1 Summary

The report updates Members on the final accounts and audit processes for 2021/22 and asks Members of this Committee to approve the Council's Statement of Accounts for 2021/22 and a final version of the Annual Governance Statement.

The preparation of the Statement of Accounts is a statutory requirement and local authorities are normally required to have them signed by the section 151 Officer by 31 May and published with an Audit Certificate by 31 July, following the end of the financial year. However, the Department for Levelling Up Housing & Communities (formerly the Ministry of Housing, Communities & Local Government), extended the statutory deadlines for local authorities to approve and publish their accounts for the 2020/21 and 2021/22 financial years. The revised deadlines applicable to local authorities are to have them signed by the section 151 Officer by 31 July and published with an Audit Certificate by 30 September. The 2021/22 deadline for the published Audit Certificate was then further extended to 30 November.

Despite the significant challenges to the Council's finance team dealing with multiple competing demands, the draft accounts were completed and signed by the Council's Service Director - Finance on 29 July 2022. There were no queries or objections raised in the six week public inspection period. The audit of the 2021/22 Statement of Accounts is substantially complete and the Council's auditors, Grant Thornton, have issued their Draft Audit Findings Report (ISA 260). The Annual Governance Statement was approved by this Committee earlier on this meeting's agenda. Following consideration of this report, the Committee is responsible for the approval of the Council's Accounts and the Annual Governance Statement.

2 Information required to take a decision

- 2.1 The process for producing the accounts went smoothly and the draft accounts were signed on 29 July 2022 by the Service Director- Finance. This is prior to the statutory sign off deadline of 31 July 2022. The draft accounts have been available to view on the Council's website.
- 2.2 The six week period when the public are permitted to inspect the accounts started on 29 July and finished on 9 September. A separate period for the Annual Governance Statement ran from 14 October and finished on 25 November 2022. During the period, local electors can ask the auditor questions about or raise objections to items in the accounts. There were no queries or objections raised.
- 2.3 It is anticipated that Grant Thornton will issue an unqualified opinion on the Council's Statement of Accounts. Grant Thornton have issued their Draft Audit Findings Report (ISA 260). The report summarises significant findings, conclusions and recommendations arising from audit work throughout the year and will have been presented to Members earlier at this meeting.
- 2.4 The auditor's report comments that the Council produces high quality and materially correct financial statements, the quality of working papers provided was good and queries have been responded to in an acceptable timeframe. No material misstatements have been identified. The accounts have been amended for typographical corrections and a few minor disclosure errors, and in addition the disclosure on events after the balance sheet date (page 49)

has been updated. A final version of the Statement of Accounts is contained in Appendix A.

- 2.5 In line with the new Code of Audit Practice, the Auditor's Annual Report (the value for money (VFM) report), which provides a judgement on performance, as well as key recommendations on any significant weaknesses in arrangements identified during the audit, will follow on separately. The Code requires the VFM report to be completed and issued within 3 months after the Statement of Accounts audit opinion is issued.
- 2.6 The Council's Annual Governance Statement was approved earlier on this meeting's agenda and is included at the back of the Statement of Accounts 2021/22, pages 133 to 147. The Leader of the Council and the Chief Executive have formally signed the Statement and now this Committee is asked to approve it.
- 2.7 The auditor seeks a Letter of Representation from the Section 151 Officer and the Chair, including confirmation that this Committee has considered this item and the comments in the Annual Governance Report. A draft copy is included as Appendix B.
- 2.8 It is important that the Council has sound financial, governance and resources management arrangements in place to ensure that resources are available and used to support the Council's priorities, improve services and secure value for money for our tax payers. Specifically in respect of financial statements members are expected to "exercise collective responsibility for, and prioritise, financial reporting and demonstrate robust challenge and scrutiny". To assist councillors in this regard, a copy of the Unaudited Statement of Accounts was provided to members of this committee along with an explanatory paper.
