodman Inn was reported to West Yorkshire Police Licensing in November 2019 by a concerned police officer, who had attended an assault on 16th November 2019 and saw what they believed to be a number of Under 18's drinking alcohol at the location.

16th November 2019 - Section 18 Grievous Bodily Harm. Location the outside drinking area at the rear of the Woodman Inn. The complainant was a 16 year old [REDACTED] who as a result of the assault sustained injuries to [REDACTED] face including a broken jaw, which required surgery, a metal plate and stitches to [REDACTED]

The defendant a 17 year old [REDACTED] who had also been inside the Woodman Inn.

On the MG5 of the police file it states — the landlord refused to assist Police with enquiries.

At the point of submitting this review this matter is still listed at Leeds Crown Court.

The three witnesses who gave statements to the police were all 17 at the time of the offence.

The complainant in [REDACTED] statement to the police states 'I met friends at the Woodman Inn, we had a few beers and chatted in the sports room'.

As a result of this serious assault taking place at The Woodman Inn, I arranged a meeting with the Licensee [REDACTED] on the 21st November 2019, also present was Richard Woodhead from WYP licensing and [REDACTED], the partner of [REDACTED]. In this meeting [REDACTED] admitted that [REDACTED] had been having issues on a Friday evening with young people wishing to enter the bar. [REDACTED] stated that [REDACTED] checked ID's but then went onto say that persons had been known get into the bar via the rear door whilst [REDACTED] was stood at the front of the pub. I advised [REDACTED] not to allow any persons under 21 into the bar on a Friday night and to employ extra staff to help them turn persons away. I recommended SIA registered door staff, but [REDACTED] said he would deal with the situation himself.

Police Log 1660 of 24112/19 23:01hrs Public order at The Woodman Inn, Hartley Street, Dewsbury. Caller reporting:

Ongoing public order outside the Woodman Inn, in the car park. Group of 100 plus involved, fighting and brick throwing, the caller is safe inside the

pub, the landlord and landlady are outside trying to sort it out. Mixture of ages from 17years upwards.

Further call at 23:05hrs reporting a very large group of mostly males fighting, throwin | Glass bottles, a roximatel 50 eo lefi htin in the middle of the road,

one male has a crowbar, caller overhead one male shout 'put your knives away', caller saw a male with a cut to his head.

When police arrived at 23:08hrs the police log states: they witnessed approximately 20 people running away from Hartley Street, a number of people were at the location but no one saying they had been assaulted or wished to make a complaint. A lot of people were still outside but it was believed that those who had been fighting had made off.

No further police action taken at the time but an attending officer did e-mail me stating 'a number, if not most of people that was in the area and hanging around the pub all looked to be underage'.

As a result of the above incident I attended at The Woodman Inn in company with Richard Woodhead. [REDACTED] was questioned about this call to the Police. [REDACTED] stated that at 11 pm a group of approximately 30 youths came to [REDACTED] pub from a pub called the The Poacher on Dewsbury Road. They wanted to get inside [REDACTED] pub, but [REDACTED] would not allow this, as a result, they picked up stones and barriers and started to throw them.

Due to there being no complainants willing to come forward or witnesses, I had to accept [REDACTED] explanation. I did have my concerns though, once again I outlined to [REDACTED] that [REDACTED] must have a strict ID policy and not serve anyone or allow any person under 18 to drink alcohol in [REDACTED] Premises. I asked if [REDACTED] would like assistance from the Police on a Friday night dealing with any under 18's but [REDACTED] declined this offer and said [REDACTED] did not need assistance. I did tell [REDACTED] that West Yorkshire Police would be attending at [REDACTED] pub on a Friday evening to carry out a Licensing visit.

Police Licensing Visit: On the 24th January 2020 at 21:20hrs I attended in full uniform, in company with Officers from the Neighbourhood Policing Team to carry out a Licensing visit at The Woodman Inn. In the side room, where the pool table is situated was approximately 25 people, all who looked to be under 21. On checking their ID's 4 of the people present were found to be under 18. One who was 17 admitted to having drunk alcohol and the other 3 who were all 16yrs looked to be in drink. They were not with an appropriate adult and were concerned that I was going to tell their parents, it was obvious their parents did not know they were there. On this evening, the Licensee [REDACTED] and [REDACTED] [REDACTED] [REDACTED] stated that the persons under 18 were not drinking. I disputed this and stated the facts would be reported to the Licensing Manager Russell Williams.

