## **Investigation of application to vary the recorded particulars for public footpath Meltham 70, near Wilshaw Road, Wilshaw**

Kirklees Council has received an application to vary the particulars shown in the Statement accompanying the Definitive Map of Public Rights of Way.

The application is to record as limitations to the public right of way a squeeze stile 45cm wide next to a locked gate at point A1 on the map. There currently no gates, stiles or other structures recorded in the Statement accompanying the Definitive Map.

### **Do you have any evidence about gates or stiles on this path?**

We would welcome any evidence regarding the existence or absence of structures on this path.

We would be particularly interested to know what structures may have existed in the past, and when any structures might have been removed.

A copy of this notice and plan will be posted on Kirklees Council's website at <https://www.kirklees.gov.uk/beta/countryside-parks-and-open-spaces/changes-to-definitive-map.aspx>

If you have any evidence to add, or any comment to make please send it to Phil Champion at the address below, or by email to [phil.champion@kirklees.gov.uk](mailto:phil.champion@kirklees.gov.uk) by 23 December 2020.

**Please note that this Notice forms part of the investigation of the application to modify the Definitive Map and Statement and that no decision on the application has yet been made by the Council.**

**Any comments you make or evidence you provide you make may eventually become public and may be used in evidence at a Public Inquiry.**
