The consultation exercise was largely positive. Comments from the Civic Society have been appended to this note.

An online survey was carried out from 8th November 2023 to 8th December 2023. There were 92 responses received to the online survey, with no significant objections raised. The main findings of the survey were as follows:

- 74% of the respondees either agreed or strongly agreed to the Vision *“A thriving, connected and enterprising district advancing wellbeing and prosperity through investment in health innovation, clean growth and green networks”*.
- 60% of the respondees were supportive of all 5 principles.
- The University of Huddersfield’s National Health Innovation Campus and bringing forward industrial development on the Gasworks Street site and sites to the North and East were seen as the two top priorities.
