Subject: TRAFFIC REGULATION (NO> 18)ORDER 2022

Reference:DEV/HG/D116-2218

I refer to the TRO(No.18)ORDER 2022 Burn Road, Birchcliffe, Huddersfield. In 2018 I made objection to the publicised notice of the proposed TRO. I attach copy of my letter sent then which is still pertinent today and which I to be regarded as my objection.

The best solution is for there to be an exception for access to NOs. 1-55 Burn Road at the junction to Woodlands Court along with a mini roundabout at that point. Remove the excess of pavement to the east of Burn Road, thus allowing more parking on Burn Road for the removal of any parking from Burn Road from the junction with Halifax Road

to the widening of Burn Road by the Door to number 6 Burn Road.

I give an example of such exceptional permission is Taylor Hall Lane off A62 Leeds Road has signs both ends saying Access for residents only.

The junction of Burn Road with Halifax Road is extremely dangerous whether one is accessing Burn Road or Halifax Road which I believe would best be closed if there was the exception for residents to access from the Woodland Court Junction as I suggest.

I would be pleased to discuss this with a committee or officers dealing with this matter.
