## 1 Summary

## 2 Information required to take a decision

### 2.1 Application

2.1.1 On 17th January 2022 the Licensing department received an application for the full variation of a premises licence for Bargain Local, 333-335 Leeds Road, Huddersfield, HD2 1YB. A copy of this application may be seen at **Appendix A**.

2.1.2 The licensable activities applied for by the applicant are as follows.

Sale of Alcohol (off the premises)  
Monday - Sunday – 24-hour licence

2.1.3 In total, three representations have been received relating to this application. One of the representations came from Kirklees Environmental Health, in addition two further representations were received from ward councillors from the Dalton ward.

2.1.4 West Yorkshire Police agreed two additional conditions with the applicant:

The first condition was that the applicant would upgrade the CCTV system to home office specifications, record for 28 days, have sixteen cameras operational, covering both inside and outside the shop.

The second condition was that no customers will be allowed in the shop after midnight and up to 5am, and all sales in this time are to be carried out through a hatch opening onto the street.

2.1.5 The representations that were received consider that the following licensing objectives would not be met should this licence be granted:

- Public Nuisance
- Public Safety

A copy of the representations may be seen at **Appendix B**.  
A copy of the conditions West Yorkshire Police have agreed with the applicant may be seen at **Appendix C**

### 2.2 Licensing Policy

Members considering the application should take note of the Authority's Statement of Licensing Policy, which provides the following guidance on how Members should approach the application and representation:

#### **1.0 – Executive Summary**

1.2 In exercising its duties and responsibilities under the terms of the Licensing Act 2003, the Council will operate within the statements and procedures mentioned in this policy statement. Notwithstanding this statement, all applications will be treated on their merits and judged accordingly. The council will have regard to any relevant guidance issued by the Secretary of State in exercising its powers under the Act.

## **2.0 – Purpose and Scope of the Licensing Policy**

2.7 The Licensing Authority recognises that each licence application must be considered on its own individual merits in the context of the four licensing objectives, and that unless relevant representations are received from responsible authority's or interested parties, there is no provision for a Licensing Authority to impose conditions on a licence other than those proposed within an application. Only conditions which have been volunteered by the applicant or which have been determined at a Licensing Panel hearing can be attached to a licence or certificate. If no relevant representations are made in respect of an application, the Licensing Authority is obliged to issue the licence on the terms sought.

### **Licensing Objectives.**

1. Public Safety
2. Prevention of crime & disorder
3. Prevention of public nuisance
4. Protection of children from harm

### **2.3 Secretary of State Guidance**

Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003. As the representations relate to all four licensing objectives, Member's attention is drawn to Section 2 of this Guidance, the relevant parts of which may be found at **Appendix D**.

## **3 Implications for the Council**

### **3.1 Working with People**

Residents of Kirklees need to be confident that under the Licensing Act 2003 licence holders under the Licensing Act 2003 are in a position to uphold the four licensing objectives. The committee is required to take appropriate and necessary action against licence holders where they fall short of their duties under the Licensing Act 2003. This will support both the licensing objectives and support the corporate outcomes of citizens in Kirklees living in cohesive communities, feeling safe and protected from harm.

### **3.2 Working with Partners**

The Council's licensing team work closely with partnering agencies, named 'Responsible Authorities' under the Licensing Act 2003. Responsible authorities include Planning, West Yorkshire Police, Trading Standards, Environmental Health, Fire Service, and Safeguarding Children team.

### **3.3 Place Based Working**

Working closely with Responsible Authorities the Licensing Authority can address issues within the districts that make up Kirklees.

### **3.4 Improving outcomes for children**

A key objective of the Licensing Act is the protection of children from harm, and any decision made by the Council, in its capacity as Licensing Authority, will have to have regard to this objective.

### **3.5 Other (e.g. Legal/Financial or Human Resources)**

In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of State's Guidance. The applicant or any other person who made relevant representations in relation to the application have a right of appeal to the Magistrates' court.

## **4 Consultees and their opinions**

Consultation has taken place in accordance with the Act. There has been an objection from Environmental Health and also conditions have been agreed between the applicant and West Yorkshire Police.

