

KIRKLEES HEALTH & WELLBEING BOARD	
MEETING DATE: 25/03/21	
TITLE OF PAPER: Kirklees Joint Strategic Assessment Overview update 2020/21	
1. Purpose of paper	<p>To share the updated 'Kirklees Overview' 2020/21 with the Board (slides to be presented in the meeting). This will replace the previous Kirklees Overview (2019/20) and summarises the key population health and wellbeing issues and challenges for Kirklees. This year's Overview has been developed in conjunction with the Director of Public Health's Annual Report, with a strong emphasis on highlighting inequalities across seven life stages.</p>
2. Background	<p>The Health and Social Care Act (2012) requires the Health and Wellbeing Board, working through local authorities and Clinical Commissioning Groups, to produce a Joint Strategic Needs Assessment (JSNA) of the health and well-being of their local community. In February 2015 the Board endorsed a new approach to JSNA development - an ongoing process focussed on both needs and assets which outlines medium and longer-term challenges for the district. Subsequent papers have updated the Board on the progress of the KJSA, including the development and continuous improvement of the KJSA website.</p> <p>It was agreed by the Board in May 2016 that the Kirklees Overview would be updated annually and published online following approval from the Board. The Overview provides a useful context for the more detailed sections of the KJSA by summarising the big issues and key challenges for health and wellbeing using infographics and simple messages.</p>
3. Proposal	<p>The Board is asked to endorse and support the updated Kirklees Overview 2020/21. Together with the more detailed KJSA summaries and sections this will provide population-level intelligence to support the delivery of the Joint Health and Wellbeing Strategy and the Kirklees Health and Wellbeing Plan and to enable intelligence-led commissioning and service delivery. A member of the Public Health Intelligence team will be available to talk through the slides and answer any questions at the meeting.</p>
4. Financial Implications	<p>None</p>
5. Sign off	<p>Rachel Spencer-Henshall, Strategic Director – Corporate Strategy, Commissioning and Public Health</p>
6. Next Steps	<p>Subject to amendments highlighted in the meeting, the 2020/21 Kirklees Overview will be published online (replacing the current version here).</p>
7. Recommendations	<p>To endorse and support the updated Kirklees Overview 2020/21.</p>
