### 8 **Kirklees response to local audit framework consultation**

The Committee received a verbal update from Martin Dearnley, Head of Risk, relating to a recent technical consultation by the Government in relation to local audit frameworks.

The Committee heard that following this technical consultation, the Government recommended that local audit frameworks align their audit committee's make-up to that suggested by the Chartered Institute of Public Finance and Accountancy (CIPFA). One of the recommendations of CIPFA is for audit committees to have two independent members, albeit the Committee noted that the Government would likely legislate for one independent member.

The Committee considered several options relating to the appointment of an independent member, presented by Mr Dearnley. The Committee was informed that any change to include an independent member would need an amendment to the Terms of Reference for the Committee.

**RESOLVED** – That a further report be considered at the next meeting of the Committee with the following recommendations to Council: -

- 1) The appointment of one independent member to be co-opted on to the Committee on an ex-officio basis;
- 2) The payment of £k plus expenses be made per annum to the independent member;
- 3) That no restriction as to geographic area be imposed for the independent member but rather the skill set of the independent member be the deciding factor for appointment to the position.
- 4) That there be no restriction for the independent member as to public or private sector experience.
- 5) That the Terms of Reference for the Corporate Governance and Audit Committee be amended to reflect the appointment of an independent ex-officio member.

### 9 **Proposed revisions to the terms of reference for the Kirklees Health & Wellbeing Board (Reference to Council)**

The report outlined that the national, regional, and local context the Board was operating within had undergone significant changes with the passing of the Health

and Care Act 2022. The Act provided a new legislative framework to facilitate greater collaboration within the NHS, local government, and other parties and to support the recovery from the pandemic.

The Committee noted that the Board had no decision taking responsibilities for service provision or finance, but the Board would be represented on the Kirklees Integrated Care Board Committee that would have delegated powers to allocate funding and change service provision.

**RESOLVED** – That the report be referred to the meeting of Council on 7 September with a recommendation that the revised Terms of Reference of the Health and Wellbeing Board be approved.

### 10 **Corporate Emergency Planning and Business Continuity Annual Report**

The Committee received an overview of the work of the Emergency Planning Team.

The Committee noted that the Emergency Planning and Business Continuity Annual Report provided a snapshot of the work of the Emergency Planning Team and provided an assurance to the Committee that Kirklees Council was compliant with the core duties in the Civil Contingencies Act.

The report provided details of resilience matters using the performance headlines (i) Incident Response, (ii) Training and Exercises, (iii) Hazard Warnings, (iv) Counter Terrorism Awareness, (v) Advice to Schools and (vi) Educational Visits.

**RESOLVED** – That the Committee note the report and of the work of the Emergency Planning Team, and that officers be thanked for the clear and concise style of the report.

### 11 **Report of the Members' Allowances Independent Review Panel (Reference to Council)**

The Committee considered a report which sought the approval to Council of the Members' Allowances Scheme for 2022/23, which took into account the recommendations proposed by the Members' Allowances Independent Review Panel (MAIRP) regarding allowances.

The report outlined that Kirklees Democracy Commission recommended that the MAIRP consider linking the annual changes in the rate of Councillor's allowances to the pay rate for local government officer. However, a full root and branch was carried out, and the outcome of the MAIRP was appended to the report. The appendices included recommendations for an increase in the Basic Allowance and some Special Responsibility Allowances (SRA).

**RESOLVED** – That the report be referred to the meeting of Council on 7 September with a recommendation that: -

- 1) Councillors Basic Allowance and SRA's are linked to the pay award for officers and Councillors receive the same annual percentage pay award as those of local government officers.

## **Corporate Governance and Audit Committee - 15 July 2022**

- 2) The Committee broadly supports the IT approach recommended of Councillors sourcing and paying for broadband contracts and subscription to internet-based ink cartridges but that this be considered in a more phased implementation alongside the review of the group size bandings.
- 3) The new group size bandings and political positions are reviewed and reconsidered by the MAIRP, including the allowance attached to the number of Members constituting a Group.
- 4) The SRA for Lead Councillor – Primary Care Networks and Local Health Improvement (formerly Place Partnership Lead), remain at the previous rate for the role of Place Partnership Lead Members from May 2022, until such time that the Lead Councillor role, Primary Care network and Local Health Improvement had been reviewed by this Committee.

There were adverse findings in aspects of the management of pool cars, school catering finances and a review of modern slavery arrangements.

The Committee noted that Internal Audit now oversaw the Council's Fraud Investigation Team. The report outlined that there had been 37 referrals during the Quarter 1 period, mainly related to blue badge fraud, right to buy and other tenancy related fraud.