## **5 Next steps and timelines**

5.1 When determining the application Members, having had regard to the representation, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps are

- grant the application,
- grant the application with the appropriate conditions,
- exclude from the scope of the licence any of the licensable activities which relate to this application, or
- reject the application

5.2 Findings on any issues of fact should be on the balance of probability.

5.3 In arriving at a decision Members must have regard to the relevant provisions of statutory guidance and the licensing policy statement and reasons must be given for any departure.

5.4 The decision should be based on the individual merits of the application.

## **6 Officer recommendations and reasons**

6.1 Members of the Panel are requested to determine the application

## **7 Cabinet portfolio holder's recommendations**

- 15. Entitlement to work/immigration status for individual applicants and applications**

### **from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:

- o evidence of the applicant's own identity –such as a passport, evidence of their relationship with the European Economic Area family member –e.g. a marriage certificate, civil partnership certificate or birth certificate, and
- o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
  - (i) working e.g. employment contract, wage slips, letter from the employer,
  - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
  - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
  - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hi

I oppose a 24/7 alcohol license at this location. It would encourage anti-social behaviour and severely impact on residents right to reside peacefully in the area. This license would encourage 'partying' throughout the night with an endless supply of alcohol readily available in close proximity. Also, this is an area identified by public health as having high levels of alcohol related health issues. A 24/7 license would impede recovery for those wishing to reduce or cease their addictive drinking by making alcohol more readily available.

The Range applied for a similar license a couple of years ago. We need some consistency in alcohol licensing as not to advantage one business over another. The Range are permitted to sell alcohol till 9pm. Also am I right in thinking this applicant already has a alcohol license at these premises. If so, is this not an application for extending existing licensing? please provide details.

Kind Regards

ClIr Musarrat Khan

Hi

I oppose the above application at the above premises to sell alcohol 24/7. As ward councillors we know for a fact that it would increase anti-social behaviour and impact on residents to a safe and peaceful environment to live in.

The license would further encourage a lifestyle of 'partying' throughout the night with endless supply of alcohol readily available in close vicinity. The area is already identified by public health as having high levels of alcohol related health issues and increasing the licensing hours to operate round the clock would further impede recovery of those wishing to reduce or cease their addictive drinking by making alcohol more readily available.

We have dealt with similar license requests which were refused and need to exercise consistency in our alcohol licensing so as not to advantage one business over another. We also want to promote a healthier lifestyle for all our residents.

Dear Colleagues,

**Our Reference WK202202101 Full Variation to the Premises Licence for 24 hr sales 333-335 Leeds Road, Huddersfield, HD2 1YB**

Premises licence 27/7 Application in respect of 333-335 Leeds Road, Huddersfield, HD2 1YB

I would like to object to above application on the grounds of the prevention of public nuisance.

The proposed premises are on the Main Leeds Road, the A62, and albeit it is in an area that is mixed residential and retail.

The noise from motor vehicles using the A62 will be intrusive enough without adding to the noise of the following which are likely to be intrusive to residents on Leeds Road and Barr Street:

1. Private vehicles with amplified music stopping outside the premises, and music being intrusive to residents, in addition to engine noise,
2. taxis' stopping to allow customers to shop, people leaving the vehicles, holding raise conversations with the occupants of the vehicles and pedestrians alike,
3. the congregation of people outside the premises whilst using the proposed business, and just socializing outside the premises, is likely to have a detrimental impact on the residents in the vicinity of 333-335 in that the noise will affect the use and enjoyment of the average person's home, including the disturbance and prevention of sleep.

In addition, this anti-social behaviour could creating harassment, alarm and distress for local residents.

I recommend that the application to operate 24 hours, 7 days a week is refused.

**Richard and Katie,**

Would you like to discuss his application?

Yours sincerely

Dear All,

Katie and myself visited the shop today to chat with the applicant as we had concerns over the shop trading 24 hours and the impact it may have to crime and disorder in the area.

We have carried out a full crime check for the last six months in that post code area, and there is nothing of any concerns recorded for that immediate area.

