Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

All staff engaged in licensable activity at the premises will receive training and information in relation to the following:

- The Challenge 25 Policy including the forms of identification that are acceptable
- The hours and activities and conditions permitted in the premises licence
- How to complete and maintain the refusal register in operation at the market
- The operating procedures for refusing service to any person under-age or appears to be under-age, or appears to be making a proxy purchase
- Action to be taken in the event of an emergency, including reporting an incident to the emergency services.

Training shall be recorded in documentary form and shall be regularly refreshed every year. Training records shall be made available for inspection.

A list of all authorisations for the sale of alcohol will be on site and available to view.

We will operate our premises with regard to the Statement of Licencing Policy.

We will adhere to the Portman Group Code of Practice for the promotion of alcoholic drinks and follow the Home Office guidance on selling alcohol responsibly. A drink, its packaging and any promotional material or activity will not in any direct or indirect way appeal to under 18s or incorporate images of people who are or look as if they are under 25 years of age where there is any suggestion that they are drinking alcohol.

There shall be a responsible trained person on duty at the premises at all times when the premises are open and selling alcohol.

**b) The prevention of crime and disorder**

An incident log shall be kept and maintained at the premises which will include the time and date of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The logs shall be kept for at least 12 months following the date of entry and be made available for inspection.

Open containers of alcohol shall not be removed from the premises.

All alcohol on display will be in such a position so as not to be obscured from the constant view of staff.

We will provide litter bins to help reduce rubbish and litter.

The Premises Licence Holder will work closely with the Police, Fire Authority, local business and local residents.

Crime prevention notices will be displayed.

Outside of hours authorised for the retail sale of alcohol and whilst the premises is open to the public, all alcohol within the premises will be secured in a private locked area.

We will train all staff in drugs awareness and the importance of consumption and supply of illegal drugs. We have a drugs policy on site and this is available to view. We will adhere to the Governments' Drug Strategy 2010, reducing demand, restricting supply and building recovery. A copy is on site and available to view.

### **c) Public safety**

In the absence of adequate daylight, artificial lighting in any area accessible to the public shall be fully operational whilst the public are present.

All exits/entrances will be kept clear at all times.

Regular/ongoing Health & Safety risk assessments shall be conducted to identify and deal with hazards that may involve tripping, manual handling, electric shock, hazardous substances, etc.

Regular/ongoing Fire risk assessments shall be conducted. A logbook will be maintained to show that regular checks have been carried out. Staff will be advised of the findings from the risk assessments during training.

All designated escape routes and exits shall be maintained and kept free from obstructions. The fire assembly point will be clearly sign posted.

All regulatory checks of fire extinguishers and smoke detectors are in place.

All portable equipment will be kept in good working order and tested regularly.

We have a first aid box and accident book.

All internal and external doors, fixtures and fittings, lighting and emergency lighting will be kept in good working order and regular checks made.

Access for emergency vehicles will be kept clear and free from obstruction. Safety checks will take place at the start of each day, all checks will be recorded,

#### **d) The prevention of public nuisance**

Clear and legible notices shall be prominently displayed at all exits requesting patrons and staff to respect the needs of local residents and businesses and to leave the vicinity as quickly and quietly as possible during evening hours.

No deliveries (in relation to licensable activities) to the premises shall take place between 19:00 hours and 07:00 hours. No collections of waste or recycling materials (including bottles) from the premises shall take place between 19:00 hours and 07:00 hours on the following day.

All waste shall be properly presented and placed out for collection. No waste or recyclable materials, including bottles, shall be moved, removed from or placed in outside areas between 19:00 hours and 07:00 hours on the following day.

A sufficient number of suitable receptacles will be located in appropriate locations for the depositing of waste materials and smoking related litter by customers. Packaging will be reduced to a minimum and we will recycle bottles, cans and general waste wherever possible.

A telephone number shall be made available for neighbours and local residents to contact in the case of noise-nuisance or anti-social behaviour by persons or activities associated with the market. The telephone number will be a direct number to the Designated Premises Supervisor. A record will be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call. Records will be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises.

We will ensure all staff shall leave the premises quietly so as to avoid causing disturbance or nuisance to local residents. All staff will be trained to understand our noise control requirements.

Taxi operator's telephone numbers will be advertised to customers. The operators will be advised that drivers should arrive and depart as quietly as possible, should not sound vehicle horns as a signal of their arrival or leave engines idling unnecessarily.

We use rubber matting and handling aids for the movement of barrels, cylinders and bottles.

All external doors and windows will be kept shut at all times when the premises are open/during regulated entertainment except for entry and egress.

The outside area shall be regularly swept and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

**e) The protection of children from harm**

All staff will be trained in the legality and procedure of alcohol sales to Level 1 Responsible Alcohol Retailing Training or similar. All training shall be signed and documented. Training records will be kept on the premises and be made available for inspection. The documentation relating to training will extend back to a period of three years and will specify the time, date and details of the persons both providing the training and receiving the training.

There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 policy. The poster will be on display. All staff working at the premises will ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

- A photo driving licence
- A passport
- An identification card carrying the PASS hologram

Unless such identification is produced the sale of alcohol will be refused. The EPS till system records all sales of restricted items.

The age verification policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18 (proxy sales).

An alcohol sales refusal register shall be kept at the premises and be maintained to include details of all alcohol sales refused. The register will include the date and time and reason for refusal, details of the person refusing the sale and description of the customer. 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
