

# Hospital Reconfiguration Programme

## HRI A&E Update

November 2023

# Huddersfield Royal Infirmary A&E

Construction of the new A&E is now complete and the keys have been handed over.

# Stakeholder visits

Since completion, we've welcomed lots of groups of visitors to the new A&E to have a look around before it opens, including representatives from:

- NHS England
- Yorkshire Ambulance Service
- The University of Huddersfield
- West Yorkshire ICB
- Calderdale and Kirklees ICB Places
- Primary Care Networks
- West Yorkshire Association of Acute Trusts
- MPs and Councillors
- Kirklees Council
- Overview and scrutiny committees

# Huddersfield Royal Infirmary A&E

The department is split into reception and assessment, resuscitation, majors, minors and children's areas.

Reception area

Children's corridor

Children's waiting area

Assessment area

Majors treatment area

Minors treatment area

# Colleague Open Day

In September we invited CHFT colleagues to tour the facility. More than 400 colleagues attended on the day.

# Public Open Day

More than 350 members of the public came to an open day to tour the new A&E, including a quiet session for those with sensory needs and a play session for toddlers from our on-site Spring Cottage Day Nursery.

# Public Open Day

# Public Feedback

“Very patient friendly, wide corridors and lighting far better than in the old A&E.”

“A place for everything and in the right place.”

“The children’s area is absolutely fabulous.”

“Lovely to have proper doors on bays - much more privacy for patients.”

# Public Open Day

# Summary

Construction of our brand-new A&E at Huddersfield Royal Infirmary is complete and will open to the public in the coming weeks
