

Ad Hoc Scrutiny Panel in respect of Residential Property - Health and Safety Compliance

Proposed Terms of Reference:

The Ad Hoc Scrutiny Panel will consider the Council's policies, procedures and arrangements for managing the health and safety of its tenants and its residential property portfolio, with a particular focus on high rise and multiple occupancy blocks.

The Panel will give consideration to:

- How the health and safety regime adopted by the Authority supports compliance with regulatory standards and puts appropriate risk mitigation strategies in place to ensure the health and safety of tenants.
- The six compliance areas: Fire; Gas; Electrical; Asbestos; Legionella; and LOLER (lifts) and the steps being taken to keep tenants safe.
- The impacts of the Social Housing White Paper, Draft Building Safety Bill and Fire Safety Bill 2019-21 for tenants.
- Progress in relation to the Ad Hoc Scrutiny Panel in respect of the Future Arrangements for the Council's Residential Housing Stock's recommendation that an Assurance Board be established focussing on housing compliance.
- Feedback from the Regulator and how that is being progressed.
- Governance and ensuring that a sustainable and adaptable system is in place to ensure that safety is embedded for the future.
- Engagement with, and provision of information for, tenants on health, safety and compliance issues.

Following consideration of all the evidence presented, the Ad Hoc Panel will produce a findings report, including recommendations, which will be considered by the Overview and Scrutiny Management Committee prior to submission to Cabinet.
