1. Purpose of report

1.1 For information purposes

2. Key Points

Planning Appeals

2.1 Between January 2021 and December 2021, the council received 47 planning appeal decisions in the electoral wards within the Huddersfield Sub-Committee area of the district. Of these, 77% were dismissed. Appendix 1 provides a list of relevant appeals and the level of the decision.

2.2. Figure 1 below shows a breakdown of planning application appeals (including tree works, certificate of lawfulness and prior notification applications) whether dismissed or upheld.

Tree appeals

2.3 Of the 47 planning appeals, there were 3 tree works appeals, all of which were dismissed (100%).

Application for award for costs

2.4 One application for an award of costs was lodged against the council. This has been awarded (2020/91146 - Land west of, Wesley Avenue, Netherthong, Holmfirth Outline application for erection of residential development). This appeal relates to an application decided by the Planning Sub-Committee where the decision to refuse permission was contrary to officer recommendation.

Delegated and Committee Decisions

- 2.5 Of the 47 appeals, 3 applications were appeals against the non-determination of applications. 42 applications were determined under delegated powers. Of these, 35 were dismissed (83%). 2 applications were determined by the Planning Sub-Committee, whereby neither were dismissed (0%). Both decisions were contrary to officer recommendation.
- 2.6 Having compared the above data with that from 2020, it has been noted that there has been a reduction in the number of appeals dismissed from 85% to 77%. Whilst this shows a decrease since last year, this percentage is still significantly above the national statistics, which will be outlined in more detail below.

Appendix 1 provides a list of relevant appeals.

Council's appeal performance in relation to Central Government Standards: Criteria for designation (revised 2020)

- 2.7 The Government measures the performance of local authorities in deciding applications for planning permission, pursuant to section 62B of the Town and Country Planning Act 1990. This includes assessing local planning authorities' performance on the 'quality' of their decisions on applications for major and non-major development. This is measured by the proportion of decisions on applications that are subsequently overturned at appeal. If an authority is 'designated' as underperforming, applicants have the option of submitting their applications directly to the Planning Inspectorate (who act on behalf of the Secretary of State) for determination.
- 2.8 The criteria for designation, as revised in December 2020, sets out the threshold for designation on applications for both major and non-major development above which the local planning authority is eligible for designation. This is 10% of an authority's total number of decisions on applications made during [a specific 2 year period] being overturned at appeal.
- 2.9 To note, the latest published performance tables from the Department for Levelling Up, Housing and Communities and formally Ministry of Housing, Communities and Local Government (September 2020) provides statistics to enable local authorities to validate the information held. Using these tables, for the 24 months to the end of September 2020, a total of 1.8% of decisions on Major applications were overturned at appeal (nationally). Within Kirklees for the same period, 2 decisions on Major applications were overturned on appeal, out of a total of 150 applications. This equates to 1.3% of all decisions at appeal.
- 3.0 The corresponding information for non-major applications was a total of 1% of decisions overturned at appeal (nationally). Within Kirklees for the same period, 19 decisions on non-major applications were overturned on appeal, out of a total of 3,908 applications. This equates to 0.5% of all decisions at appeal.

Compliance

- 4.0 Between January 2021 and December 2021, Planning Enforcement have also served 93 enforcement notices. A breakdown of these can be found in table 1 below.
- 4.1 For members to note, between January – December 2020, 142 notices were served.
