## **BACKGROUND AND CONTEXT**

The Constitution of the Council <a href="http://www.kirklees.gov.uk/beta/your-council/the-constitution.aspx">http://www.kirklees.gov.uk/beta/your-council/the-constitution.aspx</a> includes a Scheme of Delegation to Officers <a href="http://www.kirklees.gov.uk/beta/your-council/pdf/constitution-part-37.pdf">http://www.kirklees.gov.uk/beta/your-council/pdf/constitution-part-37.pdf</a> which enables Directors to take certain decisions relating to their areas of responsibility. Directors are able to delegate decision further to Assistant Directors and other officers within their service.

However there is a requirement for each Director to prepare Service Schemes of Delegations which set out how decisions will be made in each of the Services for which they are responsible. These schemes should clearly establish which officers have been given authority to make decisions under the delegated powers of the Directors (Finance), the extent of the delegated authority of those officers and any terms, conditions and/or limitations subject to which those delegations must be exercised. All service schemes of delegation must be lodged with the Council's Monitoring Officer and made available to the public on request.

This document forms the Service Scheme of Delegation for the services that currently form the Service Directorate for Finance – i.e., they are Finance, Accountancy, Welfare and Exchequer.

The officers named within this scheme may only exercise the delegated powers set out in this scheme in accordance with:

- a) All relevant statutory requirements including the principles of public law and the provisions of the Human Rights Act 1998, statutory guidance and statutory codes of practice; and
- b) The provisions of the Constitution (including the provisions of the Access to Information Procedure Rules relating to the taking of key decisions); and
- c) The revenue and capital budgets of the council, subject to any variation thereof permitted by the Council's Financial Procedure Rules; and
- d) The Council's Contract and Financial Procedure Rules (decision makers must ensure that they are up-to-date with CPR and FPR requirements); and
- e) Approved policies and plans of the Council.

All decisions taken must be clearly recorded and must clearly identify the officer responsible for taking the decision. Equally, appropriate internal controls should be in place to ensure decisions are soundly based.

Where a post to which any decision has been delegated is renamed or is affected by a staffing reorganisation, then the relevant delegation shall be treated as applying to the renamed post or, as appropriate, to the post which has been allocated the same or substantially the same relevant duties as the original post following that reorganisation.

Although the decisions in this scheme have been delegated to officers, there is a requirement to consult local ward Councillors and community lead Councillors if the decision you are making has a direct impact on a local community. Local ward Councillors should be kept aware of any decisions made and implemented under delegated powers that affect members of the community in their ward – <u>however</u>, the advice of your Head of Service should be sought before contact is made with any Councillors.
