

Kirklees Council – Pay Policy Statement

Introduction

Sections 38 – 43 of the Localism Act 2011 requires that the authority produce a policy statement that covers matters concerning the pay of the authority's staff, principally Chief Officers. This policy statement meets the requirements of the Localism Act in this regard and also meets the requirements of guidance issued by the Secretary of State for Communities and Local Government to which the authority is required to have regard under Section 40 of the Act. This policy also has some connection with the data on pay and rewards for staff which the Authority publishes under the Code of Recommended Practice for Local Authorities on Data Transparency and the data which is published under The Accounts and Audit (England) Regulations (2015). Policy on remunerating Chief Officers

The authority's policy on remunerating Chief Officers is set out on the schedule that is attached to this policy statement at Appendix A. It is the policy of this authority to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain staff of the appropriate skills, knowledge, experience, abilities, and qualities that is consistent with the authority's requirements of the post in question at the relevant time, which may include reference to appropriate benchmarks.

Following the implementation of Single status, all Chief Officers are paid in accordance with the Council's pay spine including national pay awards.

Policy on remunerating the lowest paid in the workforce.

The authority applies terms and conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of authority decisions, these are then incorporated into contracts of employment. This authority revised the pay spine with effect from 1 April 2019 to recognise the implementation of the national minimum wage. The lowest pay point in this Authority, is Grade 1, Spinal Column Point (SCP) 1; £10.50 hourly rate.

The pay rate is increased in accordance with any pay settlements which are reached through the National Joint Council for Local Government Services. (The 2022 pay spine shown at Appendix B, will be subject to the national pay award consultations, for 2023/24).

The authority reviewed and implemented apprenticeship rates of pay from the 1st of April 2019. The rates of pay for 2023/24 are Year 1 £10.18 hourly rate and Year 2 onwards £10.42 hourly rate. The rates are paid to all apprentices and is no longer related to the age of the apprentice. The apprenticeship rates are increased in accordance with the national minimum wage and national living wage requirements

Policy on the relationship between Chief Officer Remuneration and that of other staff

The highest paid (actual) salary in this authority is £187,087 top of Grade 24 SCP 77, which is paid to Jacqui Gedman. The median (full time equivalent) salary* in this authority (not including Schools or other external organisations) is £25,878 second point of Grade 7 SCP 15.

***Median**

The median is the value falling in the middle when the data items are arranged in an array of either ascending or descending order. If there is an odd number of items, the median is the value of the middle item. If there is an even number of items, the median is obtained by taking the mid points of the two middle points (add middle points together and divide by 2).

Excluded: Kirklees active Leisure, Maintained Schools, Academies, Claiming Teachers, Temp Direct, Teachers pensions, Casual and Paymaster Only Contracts, any record where the actual salary is zero.

The ratio between the two salaries, the 'pay multiple', is 7.23:1.

This authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the authority as expressed in this policy statement and its wider pay policy and approach.

The authority's approach to the payment of other staff is to pay that which the authority needs to pay to recruit and retain staff with the skills, knowledge, experience, abilities, and qualities needed for the post in question at the relevant time, which may include reference to appropriate benchmarks, and to ensure that the authority meets any contractual requirements for staff including the application of any local or national collective agreements, or authority decisions regarding pay.

Policy on other aspects of Chief Officer Remuneration

Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, these other aspects are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency, and re-employment when in receipt of a Local Government Pension Scheme (LGPS) pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Appendix C).

Approval of Salary Packages in excess of £100k

The authority will ensure that, at the latest before an offer of appointment is made, any salary package for any new post that is not currently included within Appendix A (not including schools and any initial transfer to the Council under TUPE), that is in excess of £100k will be considered by full Council. The salary package will be defined as base salary, any bonuses, fees, routinely payable allowances, and benefits in kind that are due under the contract.

Flexibility to address recruitment issues for vacant posts

In the vast majority of circumstances, the provisions of this policy will enable the authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment or retention difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment or retention through for example market supplements or recruitment and retention payments. This policy statement recognises that this

situation may arise in exceptional circumstances and therefore a departure from this policy can be implemented without having to seek full Council approval for a change of the policy statement. Such a departure from this policy will be expressly justified in each case and will be approved through an appropriate authority decision making route.

Policy for future years

This policy statement will be reviewed each year and will be presented to full Council each year for consideration in order to ensure that a policy is in place for the authority prior to the start of each financial year.

Range of Kirklees Policies

Appendix C

Aspect of Chief Officer Remuneration	Authority Policy
Recruitment	The post will be advertised and appointed to at the appropriate approved salary for the post in question level unless there is good evidence that a successful appointment of a person with the required skills, knowledge, experience, abilities, and qualities cannot be made without varying the remuneration package. In such circumstances a variation to the remuneration package is appropriate under the authority's policy and any variation will be approved through the appropriate authority decision making process.
Pay Increases	The authority will apply any pay increases that are agreed by relevant national negotiating bodies and/or any pay increases that are agreed through local negotiations. Following the implementation of Single status, all Chief officers are paid in accordance with the Council's pay spine including national pay awards. The authority will also apply any pay increases that are as a result of authority decisions to significantly increase the duties and responsibilities of the post in question beyond the normal flexing of duties and responsibilities that are expected in senior posts.
Additions to Pay	The authority would not make additional payments beyond those specified in the appropriate policies i.e., Market Rate Supplement, Recruitment and Retention, Acting Up or Honoraria payments.
Performance Related Pay (PRP)	The authority does not operate a performance related pay system as it believes that it has sufficiently strong performance management arrangements in place to ensure high performance from its senior officers. Any areas of under-performance are addressed rigorously by utilising the Performance Management system.
Earn-Back (Withholding an element of base pay related to performance)	The authority does not operate an earn-back pay system as it believes that it has sufficiently strong performance management arrangements in place to ensure high performance from its senior officers. Any areas of under-performance are addressed rigorously.
Bonuses	The authority does not pay bonus payments to senior officers.

Aspect of Chief Officer Remuneration	Authority Policy
Termination Payments	The authority applies its normal redundancy payments arrangements to senior officers and does not have separate provisions for senior officers. The authority also applies the appropriate Pensions regulations when they apply. The authority has agreed policies in place on how it will apply any discretionary powers it has under Pensions regulations. Any costs that are incurred by the authority regarding senior officers are published in the authority accounts as required under the Accounts and Audit (England) Regulations 2015.
Transparency	The authority meets its requirements under the Localism Act, the Code of Practice on Data Transparency and the Accounts and Audit Regulations in order to ensure that it is open and transparent regarding senior officer remuneration.
Re-employment of staff in receipt of a Local Government Pension Scheme Pension or a redundancy/severance payment	<p>The authority is under a statutory duty to appoint on merit and has to ensure that it complies with all appropriate employment and equalities legislation. The authority will always seek to appoint the best available candidate to a post who has the skills, knowledge, experience, abilities, and qualities needed for the post.</p> <p>The authority will therefore consider all applications for candidates to try to ensure the best available candidate is appointed. If a candidate is a former employee in receipt of an LGPS pension or a redundancy payment this will not rule them out from being re-employed by the authority. Clearly where a former employee left the authority on redundancy terms then the old post has been deleted and the individual cannot return to the post as it will not exist.</p> <p>The authority will apply the provisions of the Redundancy Payments Modification Order regarding the recovery of redundancy payments if this is relevant. Pensions Regulations also have provisions to reduce pension payments in certain circumstances to those who return to work within the local government service.</p>
