

STATUTORY NOTICE

Proposal to extend the age range of St. John's C.E. (C) Infant School from 1st September 2022

Notice is given in accordance with section 19(3) Education and Inspection Act 2006 that the Governing body of St. John's Church of England Voluntary Controlled Infant School, Boothroyd Lane, Dewsbury, West Yorkshire, WF13 2LP intends to change the age range of the school from 1st September 2022. The proposal will have the effect of extending the age range from 4 to 7 years to 4 to 11 years.

The Published Admission Number (PAN) for St. John's C.E. (C) Infant School is 60 and the school has 137 children on roll from September 2020. The PAN will decrease to 30 and the extension of the age range will mean the school will grow over time to offer 210 places as a primary school. The growth will be gradual with children in Year 2 being able to progress to Year 3 at the school from September 2022 and each year thereafter. The school will reach its maximum size, offering 210 places across the full primary age range from the academic year 2028-2029.

St. John's C.E. (C) Infant School is wholly committed to providing the best possible education for children and serving the needs of the local community. The strengths of the school and its positive relationship with the local community were recognised by Ofsted in March 2017 when it was judged to be securely 'Good'. The Governing Body believes that becoming an all through primary will enable the school to build on its existing strengths to support:

- Parental Preferences:** Enhance parental choice by offering parents and carers the option of educating their children in a 4-11 Church of England school at Key Stage 2 in Dewsbury West.
- Church of England School:** St. John's has a distinctive spiritual feel based on Christian values that underpin our curriculum and school life, which are appreciated by those of all faiths or none.
- Transition point to a large Primary School in Year 3:** Many parents year on year express their worries about their child moving to large primary schools and would prefer them to stay in a small, nurturing environment such as St. John's.
- Council Intentions to reduce transition points:** Working with Kirklees Council in their ambition to reduce transition points throughout education.

Recognition of how transition has changed for our children: St. John's is the only infant school in Kirklees whose recognised link school is a through primary rather than a junior school.

Sustainability – decrease in pupil numbers: Over the past few years, we have seen a significant drop in the number of pupils on roll. If this continues the future of St. John's is under threat. Becoming an all-through primary school would increase pupil numbers and prevent this.

Difficulties for parents: Many parents report difficulties when dropping off and collecting from two schools, especially when the children are at such a young age and the schools are on two separate sites. This often impacts on attendance and lateness of siblings.

This proposal has been developed following discussions with St. John's C.E. (C) Infant School staff, pupils, parents/carers, Kirklees Council, Diocese of Leeds and local schools. The Governing Body believes its proposal will strengthen the relationship with the local community by supporting parental preference for continuity of education through a small, nurturing, family orientated Church of England school. St. John's C.E. (C) Infant School will work collaboratively with high schools in the Dewsbury West area to ensure children are able to make a smooth transition to secondary education and that their progress is maintained. This proposal will require modifications to the building in the short term, including an upgrade to the toilet facilities to ensure accommodation is suitable for Key Stage 2 children. Additional classroom space will be required from September 2023. This will be achieved at minimal cost by partitioning the Early Years Foundation Stage unit into two separate-classes to accommodate Reception and Year 1 children. Further investment to bring School House (previously caretaker's on-site tied-in accommodation) in line with other teaching environments will follow. Capital costs of these changes will be from the school's resources. Revenue costs of these changes proposals are anticipated to be small (curriculum, materials, etc.) and will be met from the school's budget. The Governing Body is confident that its proposal represents good value for money. The school has a sufficient outdoor play area and space to provide sports facilities to meet the curriculum requirements for a single form entry primary school. Additional staff will be required from 2028-2029 and funded from the increase in the school's budget as the number of pupils on roll increases.

The Governing Body has carefully considered the possible impact of its proposal on travel to school. It believes that its proposal will mean fewer journeys with the need to transport primary aged children to and from different schools significantly reduced. St. John's C.E. (C) Infant School will continue to offer Wrap-Around Care to assist in the management of traffic at key times of the day with staggered drop off and pick-up times.

This Notice summarises the complete proposal. Copies of the complete proposal can be obtained from:

Mrs Vicki Nordoff, Chair of Governors, St. John's C.E. (C) Infant School, Boothroyd Lane, Dewsbury, West Yorkshire, WF13 2LP via email: office.sjohns@kirkleeseducation.uk, telephone 01924 325323 or online at www.sjohns@kirkleeseducation.uk. Copies can also be requested in a different language, larger print or audio. Within four weeks from the date of publication of this proposal, i.e. no later than 27th May 2021, any person may object or make comments on the proposal in writing by sending them to: FREEPOST, Kirklees Council, St. John's C.E. School Proposal or via email to school.organisation@kirklees.gov.uk
