### 2.2 Licensing Policy

Members considering the application should take note of the Authority's Statement of Licensing Policy, which provides the following guidance on how Members should approach the application and representation(s):

### 3.0- Executive Summary

3.1 In exercising its duties and responsibilities under the terms of the Licensing Act 2003, the Council will operate within the statement and procedures mentioned in this policy statement. Notwithstanding this statement, all applications will be treated on their own merits and judged accordingly.

The council will have regard to any relevant guidance issued by the Secretary of State in exercising its powers under the Act.

## 4.0 – Purpose and Scope of the Licensing Policy

4.1 The Licensing Authority recognises the importance of its ability to review premises licences. The proceedings set out in the 2003 Act for reviewing premises licence represent a key protection concerning problems associated with crime and disorder, public safety, public nuisance, and the protection of children from harm. Partnership working is important to achieve the promotion of the licensing objectives and responsible authorities are encouraged to give licensees early warning of any concerns identified at a premise.

4.2 For cases which are being considered as a result of a review or potential enforcement action, the Council will take into account all relevant circumstances, but will view the following matters particularly seriously:

- Failure to promptly respond to a warning properly given by a responsible authority.
- Failure to engage with the responsible authorities in an effective manner.
- Previous convictions for licensing offences.
- Previous failure to comply with licence conditions.

### Licensing Objectives

1. Public Safety
2. Prevention of Crime and Disorder
3. Prevention of Public Nuisance
4. Protection of Children from Harm

### 2.3 Secretary of State Guidance

Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003. As the representations relate to two (2) of the licensing objectives, Member's attention is drawn to Section 2 of this guidance, the relevant parts may be found at **Appendix C**.

## 3. Implications for the Council

### 3.1 Council Plan

Residents of Kirklees need to be confident that under the Licensing Act 2003 licence holders under the Licensing Act 2003 are in a position to uphold the four licensing objectives. The committee is required to take appropriate and necessary action against licence holders where they fall short of their duties under the Licensing Act 2003. This will support both the licensing objectives and support the corporate outcomes of citizens in Kirklees living in cohesive communities, feeling safe and protected from harm.

The Council's licensing team work closely with partnering agencies, named 'Responsible Authorities' under the Licensing Act 2003. Responsible authorities include Planning, West Yorkshire Police, Trading Standards, Environmental Health, Fire Service, and Safeguarding Children team.

### **3.2 Financial Implications**

There are no financial implications relating to this report.

### **3.3 Legal Implications**

In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of States Guidance. The applicant or any other person who made the relevant representations in relation to the application have a right of appeal to the Magistrates Court.

### **3.4 Other (eg Risk, Integrated Impact Assessment or Human Resources)**

Under the provisions of the Licensing Act 2003 there is no requirement for an IIA, while licence conditions should not duplicate other statutory provisions, members should be mindful of requirements and responsibilities placed on them by other legislation, which may include:

- The Gambling Act 2005
- The Environment Protection Act 1990
- The Noise Act 1996
- The Clean Neighbourhoods and Environmental Act 2005
- The Regulatory Reform (Fire Safety) Order 2005
- The Health and Safety at Work etc. Act 1974
- The Equality Act 2010
- The Immigration Act 2016
- Regulators' Code under the Legislative and Regulatory Reform Act 2006

## **4. Consultation**

4.1 Consultation has taken place in accordance with the requirements of the Licensing Act 2003. Other than the premises licence review application submitted by West Yorkshire Police, no other representations have been received.

## **5. Engagement**

5.1 Engagement is not a requirement as set out in the Licensing Act 2003

## **6. Options**

### **6.1 Options considered**

Members of the panel are requested to determine the application.

### **6.2 Reasons for recommended option**

In accordance with the requirements as set out in the Licensing Act 2003, where an application for the review of an existing premises licence is received, the matter is referred to the panel for a decision.

