## HAVE YOUR SAY!

### [St John's CE \(C\) Infant School – A Statutory Proposal made by the Governing Body to change the upper age limit from September 2022.](#)

In response to the demands of parents over a number of years, the Governing Body propose to become a through primary school by extending our age range for children up to 11 years. This means children will have the choice to stay at St. John's when they get to year 3, rather than leave us as they have to now. The Governing Body would like this to start in September 2022.

You can read the full proposal on the link below and complete the attached Consultation Response Form. **We need as many people in our community to return their responses by 27th May 2021 ready for Kirklees Cabinet to discuss whether or not this can go ahead.**

[You can request a hard copy of the proposal by:](#)
