

Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice under Regulation 5 – private meeting where less than 28 days’ public notice has been given

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 prescribe that 28 clear days’ notice must be given by a decision-making body where it intends to hold the whole or part of a meeting in private because confidential or exempt information would otherwise be disclosed.

Under the provisions of the above-named Regulations the following report entitled **2024 – 2025 Post 16 Transport Statement** will contain an annex which may be considered, in private, at the meeting of Cabinet to be held on **9th April 2024**.

The annex may be considered in private as it contains Exempt Information as described in **Paragraph 5** of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) in that the information relates to **legally privileged material**.

Please note that the covering report for this item of business will be available for public inspection and there will be public discussion of the business at the meeting. It is only if there is likely to be a need to discuss the details of the commercially sensitive information that the meeting will move into private session.

Reasons why the meeting is urgent and cannot reasonably be deferred:

The proposed transport statement being considered by Cabinet on the 9 April 2024 must be published by the 31 May 2024 and Cabinet will not meet again prior to this date.
