

## NOTICE OF CONCERN – PRO-FORMA

A notice of concern is a formal procedure set out in the council's constitution, which allows Overview and Scrutiny to express concerns about a decision before it is taken. Notice of Concern is one element of the constructive approach to scrutiny in Kirklees, which aims to reduce the likelihood of decisions being "called in" and help to ensure that the right decision is taken first time.

A Notice of Concern must be issued within 3 working days of the publication of the agenda for the Cabinet meeting where the decision will be taken, although this deadline might be waived for those items that are added to the agenda at short notice or without any prior warning.

A Notice of Concern must be submitted in writing on the Pro-forma to the Assistant Director of Legal Governance and Monitoring and also for information to the relevant Cabinet Member, and set out clearly the grounds that cause the concern. The Notice of Concern will have more strength if it also indicates a proposed course of action and the further considerations that should be taken into account.

If the Notice of Concern has not been issued by the Chair of Scrutiny then a copy must also be sent to them.
