SUPPORT: Richard Dunne, Principal Governance Officer

THEME/ISSUE	APPROACH AND AREAS OF FOCUS	OUTCOMES
<p>1. Resources of the Kirklees Health and Adult Social Care Economy.</p>	<p>To consider the resources of the health and social care system in Kirklees to include:</p> <ul style="list-style-type: none"> • A focus on the challenges of workforce retention, recruitment and succession planning. • Looking at the work being done locally to employ local people taking account of the West Yorks workforce/people strategy. • Consider the implications of service transformation and the creation of new job roles in the local system to include assessing any increased risk to core services due to the loss of experienced staff. • Consideration of the financial pressures on services provided and commissioned by Adult Social Care. • Understanding the local financial landscape in the context of the shift in funding to the West Yorks ICB and place-based partnerships to include a focus on how funding and resource gaps are collectively managed. 	
<p>2. Impact of Covid-19</p>	<ul style="list-style-type: none"> • Assessing the impact of the “health debt” as a consequence of the delays in health screening, cancer treatments, vaccinations etc. to include the impact on primary care services. • Looking at the impact of long Covid to include reviewing the approach being taken to support people’s emotional health and wellbeing • Assessing the broader impact on adult social care including the increased social care needs for older people as a consequence of reduced mobility and access to services and activities during the pandemic. 	

	<ul style="list-style-type: none"> • Looking at examples where changes to the way that services have been delivered has resulted in a positive impact for the population of Kirklees to include: <ul style="list-style-type: none"> ○ the use of digital technology, ○ increased collaboration across the local health and adult social care system, ○ new ways of working ○ Assessing the sustainability of new working practices 	
3. Capacity and Demand - Kirklees Health and Adult Social Care System	<p>Assessing the work being done by the Kirklees core physical providers to manage demand and catch up with delayed planned surgery and diagnostics to include understanding local pressures; access to primary care services, sharing examples of good practice; identifying areas for improvement.</p>	
4. Integration of Health and Adult Social Care	<p>An overarching theme that focuses on the work that is being done to increase the integration of services across the health and adult social care sector to include:</p> <ul style="list-style-type: none"> • Considering how local primary care services contribute to targeted integrated service delivery in the Kirklees neighbourhoods to include: <ul style="list-style-type: none"> ○ The work being developed through the Council’s primary care network & local health improvement leads; ○ Taking account of the national direction outlined in the steps for integrating primary care (Fuller Stocktake report). • To assess the progress and effectiveness of services delivered in community settings to include identifying models of good practice. • To consider the work being done in preventing unnecessary admissions to hospital and reducing the numbers of delayed discharges. • To review the progress of the work of the West Yorkshire Partnership Board and the Kirklees Health and Care Partnership in developing the collaboration between the ICS and primary care to improve care for patients. • To look at the work being developed through the Kirklees Care Association and the Kirklees Provider Delivery Collaborative. 	

<p>5. Mental Health and Wellbeing</p>	<p>An overarching theme that looks at services that focus on providing support in areas that cover mental health and wellbeing to include:</p> <ul style="list-style-type: none"> • Reviewing the consequences of the pandemic on mental health services taking account of the capacity in the system to deal with the rates of referrals, increase in acuity and changes in presentation particularly in younger people. • Looking at a Kirklees focused performance report to identify risks at a local level to include consideration of autism pathways; waiting times for specialist mental health services; performance across the full spectrum of mental health services from early intervention to acute and specialised services. • Reviewing progress of the work being delivered through the Kirklees Integrated Wellness Service. • To look at the work being carried out by Thriving Kirklees Single Point of Access Service to include a focus on Child and Adolescent Mental Health Services (CAMHS). 	
<p>6. Unplanned Care</p>	<p>To consider the work being done within the Kirklees health and adult social care system to manage periods throughout the annual cycle when there are capacity and demand imbalances for unplanned care to include:</p> <ul style="list-style-type: none"> • Looking at the work being developed to shift resources, skills, and expertise out of hospital and into the community and its expected impact. • Assessing how to enable and support community assets to make them more effective. • Understanding the capacity and demand cycle and challenges facing the whole of the Kirklees health and adult social care system including the Yorkshire Ambulance Service. • Considering examples of good practice and building on lessons learned from managing previous periods of demand. 	

7. Maternity Services	<p>To review local maternity services in light of the Ockendon report to include:</p> <ul style="list-style-type: none"> • Assessing the work being done to implement the recommended actions to improve care and safety in Maternity Services in Kirklees. • Taking account of the work being done by the West Yorkshire Local Maternity System. • Reviewing the impact of staffing pressures on the provision of services delivered by Mid Yorkshire Hospitals NHS Trust. 	
8. Access to dentistry	<p>To assess commissioning for NHS dentistry that is moving from NHS England to West Yorkshire ICB from October 2022 (shadow delegation until formal transfer in April 2023) to include:</p> <ul style="list-style-type: none"> • Considering how to support access for people with severe mental health. • Assessing the resources available in Kirklees and considering ways to utilise these resources differently/more effectively. • Looking at the work and role of charitable organisations such as Dentaaid. • Considering oral health in Kirklees and the local approach to improving dental hygiene • Taking account of the wider challenges in West Yorks and exploring the approach to covering this issue by scrutiny at place and/or scrutiny at a regional level. • A focus on Orthodontics where there is approximately a 5-year waiting list for children locally. 	
9. Quality of Care in Kirklees	<p>To consider how the work of CQC can help inform the work of the Panel.</p>	
10. Kirklees Safeguarding Adults Board (KSAB) 2021/22 Annual Report	<p>To receive and consider the KSAB Annual Report</p>	

<p>11. Inequalities in access to health care services</p>	<p>To consider health inequalities in accessing health care service to include:</p> <ul style="list-style-type: none"> • Using data and knowledge from a range of health and adult social care providers including the Yorkshire Ambulance Service (YAS) to: <ul style="list-style-type: none"> ○ Understand the demographics and local system health; ○ Identify areas of highest need; ○ Review volumes of repeat callers, understanding the reasons for the calls and what the system can do you respond and improve support. • Considering availability of services to provide necessary support including urgent community response, access to GP's and other alternative health providers. • Consider travel/ access for residents in areas of highest need for planned care. 	
<p>12. New Plan for Adult Social Care Reform</p>	<p>To provide the Panel with an awareness and understanding of the social care reforms to include:</p> <ul style="list-style-type: none"> • A focus on the implications of the reforms on Local Authority finances and the social care workforce. • Looking at the different models of workforce required to deliver the reforms and the implications for the local and regional workforce. • The impact of the reforms on other council services and the local health system. 	
<p>13. End of life care</p>	<p>To consider the work being done to support people in Kirklees with end of life care to include:</p> <ul style="list-style-type: none"> • Considering the approach to providing an integrated package of end of life care in Kirklees. • Looking at work being developed through the End of Life Alliance 	

Golden threads

- Public health perspective – Prevention/ Early Intervention/ Inequality (including access)/ Targeted - Universal
- Patient perspective – Reality of care/ Patient Stories

- Integrated care – sharing of information
- Right place first time
- Understanding key risks
- What the data shows
- In context of wider system (WY)
- Joint Health and Wellbeing Strategy (JHWS) – do plans and actions contribute to the achievement of JHWS outcomes.