A meeting was held at Kirklees Licensing on 18th Feb 2020, present was

Richard Woodhead, Stephanie Mashiter, myself, [REDACTED] and [REDACTED]

[REDACTED]

At the meeting we discussed:

The assault on a 16yr old [REDACTED] on 21st November 2019

The disorder outside the pub on the 24th December 2019

The Licensing visit carried out by myself and the NPT on 24th January 2020

The following was agreed and formalised in an action plan

No under 18's will be allowed into the Premises after 19:30hrs

All persons in the Premises under the age of 21 must have with them valid identification, this being a passport, photocard provisional or full driving licence, military ID.

A member of staff will be on the door between 8pm and 11pm on a Friday night for the next six weeks. This member of staff must be firm and not allow any persons entrance to the Premises if they are Under 21 and have no form of identification.

They were told further Licensing visits would be carried out and if the above agreed actions were not adhered to then the next course of action would be an alcohol licence hearing. A letter sent to [REDACTED] and [REDACTED] after the meeting can be produced as Exhibit KJJ.I .

Due to increase of Covid 19 and the resulting closure of all public houses on from midnight on the 20th March 2019. No further Licensing visits were carried out.

On the 11th May 2020 West Yorkshire Police were called to The Woodman Inn for a reported Covid breach. At 11.34hrs on Officers found the [REDACTED] of the Licencee being given a haircut inside the pub by a [REDACTED] friend who did not live at the address. Both were given a Covid warning as this was a breach of the Covid 19 regulations.

Licensed premises were allowed to open on the 4th July 2020.

On the 17th October 2020 a 16 year old [REDACTED] reported being assaulted at The Woodman Inn to West Yorkshire Police. Occurrence 13200521242 refers

The MO on the occurrence is:

Victim and suspect are acquaintances. They have attended at The Woodman Inn and one of the suspect's, has been flirting with the victim during the evening and when [REDACTED] found out that [REDACTED] has a girlfriend, [REDACTED] has walked away from [REDACTED] and second suspect, who was with the first suspect, has thrown red bull towards victim and [REDACTED] friend resulting in it landing on victims hand. Victim believed this to be

urine initially. Both parties have had a verbal argument later in the evening and victim has ut [REDACTED] arm out towards sus ect 1 durin this and sus ect 1 has

grabbed [REDACTED] arm and pushed victim back. Victim and [REDACTED] friend have left locus. No visible injuries — later the complainant declined to prosecute so no further action was taken.

Again from reading the above MO it would appear that underage persons are being allowed to attend and drink alcohol at the premises, leading to disorder.

On the 2nd December 2020 a vulnerable 17 year old [REDACTED] reported to West Yorkshire Police that [REDACTED] had been sexually assaulted on the 3rd July 2020. During [REDACTED] video interview conducted by police officers [REDACTED] disclosed that prior to the sexual assault [REDACTED] had attended the Woodman Inn, Hartley Street. [REDACTED] claimed that [REDACTED] was taken there by a 15 year old [REDACTED], whilst in the Woodman Inn [REDACTED] and [REDACTED] 15 year old friend had consumed alcohol. The statement of PC 3368 Richard Terry who assisted with the video interview is attached to this file and can be produced as RT. 1 .

Police log 0848 14:59rs On Sunday 10th January 2021 - West Yorkshire Police received a call from an anonymous caller reporting: 'that persons were at the pub watching the Leeds match, this has been extended to persons outside their bubble and it happens quite often'.

At this time on the 10th January 2021 all pubs in the UK were closed under the Covid 19 Legislation and persons from another household could not enter your home unless there was a specific reason, such as caring for a vulnerable person.

PC 4528 Negoita, APS 6681 Holloway and PC 204 Sattar attended at the Woodman Inn at 15:15hrs on 10/01/21. They found inside the pub 11 people present, 5 of whom did not live at the address, no persons were wearing PPE and social distancing was not in place. Attached is the statement of PC 4528 Negoita. Exhibit NN.I

All persons present received Covid warnings.

Bodyworn footage from this visit has been placed onto a disc and can be produced as Exhibit KJJ.2

I have viewed the bodyworn footage and it shows the following:

The lights were on in the bar area, the till was on, with the till roll pulled forward and the sum of E3.30 was displaying on the till screen, the till drawer was shut. Two empty Smirnoff Ice bottles were on the bar.