The applicant has agreed to upgrade the cctv system to home office specifications, record for 28 days, have sixteen cameras operational, covering both inside and outside the shop.

The applicant has also agreed that no customers will be allowed in the shop after midnight and up to 5 am, all sales to be carried out through a hatch opening onto the street.

So West Yorkshire police have no objection to the granting of the licence as long as the two agreements become conditions on the licence.

Best Wishes  
R.Woodhead

## **Relevant Sections of Secretary of State Guidance – Under Section 182 of Licensing Act 2003**

### **Public safety**

*2.7 Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. Conditions relating to public safety may also promote the crime and disorder objective as noted above. There will of course be occasions when a public safety condition could incidentally benefit a person's health more generally, but it should not be the purpose of the condition as this would be outside the licensing authority's powers (be ultra vires) under the 2003 Act. Conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.*

*2.8 A number of matters should be considered in relation to public safety. These may include:*

- Fire safety;*
- Ensuring appropriate access for emergency services such as ambulances;*
- Good communication with local authorities and emergency services, for example communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);*
- Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;*
- Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);*
- Ensuring appropriate and frequent waste disposal, particularly of glass bottles;*
- Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs 2.12-2.13, and Chapter 10; and*
- Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).*

*2.9 The measures that are appropriate to promote public safety will vary between premises and the matters listed above may not apply in all cases. As set out in Chapter 8 (8.38-8.46), applicants should consider when making their application which steps it is appropriate to take to promote the public safety objective and demonstrate how they achieve that.*

*2.10 Licence holders should make provision to ensure that premises users safely leave their premises. Measures that may assist include: • Providing information on*

the premises of local taxi companies who can provide safe transportation home; and

- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks.

2.11 Where there is a requirement in other legislation for premises open to the public or for employers to possess certificates attesting to the safety or satisfactory nature of certain equipment or fixtures on the premises, it would be inappropriate for a licensing condition to require possession of such a certificate. However, it would be permissible to require as a condition of a licence or certificate, if appropriate, checks on this equipment to be conducted at specified intervals and for evidence of these checks to be retained by the premises licence holder or club provided this does not duplicate or gold-plate a requirement in other legislation. Similarly, it would be permissible for licensing authorities, if they receive relevant representations from responsible authorities or any other persons, to attach conditions which require equipment of particular standards to be maintained on the premises. Responsible authorities – such as health and safety authorities – should therefore make their expectations clear in this respect to enable prospective licence holders or clubs to prepare effective operating schedules and club operating schedules.

2.12 “Safe capacities” should only be imposed where appropriate for the promotion of public safety or the prevention of disorder on the relevant premises. For example, if a capacity has been imposed through other legislation, it would be inappropriate to reproduce it in a premises licence. Indeed, it would also be wrong to lay down conditions which conflict with other legal requirements. However, if no safe capacity has been imposed through other legislation, a responsible authority may consider it appropriate for a new capacity to be attached to the premises which would apply at any material time when the licensable activities are taking place and make representations to that effect. For example, in certain circumstances, capacity limits may be appropriate in preventing disorder, as overcrowded venues can increase the risks of crowds becoming frustrated and hostile.

2.13 The permitted capacity is a limit on the number of persons who may be on the premises at any time, following a recommendation by the relevant fire and rescue authority under the Regulatory Reform (Fire Safety) Order 2005. For any application for a premises licence or club premises certificate for premises without an existing permitted capacity where the applicant wishes to take advantage of the special provisions set out in section 177 of the 2003 Act<sup>1</sup>, the applicant should conduct their own risk assessment as to the appropriate capacity of the premises. They should send their recommendation to the fire and rescue authority which will consider it and decide what the “permitted capacity” of those premises should be.

2.14 Public safety may include the safety of performers appearing at any premises, but does not extend to the prevention of injury from participation in a boxing or wrestling entertainment.

## **Public nuisance**

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the

*promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance.*

*2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.*

*2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.*

*2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.*

*2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the morning.*

*2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.*

*2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant*

*representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.*
