1. Summary

- 1.1 Included in the Health and Adult Social Care Scrutiny Panel draft work programme 2022/23 is a focus on mental health and wellbeing. This area of work has been combined into an overarching theme that looks at services that provide support in mental health and wellbeing.
- 1.2 The areas of focus outlined in the work programme cover a wider area of work that includes looking at the capacity in the system to cope with demand for mental health services; assessing performance across the full spectrum of mental health services; reviewing progress of the work being delivered by the Kirklees Integrated Wellness Service; and looking at the work being carried out by Thriving Kirklees Single Point of Access Service.
- 1.3 South West Yorkshire Partnership NHS Foundation Trust (SWYPFT) are a specialist NHS Foundation Trust that provide community, mental health and learning disability services to the people of Barnsley, Calderdale, Kirklees and Wakefield.
- 1.4 SWYPFT work closely with the local authority and much work has been done in developing this partnership and focusing on the integration of services.
- 1.5 Following Lead Member discussions with the mental health trust and local authority colleagues it was agreed that the wide scope of work outlined in the mental health and wellbeing theme would be too extensive to cover in one meeting.
- 1.6 It was therefore agreed that the initial phase of the work should be focused on the first two areas of the mental health and wellbeing theme as detailed in the work programme to include:
 - Looking at the key risks and challenges in the acute pathway.
 - Considering Key performance data.
 - The work being done on developing the partnership between the local authority and SWYPFT
 - The transformational work taking place across the Kirklees system.
 - Examples of good practice.
