13 Planning Application - Application No: 2022/93251

The Sub Committee gave consideration to Planning Application 2022/93251 Erection of rear dormer (within a Conservation Area) 10, Cecil Street, Springwood, Huddersfield.

Under the provisions of Council Procedure Rule 36(3), the Committee received a representation from Councillor Andrew Cooper (ward member).

RESOLVED –

That the application be refused in line with the following reasons outlined in the considered report:

The formation of a flat-roofed dormer extension on the rear roof pitch would cause harm to the significance of the Springwood Conservation Area by introducing a large, dominant, modern element in a roofscape which has otherwise retained its simple and traditional appearance. The harm that would be caused is considered to be less than substantial, but no public benefit has been demonstrated to justify the harm caused, contrary to the aims of paragraphs 199-202 of the National Planning Policy Framework (NPPF). It is therefore considered that the development proposed

Planning Sub-Committee (Huddersfield Area) - 2 February 2023

would not accord with the aims of Chapter 16 of the NPPF, Policies LP2, LP24a and LP35 of the Kirklees Local Plan or Key Design Principles 1-2 of the Council's adopted House Extensions and Alterations SPD.

A Recorded Vote was taken in accordance with Council Procedure Rule 42 (5) as follows:

For: Councillors: P Davies, Greaves, Hawkins, Homewood, Jo Lawson, Sokhal and Ullah (7 votes)

Against: Councillor D Firth (1 vote)

Abstained Councillors: McGrath, McGuin and Lee-Richards

14 Planning Application - Application No: 2022/93846

The Sub Committee gave consideration to Planning Application 2022/93846 Erection of first floor extension above existing garage 29, Oldfield Road, Honley, Holmfirth.

Under the provisions of Council Procedure Rule 37 the Sub Committee received representations from Phil Fletcher (agent) and Indy Sohal (applicant).

RESOLVED –

That the application be refused in line with the following reasons outlined in the considered report:

1. The proposed extension, by virtue of its size and scale, and due to other previous additions to the property, would result in a disproportionate addition to the original dwelling and therefore constitute inappropriate development in the Green Belt. In addition, the proposed development would have a detrimental impact upon the spatial and visual openness of the Green Belt. Very special circumstances to clearly outweigh the identified substantial harm to the Green Belt have not been demonstrated, therefore the development is contrary to Policy LP57 (a) of the Kirklees Local Plan and Policies contained within Chapter 13 of the National Planning Policy Framework.
2. By reason of its large scale and massing, form and relationship with the host dwelling, and taking into consideration previous extensions and additions to the dwelling, the proposed development fails to represent a subservient and harmonious addition to the dwelling, introducing an unsympathetic, incongruous and overly dominant addition which detracts from the original dwellinghouse. The development would therefore cause detrimental harm to visual amenities of the locality, contrary to Policies LP24(c) and LP57(d) of the Kirklees Local Plan, Principles 1 and 2 of the Council's adopted House Extensions and Alterations Supplementary Planning Document, Policy 2 of the Holme Valley Neighbourhood Development Plan and Policies contained within Chapter 12 of the National Planning Policy Framework.

Planning Sub-Committee (Huddersfield Area) - 2 February 2023

3. The proposed extension, by reason of its scale, proximity to No.31 Oldfield Road and protrusion beyond the rear wall of No.31 Oldfield Road, would result in an undue overshadowing and overbearing impact on the rear windows and amenity space of this adjacent property, as well as an undue loss of light and outlook to the rear windows, thereby detrimentally affecting the residential amenity of its occupants. To permit the extension would be contrary to Policy LP24 (b and c) of the Kirklees Local Plan, Principles 5 and 6 of the Council's adopted House Extensions and Alterations Supplementary Planning Document, Policy 2(10) of the Holme Valley Neighbourhood Development Plan and Policies contained within Chapter 12 of the National Planning Policy Framework.

A Recorded Vote was taken in accordance with Council Procedure Rule 42 (5) as follows:

For: Councillors: P Davies, D Firth, Hawkins, Homewood, Jo Lawson, Lee-Richards, McGuin and Ullah (8 votes)

Against: Councillor McGrath (1 vote)

Abstained: Councillor Sokhal

15 **Planning Application - Application No: 2022/93520**

The Sub Committee gave consideration to Planning Application 2022/93520 Outline application for residential development adj, 47, Stile Common Road, Newsome, Huddersfield.

RESOLVED –

That the application be refused in line with the following reasons outlined in the considered report:

1. The application site comprises a prominent open garden area supported by retaining walls at the junction of Newsome Road with Stile Common Road. Due to its: prominent location, shape and site constraints; built development here would appear cramped, contrived and incongruous and fail to sympathetically integrate with the character and appearance of the area. In addition, due to the constraints of the site, any development could not form a coherent building line with surrounding development. The proposal would therefore fail to reinforce or enhance local distinctiveness contrary to Policy LP24(a) of the Kirklees Local Plan, Principles 2 and 5 of the Kirklees Housebuilders Design Guide SPD and Chapter 12 of the National Planning Policy Framework.

2. The proposed development, due to its siting on a prominent, exposed, narrow and steeply sloping site, would fail to provide an adequate standard of useable, proportionate and private outdoor amenity space for future occupiers. This would be further constrained by the proximity of a busy road junction and bus stop. This would result in a poor living environment to future occupiers, contrary to Policy LP24(b) of the Kirklees Local Plan, Principle 17 of the Kirklees Housebuilders Design Guide SPD and Chapter 12 of the National Planning Policy Framework.