## **7. Next steps and timelines**

7.1 When determining the application for the review of a premises licence Members, having regard to any representations, may take such steps as they consider appropriate for the promotion of the licensing objectives. These steps are: -

- a) Modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition);
- b) Exclude a licensable activity from the scope of the licence;
- c) Remove the designated premises supervisor;
- d) Suspend the licence for a period not exceeding three-months;
- e) Revoke the licence.

7.2 Findings on any issues of fact should be on the balance of probability.

7.3 In arriving at a decision Members must have regard to the relevant provisions of the statutory guidance and the licensing policy statement, and reasons must be given for any departure.

7.4 The decision should be based on the individual merits of the application.

Hudds Wines is a small Off Licence situated in Huddersfield Town Centre. It sells alcohol, vapes, soft drinks and snacks. Its alcohol licence was granted on the 29<sup>th</sup> March 2023.

Illegal cigarettes have been found hidden inside the shop.

The shop has failed a test purchase for illegal cigarettes.

227 Illegal vapes were found to be on sale in this shop.

Stolen items were found in the storeroom and there are reasonable grounds to believe these have been offered for sale.

The storeroom of the shop is untidy and unclean. Rat droppings were found on the floor. Snacks and drinks which are due to go on sale in the shop are stored in this room causing concerns for public safety due to the health implications.

Single sale cans of 6.5% beer, lagers and cider were found on sale in the shop. Annex 2 of their alcohol licence says 'Single cans of beer, lagers and cider with an ABV of 6.5% or above will not be stored or sold from behind the counter.

3 packets of open cigarettes were found under the counter of the shop, these were three different brands. It is believed that these were being sold as separate cigarettes to customers.

Drug paraphernalia and room odorises are clearly on sale in the shop.

The below licensing objectives have been impacted upon:

Prevention of crime and disorder.

Public safety

The Premises Licence was granted 29<sup>th</sup> March 2023 the name of the shop at that time was Makwan Mini Market. \_\_\_\_\_ is the Premises Licence Holder, \_\_\_\_\_ is the Designated Premises Supervisor.

Please provide as much information as possible to support the application (please read Guidance note 2)

RESTRICTED

On Monday 10<sup>th</sup> June 2024 PC 4346 Swift and PC 1458 Attiwell attended at Hudds Wines, 8 Kirkgate, Huddersfield. Intelligence had been received that this premises was selling illegal cigarettes and tobacco. Under Section 179 of the Licensing Act a search was carried out behind the serving counter. Found in a black dustbin was 1,700 illegal cigarettes and 5 pouches of illegal tobacco. These were seized and passed to Trading Standards.

The premises licence holder, \_\_\_\_\_ was working in the shop that day and he denied any knowledge of these items. He first stated he was storing them for a friend and then went onto say that he did not know that they were illegal. The items were seized and \_\_\_\_\_ was issued with a warning letter. The warning letter was hand delivered to the shop and posted to \_\_\_\_\_ home address on the 26<sup>th</sup> June 2024.

In the letter it clearly states: **The premises MUST NOT store illegal cigarettes/tobacco or sell it.**

On 11<sup>th</sup> July 2024 Noreen Akhtar, a Regulatory Compliance Officer employed by West Yorkshire Trading Standards carried out a test purchase at Hudds Wines. Her statement is attached to this file. She was able to purchase a packet of 20 Platinum Severn cigarettes for £5. These were nonduty paid cigarettes with no health warnings on the packaging these cigarettes are illegal.

On 18<sup>th</sup> July 2024 Trading Standards, assisted by Kirklees Police Officers carried out a further search of the shop.

Trading Standards seized 227 illegal vapes which were on sale in the shop. This is detailed in the statement of Illicit Tobacco Officer for West Yorkshire Trading Standards Jason Bethell. Found in storeroom of the shop were numerous empty packaging sleeves from nonduty cigarettes.

Under the counter, just below the till were three open packets of different branded cigarettes. It is believed these were being sold as separate cigarettes to customers which is illegal.

