2. Information required to take a decision

2.1 Application

On 18th February 2026 the Licensing department received an application for the grant of a premises licence for Shop & Go, 21 Lord Street, Huddersfield, HD1 1QA.

A copy of this application and plan is shown at **Appendix A**.

The application received 4 representations and was due to be heard on 8th April 2026 the applicant requested an adjournment which was agreed by all parties and the date of hearing was re-scheduled for 21st July 2026.

The licensable activities applied for are as follows: -

Sale of Alcohol (off the premises):

Monday – Sunday 00:00 to 00:00

Late Night Refreshment (Indoors)

Monday – Sunday 23:00 to 05:00

The location of the premises is situated within the Huddersfield Town Centre Cumulative Impact Area. The cumulative impact area came into effect on 15th January 2025 and is in place to address alcohol-related crime and disorder that occurs in the Town Centre.

The Cumulative Impact Assessment policy was adopted to give the Licensing Authority greater power to control the number of premises within the Town Centre licensed for sales of alcohol off the premises. The policy was introduced because the Licensing Authority determined that the concentration of off licensed premises were having a detrimental effect on the promotion of the licensing objectives.

The premises has never previously been licensed for the sale of alcohol under the Licensing Act 2003.

A copy of the policy can be seen at **Appendix B**.

Three representations were received from responsible authorities relating to three of the licensing objectives; namely, the prevention of crime and disorder, the prevention of public nuisance and the protection of children from harm.

A fourth representation was received from a member of the public, this representation relates to all four of the licensing objectives; namely, the prevention of crime and

disorder, public safety, the prevention of public nuisance and the protection of children from harm.

A copy of the representations may be seen at **Appendix C**.

2.2 Licensing Policy

Members considering the application must take note of the Authority's Statement of Licensing Policy, which provides the following guidance on how members should approach the application and representation(s).

Executive Summary

In exercising its duties and responsibilities under the terms of the Licensing Act 2003, the Council will operate within the statements and procedures mentioned in this policy statement. Notwithstanding this statement, all applications will be treated on their merits and judged accordingly.

The council will have regard to any relevant guidance issued by the Secretary of State in exercising its powers under the Act.

Purpose

The Licensing Authority will carry out its functions under the Licensing Act 2003 with a view to promoting the four licensing objectives contained in the Act and each has equal weight.

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm

The Policy has four main purposes:

- To provide the basis for elected Members to make decisions on applications.
- To inform licence applicants of the basis on which decisions will be taken and therefore give some indication of how they will be able to operate.
- To inform the wider community of the basis on which decisions will be taken and therefore how their needs will be addressed.
- To inform the Courts how decisions have been made and to support those decisions.

The Licensing Authority recognises that each licence application must be considered on its own individual merits in the context of the four licensing objectives, and that unless relevant representations are received from responsible authority's or interested parties, there is no provision for a Licensing Authority to impose conditions on a licence other than those proposed within an application. Only conditions which have been volunteered by the applicant, or which have been determined at a Licensing Panel hearing can be attached to a licence or certificate. If an application is lawfully made and no relevant representations are made in respect of an application, the Licensing Authority is under a duty to grant the licence on the terms sought. Only if relevant representations are made will the Council's discretion be engaged.
