7 Corporate Emergency Planning and Business Continuity

The Committee received a report setting out an overview of the work of the Emergency Planning Team. The report provided a snapshot of the work of the Team and was submitted in order to provide assurance to the Committee that the Council are compliant with the core duties of the Civil Contingencies Act.

Within the period April 2022 to March 2023 it was reported that 79 incidents had been responded to which included severe weather events, evacuations, utility failures and police incidents. The report outlined that 153 hazard warnings had been entered onto the Council database and also provided a breakdown of training exercises, advisory responses and educational visits undertaken by the Team. The Corporate Safety and Resilience Manager provided updates in respect of the Core Duties of the Civil Contingencies Act and reported on the work of the Team going forward.

In response to a question relating to any potential areas of weakness within Emergency Planning, the Corporate Safety and Resilience Manager explained that the report looked to align the work undertaken with the requirements of the Civil Contingencies Act and set out a proportionate approach to the risks and threats faced by the Council. It was further reported that self-audits were also undertaken against Council plans and the Act.

RESOLVED – That the Committee note the report and of the work of the Emergency Planning Team.

8. Kirklees Auditors Annual Report 2021/22 – Interim Report

The Committee received an interim Annual report from the Council's Auditors, Grant Thornton, for the year 2021/22. The report was classed as interim as it could not be finalised until the audit of accounts was completed.

The report set out a summary of the work of the Auditor's with specific regard to financial sustainability, governance and improving economy, efficiency and effectiveness of the Council. It was reported that significant weakness had been identified in respect of financial sustainability and that the work of the auditor's had identified a risk in the medium term unless prompt action is taken to rebalance the cost of services with the income that it expected to be available over the next 3-5 years. The report acknowledged that the Council's financial position had become significantly more challenging due to increased demands on services along with the impact of inflation and the cost of living crisis. A key recommendation from the Auditors was set out in the report which highlighted the requirement for Members and senior officers to recognise the severity of the Council's medium term financial outlook and take prompt action to restore a sustainable financial position. A number of associated actions to help this process were set out within the report.

Corporate Governance and Audit Committee – 14 July 2023

During discussion of this item Members of the Committee raised the importance of the value of more regular performance reporting and questioned the capacity of the Council to meet the financial challenge it faced. In response to the issues raised the Cabinet Member for Corporate acknowledged the importance of regular performance monitoring and reported that there was clarity at a senior level, with teams working together to actively achieve savings across Directorates. The Cabinet Member identified that building resilience rather than dependency within communities is a challenge for the Council.

RESOLVED - That the report be noted.

9. Audit Plan 2022/23

The Committee received the External Audit Report, for year end 31 March 2023, as submitted by Grant Thornton.

The report advised that the Council had set a balanced budget for 2023/24 against the backdrop of significant financial challenges in the medium term. The report noted that the Council is embarking on a transformational savings programme, requiring rigorous monitoring, which aims to restore financial balance and avoid the depletion of reserves to an unsustainable level.

With regard to the timing of the report, it was reported that the 2021-22 audit had not yet concluded due to delays in obtaining appropriate assurances from the auditor of the West Yorkshire Pension Fund with regard to the value of the Council's pension assets and liabilities at the reporting date of March 2022

RESOLVED – That the External Audit Plan, for Year end March 2023, be received and noted.

10. Draft Annual Governance Statement 2022/23

The Committee received a draft report noting the 2022/23 Draft Annual Governance Statement prior to it being signed off by the Chief Executive and Leader, and to consider whether the issues raised reflected the state of the governance and control framework during 2022/23.

The draft statement covers the period up until the 2022/23 Annual Statement of Accounts are approved, but highlighted that there may be a need for revisions to be made in the text, reflecting the findings from the external audit and anything material in the intervening period. The Statement concluded that overall the governance arrangements remained fit for purpose.

The draft statement highlighted a number of what are termed 'Significant Governance Issues'. It was reported that several of the Issues had been brought forward in one guise or another, reflecting the wide-ranging nature of the issues and action required. The report outlined that consideration has been given to a number of potential new Issues and three, most notably the very serious financial position of the Council, have been incorporated.

Corporate Governance and Audit Committee – 14 July 2023

The actions and controls the Council is taking were contained within a recommended Action Plan. The Audit Manager explained that since the final Statement will not be agreed until later this year, subject to the approval of this draft by this Committee, it is intended that the draft Action Plan will be the subject of internal monitoring, with reporting back to Executive Team and this Committee during the remainder of 2023/24. Any amendments made to the final version will be reflected in monitoring work should there be sufficient time to progress the action during the year.

RESOLVED - That the report be noted.
