** INTEGRATED IMPACT ASSESSMENT SUPPORTING INFORMATION

The outcome of the Stage 1 Integrated Impact Assessment indicates a negative Environmental Impact based on the lack of specialist advice and evidence to support the action being taken.

The proposal relates to the grant of a long leasehold for land only.

The development and use of the land as a community allotment/garden will bring environmental benefit. There will be no negative environmental impact. Officers are therefore satisfied, based on the Councils own technical experience and knowledge that independent specialist advice is not required.
