County Engineer & Surveyor,

Dear Sir,

National Parks & Access to the Countryside Act 1949
Part IV.
Survey of Public Rights of Way.
Modifications to draft Map and Statement.
Your reference NP/16/Z/3.

Adverting to your letter of the 11th April to the Councils Surveyor I herewith return draft Statement the modifications to which have been approved. The reductions in width of several of the paths arises out of a discussion with your Mr. Gowling upon implications of the excessive width previously included.

I notice that the Pennine Way is not included in the list. Is it too late to add this?

Yours faithfully,

Clerk of the Council.
