Dear [REDACTED]

**Section 143 Highways Act 1980
Public Footpath MEL/70/30**

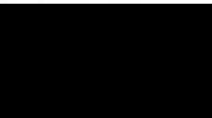

This highway authority (Kirklees Council) has issued a Highways Notice relating to the erection of an unauthorised structure on the highway namely a metal gate and a metal post to the side of the metal gate at point A on the notice plan. I now serve on you a copy of the Notice as the person believed to have control of the said structure.

The Notice requires you to remove either the metal gate or the metal post within one month of the date of service of this Notice.

If you do not remove the obstruction the Council or its agents may themselves remove the obstruction, reinstate the highway surface and recover from you the expense of doing so.

Should you remove the obstruction before the effective date of this Notice please let me know by contacting me on 01484 221000 or at [REDACTED]

Yours sincerely

Streetscene Action Team