On one table, which six [REDACTED] are sat around there is one pint glass % full of what looks to be larger, 2 empty pint glasses, 1 empty 'h pint glass, 2 bottles of beer and 3 mugs.

On the other table where two [REDACTED] are sat are 3 pint glasses, 1 % full, one a 1/4 full of what looks to be lar er and one em t

There is also a [REDACTED] stood in the corner holding a pint glass, which looks almost empty, it is not clear what liquid is inside it.

The Landlord is drinking what looks like larger from a pint glass.

When officers are leaving the bar, the body worn footage captures that the bar font as got foam on it and there is evidence that drinks have been dispensed as there is foam in the drip tray.

It would appear from the footage that the drinks have been hand pulled and charged for with the till being on and displaying E3.30

When PC Negoita says to [REDACTED] "you are already suffering because of this lockdown"

[REDACTED] replied 'WE'RE SUFFERING BECAUSE OF UNDERHAND SNEEKY BASTARDS!'

The above evidence documents that the Licensee is allowing the sale and consumption of alcohol to under 18's in [REDACTED] premises which is then leading to crime and disorder and the harm of children. [REDACTED] is putting profits before public safety and is more concerned over who reported the breach than the spread of Covid 19.

West Yorkshire Police licensing have tried to work with the licensee to address the issues but the advice, offers of support and warnings have been ignored.

The Licensee has allowed persons to enter the Premises and be served drinks during a Pandemic when all Public Houses are closed. The business is eligible to receive financial support from Government to stay closed.

Therefore we request that strong consideration be given to removing [REDACTED] as DPS of this Premises. This is to prevent further crime and disorder occurring at the Premises, for public safety and to protect children from harm.

We also request that CCTV to be added as a condition of the Licence.

No person related to [REDACTED] in any way to be able to take over the role of DPS, or be employed in any managerial position that impacts on the day to day running of the Woodman Public House.

I am providing this statement in relation to underage children drinking alcohol at the Woodman Inn, Dewsbury.

On Friday the 11th December 2020, I assisted in a video interview where a 17 year old [REDACTED] had made a complaint of a sexual assault.

During the interview, [REDACTED] explained that on the 3rd July 2020 [REDACTED] had attended the Woodman Inn, Hartley Street, Dewsbury.

[REDACTED] claimed that [REDACTED] was taken there by a 15 year old [REDACTED] who is at risk of child sexual exploitation. Whilst at the Woodman Inn [REDACTED] said [REDACTED] 15 year friend and [REDACTED] consumed alcohol

Whilst at the Woodman Inn [REDACTED] believed [REDACTED] was "spiked" with a drug, which later contributed to [REDACTED] being placed in a vulnerable position and sexually assaulted.

During the interview, [REDACTED] confirmed that the Woodman Inn is where all the underage children attend because they know they will be served alcohol.

I can confirm that I was present during the video interview and this is a true account of what the [REDACTED] said during the recorded police video interview.

The children involved are vulnerable so I am not able to provide any further details

I am a Police officer and I work for West Yorkshire Police.

On Sunday 10th January 2021 I was working in full Police uniform as call sign XJ5, operation Jemlock, in company of APS 6681 HOLLOWAY and pc 204 SATTAR. I was wearing BWV camera ref: 231030.

At 15:00 hours on Sunday 10th January 2021 we were dispatched to attend an address on Hartley Street in Dewsbury, at a pub named GOODMAN INN, where there were reports of a lock-in with alcohol being served and a group of people watching a Leeds Football game.

We attended the address around 15:15 hour and observed the pub mentioned above had in the parking lot about 7-8 vehicles parked in bays.

We knocked the front door but there was no answer, and when I went to the rear door the door was opened by a [REDACTED], [REDACTED] of the landlord, whom I now know to be [REDACTED].

We entered the main room of the pub and I noticed that in there were 11 people present, including the Landlord [REDACTED]. Some of the people present were serving beer, they were all watching a Football game on the tv and they were not observing any social distancing. No one present was wearing a mask or any other forms of personal protective equipment, including the landlord.

At 15:19 on Sunday 10th January 2021 hours I have formally cautioned [REDACTED] and informed [REDACTED] [REDACTED] is going to be reported for summons for breaching Coronavirus restrictions during a national lockdown. All the other people present were given warnings by PC 204 SATTAR.

We then required all the people that were not living at the address to leave the premises and the only people left were [REDACTED], [REDACTED] and their three [REDACTED].

I exhibit my BWV camera footage as NCN/I.
