2.2 Licensing Policy

Members considering the application should take note of the Authority's Statement of Licensing Policy, which provides the following guidance on how Members should approach the application and representation:

1.0 – Executive Summary

1.2 In exercising its duties and responsibilities under the terms of the Licensing Act 2003, the Council will operate within the statements and procedures mentioned in this policy statement. Notwithstanding this statement, all applications will be treated on their merits and judged accordingly.

The council will have regard to any relevant guidance issued by the Secretary of State in exercising its powers under the Act.

2.0 – Purpose and Scope of the Licensing Policy

2.7 The Licensing Authority recognises that each licence application must be considered on its own individual merits in the context of the four licensing objectives, and that unless relevant representations are received from responsible authority's or interested parties, there is no provision for a Licensing Authority to impose conditions on a licence other than those proposed within an application. Only conditions which have been volunteered by the applicant or which have been determined at a Licensing Panel hearing can be attached to a licence or certificate. If no relevant representations are made in respect of an application, the Licensing Authority is obliged to issue the licence on the terms sought.

Licensing Objectives.

1. Public Safety
2. Prevention of crime & disorder
3. Prevention of public nuisance
4. Protection of children from harm

2.3 Secretary of State Guidance

Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003. As the representations relate to four of the licensing objectives, Member's attention is drawn to Section 2 of this Guidance, the relevant parts of which may be found at **Appendix D**.

3 Implications for the Council

3.1 Working with People

Residents of Kirklees need to be confident that under the Licensing Act 2003 licence holders under the Licensing Act 2003 are in a position to uphold the four licensing objectives. The committee is required to take appropriate and necessary action against licence holders where they fall short of their duties under the

Licensing Act 2003. This will support both the licensing objectives and support the corporate outcomes of citizens in Kirklees living in cohesive communities, feeling safe and protected from harm.

3.2 Working with Partners

The Council's licensing team work closely with partnering agencies, named 'Responsible Authorities' under the Licensing Act 2003. Responsible authorities include Planning, West Yorkshire Police, Trading Standards, Environmental Health, Fire Service, and Safeguarding Children team.

3.3 Place Based Working

Working closely with Responsible Authorities the Licensing Authority can address issues within the districts that make up Kirklees.

3.4 Climate Change and Air Quality

There are no climate change or air quality implications contained in this report.

3.5 Improving outcomes for children

A key objective of the Licensing Act is the protection of children from harm, and any decision made by the Council, in its capacity as Licensing Authority, will have to have regard to this objective.

3.6 Financial Implications for the people living or working in Kirklees Council

The decision members make may have financial implications for the applicant/existing licence holder.

3.7 Other (e.g. Integrated Impact Assessment (IIA)/Legal/Financial or Human Resources)

In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of State's Guidance. The applicant or any other person who made relevant representations in relation to the application have a right of appeal to the Magistrates' court.

Under the provisions of the Licensing Act 2003 there is no requirement for an IIA, while licence conditions should not duplicate other statutory provisions, members should be mindful of requirements and responsibilities placed on them by other legislation, which may include:

- The Gambling Act 2005
- The Environment Protection Act 1990
- The Noise Act 1996
- The Clean Neighbourhoods and Environmental Act 2005
- The Regulatory Reform (Fire Safety) Order 2005
- The Health and Safety at Work etc. Act 1974
- The Equality Act 2010
- The Immigration Act 2016
- Regulators' Code under the Legislative and Regulatory Reform Act 2006

4 Consultees and their opinions

Consultation has taken place in accordance with the Act. There have been no matters arising from responsible authorities. Public Health have made recommendations. However, Morrisons already have the same recommendations embedded in their licensing policy which is attached to their application.

5 Next steps and timelines

5.1 When determining the application Members, having had regard to the representation, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps are.

- grant the application,
- grant the application with the appropriate conditions,
- exclude from the scope of the licence any of the licensable activities which relate to this application, or
- reject the application

5.2 Findings on any issues of fact should be on the balance of probability.

5.3 In arriving at a decision Members must have regard to the relevant provisions of statutory guidance and the licensing policy statement and reasons must be given for any departure.

5.4 The decision should be based on the individual merits of the application.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

 - Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
 - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
5. For example (but not exclusively), where the activity will occur on additional days during the summer months.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

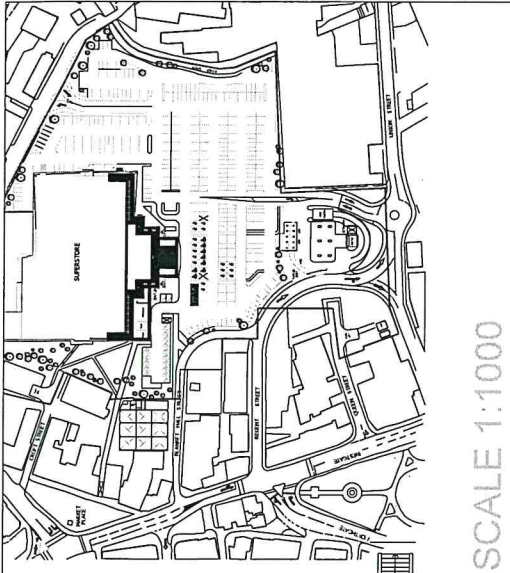

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

For the purposes of the condition set out in paragraph 1 of this condition -

a. "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

b. "permitted price" is the price found by applying the formula $P = D + (D \times V)$ where -