On this date during the search I seized from the storeroom:

5 x 1litre bottle of Smirnoff Vodka

1 x 70cl AU Blue Raspberry Vodka

2 x 70cl bottle of Dean Man's Finger Rum

All the above bottles had shop security tags around their necks, I had reasonable grounds to believe that they had been stolen. \_\_\_\_\_ could not account as to why these bottles were found on the premises. On one of the Smirnoff Vodka bottles the security tag had burn marks as though it had been set on fire to try to remove it.

On the shelves for sale in the shop were 4 bottles of spirits which had damage marks around their neck. This damage was conducive to security tags having been removed.

4 bottles of Abrachan Scotch Whisky were for sale on the shelves. This is a product made for and sold by Lidl supermarket. \_\_\_\_\_ was asked where he purchased them from and he replied, "the cash and carry in Halifax". This product will not be sold from a cash and carry so there are reasonable grounds to suspect these spirits are also stolen.

The storeroom to the rear of the shop was very untidy and dirty, rat dropping were found on the floor.

RESTRICTED

Rubbish was stacked in front of the fire exit to the height of the door handle, this door has a sign saying Fire Exit on it.

The drinks and snacks were stored in there prior to be putting on display in the shop.

For sale in the shop were cannabis grinders, glass pipes. When asked what the glass pipes were used for [redacted] replied "smoking drugs". Small containers of 'room odouriser' were also for sale on the counter these are commonly known as 'poppers'.

In summary the Premises Licence Holder for Hudds Wines [redacted] has no regard for the the law or the safety of his customers. Illegal cigarettes, vapes and and single cigarettes are being sold from his shop.

The shop is not clean and there are evidence of rats gaining access to the store room.

Stolen items were found as were extra strength single cans of cider, lager and beer which attract the town centre drinkers.

Can the panel please consider revocation of the alcohol licence as the actions of the Premises Licence Holder and the staff are greatly impacting upon two of the licensing objectives.

On 11<sup>th</sup> July 2024 I was in plain clothes when I attended at Hudds Wines, 8 Kirkgate, Huddersfield, HD1 1QH to conduct a test purchase for illegal tobacco. I entered the store, approached the sales counter and asked for a packet of Richmond. The male working behind the counter said he didn't have Richmond but he did have either Manchester or Platinum Seven, both at £5.00 a packet. I selected Platinum Seven and the male walked to the rear of the store and through the door into the rear store room. He returned a short time later with the cigarettes which he passed to me. I paid the £5.00 due and left the store.

I visually examined the cigarettes purchased and I could see they were not in the standardised format as required by The Standardised Packaging of Tobacco Products Regulations 2015 and were in violation of the Tobacco and Related Products Regulations 2016 as the prescribed health warnings were not present in English. The minimum excise duty payable on the cigarettes is around £8.00 per packet which has clearly not being paid on the cigarettes being sold at Hudds Wines.

was 227 disposable electronic cigarettes with a tank capacity greater than the maximum permitted of 2ml, making them illegal. Also behind the counter was 3 open packets of illegal imported cigarettes, different brands, which led me to suspect the store is selling single cigarettes. # Appendix C

**Relevant Sections of Secretary of State Guidance – Under Section 182 of Licensing Act 2003**

**Crime and disorder**

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular

premises, poor management competency could give rise to issues of crime and disorder and public safety.

2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

### **Public safety**

2.7 Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. Conditions relating to public safety may also promote the crime and disorder objective as noted above. There will of course be occasions when a public safety condition could incidentally benefit a person's health more generally, but it should not be the purpose of the condition as this would be outside the licensing authority's powers (be ultra vires) under the 2003 Act. Conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.

2.8 A number of matters should be considered in relation to public safety. These may include:

- Fire safety;
- Ensuring appropriate access for emergency services such as ambulances;
- Good communication with local authorities and emergency services, for example communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);
- Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;
- Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);
- Ensuring appropriate and frequent waste disposal, particularly of glass bottles;
- Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs 2.12-2.13, and Chapter 10; and
- Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).

2.9 The measures that are appropriate to promote public safety will vary between premises and the matters listed above may not apply in all cases. As set out in Chapter 8 (8.38-8.46), applicants should consider when making their application which steps it is appropriate to take to promote the public safety objective and demonstrate how they achieve that.
