## 1. **Summary**

- 1.1 In July, at the start of the 2017/18 municipal year, the Health and Adult Social Care Scrutiny Panel met to determine its work programme for the year. The Panel followed an approach that is designed to help members prioritise and ensure measurable outcomes for scrutiny work.
- 1.2 The Panel is asked to reflect on the work it has undertaken, identify where work has been completed and highlight those projects that remain ongoing; continue to be a priority; and need to be carried forward to next year. In order to help members of the Panel to do this, a straightforward flowchart with key questions has been developed and is attached at **Appendix 1**.
- 1.3 A copy of the Panel's work programme, containing details of the work undertaken, is also attached at **Appendix 2**.
- 1.4 Members are asked to look at each item on their work programme and use the flowchart to help determine the next steps.
- 1.5 **Looking Forward to 2018/19**
- 1.6 In addition to identifying issues to be carried forward from the current work programme panel members are also asked to identify any additional issues that they consider to be of a strategic priority and would wish to propose for inclusion in the scrutiny work programme for 2018/19.
- 1.7 In order to assist the shortlisting and prioritising process undertaken by scrutiny, it is important that members also identify the remit of the proposed issue, the value that scrutiny would add by being involved, and why this should be a priority for scrutiny over the next 12 months.
