To whom it may concern,

I have known [REDACTED] for twenty years, as a parent, colleague and landlord. I taught [REDACTED] three [REDACTED] at St John Fisher Catholic High School, [REDACTED] was always involved and very supportive of their educational progress. [REDACTED] also volunteered to coach a number of our junior Rugby teams, [REDACTED] soon developed a positive rapport with the boys who benefitted from [REDACTED] knowledge and experience and were successful in their various competitions. Along with a group of friends I frequented the Woodman Inn where [REDACTED] was the [REDACTED] for a weekly drink after football. We were always welcomed with a smile, as were the other customers. There was always a very positive ambience in the pub, with visits from other pubs in the local pool competition in addition to the regular customers.

I have always found [REDACTED] to be honest, dependable and a role model for many. [REDACTED] communication, organisational and inter personal skills are excellent. I believe [REDACTED] to be an excellent [REDACTED] I would be willing to clarify any statements made in this reference if required.
