Budget: £3,333.33
Spend: £3,333.33

All Councillors have a dedicated budget each year to address and respond to ward priorities. This is a devolved budget and decisions on how it is spent are made by Councillors.

The aim of this funding is to: -

- Support projects which make our local places even better – things that are good for local people and help our communities to grow stronger.
- Support projects that contribute to one or more of the shared outcomes in Our Council Plan
- Provide seed funding to stimulate community led activity
- Provide flexible and timely support and respond to place-based priorities