6. (1) Sub-paragraph (2) applies where the permitted price on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Dear Steve

My apologies. I thought that I had sent a response to this but on checking, I cannot find one.

I am concerned about this application, particularly off sales of alcohol because of the amount of ASB nearby in Firth Park and the carpark there. Groups appear to gather at certain times, often groups of young people, where drinking alcohol appears to be the main activity. Lots of litter – bottles, cartons etc. is found in the carpark and Firth Park and other ASB incidents are seen such as damage and setting fire to equipment and furniture in the park, items thrown onto the roof of the pavilion etc. For people attending meetings in the pavilion it is often feels unsafe trying to access the park through groups gathered there.

I would be therefore be opposed to increasing the off sales of alcohol in this area.

Regards

Viv Kendrick

Appendix D

Relevant Sections of Secretary of State Guidance – Under Section 182 of Licensing Act 2003

Crime and disorder

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular

premises, poor management competency could give rise to issues of crime and disorder and public safety.

2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Public safety

2.7 Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. Conditions relating to public safety may also promote the crime and disorder objective as noted above. There will of course be occasions when a public safety condition could incidentally benefit a person's health more generally, but it should not be the purpose of the condition as this would be outside the licensing authority's powers (be ultra vires) under the 2003 Act. Conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.

2.8 A number of matters should be considered in relation to public safety. These may include:

- Fire safety;*
- Ensuring appropriate access for emergency services such as ambulances;*
- Good communication with local authorities and emergency services, for example communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);*
- Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;*
- Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);*
- Ensuring appropriate and frequent waste disposal, particularly of glass bottles;*
- Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs 2.12-2.13, and Chapter 10; and*
- Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).*

2.9 The measures that are appropriate to promote public safety will vary between premises and the matters listed above may not apply in all cases. As set out in Chapter 8 (8.38-8.46), applicants should consider when making their application which steps it is appropriate to take to promote the public safety objective and demonstrate how they achieve that.

Public nuisance

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.

2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the morning.

2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and

disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.

2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Protection of children from harm

2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered. Moreover, conditions restricting the access of children to premises should be strongly considered in circumstances where:

- adult entertainment is provided;*
- a member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing underage drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);*
- it is known that unaccompanied children have been allowed access;*
- there is a known association with drug taking or dealing; or*
- in some cases, the premises are used exclusively or primarily for the sale of alcohol for consumption on the premises.*

2.24 It is also possible that activities, such as adult entertainment, may take place at certain times on premises but not at other times. For example, premises may operate as a café bar during the day providing meals for families but also provide entertainment with a sexual content after 8.00pm. It is not possible to give an exhaustive list of what amounts to entertainment or services of an adult or sexual nature. Applicants, responsible Revised Guidance issued under section 182 of the Licensing Act 2003 | 11 authorities and licensing authorities will need to consider this point carefully. This would broadly include topless bar staff, striptease, lap-, table- or pole-dancing, performances involving feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language.

2.25 Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take

appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.

2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include: • restrictions on the hours when children may be present; • restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place; • restrictions on the parts of the premises to which children may have access; • age restrictions (below 18); • restrictions or exclusions when certain activities are taking place; • requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and • full exclusion of people under 18 from the premises when any licensable activities are taking place.

2.28 Please see also Chapter 10 for details about the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010.

2.29 Licensing authorities should give considerable weight to representations about child protection matters. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform such representations. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.

2.30 The 2003 Act provides that, where a premises licence or club premises certificate 12 | Revised Guidance issued under section 182 of the Licensing Act 2003 authorises the exhibition of a film, it must include a condition requiring the admission of children to films to be restricted in accordance with recommendations given either by a body designated under section 4 of the Video Recordings Act 1984 specified in the licence (the British Board of Film Classification is currently the only body which has been so designated) or by the licensing authority itself. Further details are given in Chapter 10.

2.31 Theatres may present a range of diverse activities and entertainment including, for example, variety shows incorporating adult entertainment. It is appropriate in these cases for a licensing authority to consider restricting the admission of children

in such circumstances. Entertainments may also be presented at theatres specifically for children. It will be appropriate to consider whether a condition should be attached to a premises licence or club premises certificate which requires the presence of a sufficient number of adult staff on the premises to ensure the wellbeing of the children during any emergency.
