|--------------------------------------|---|--|
| 16. Diabetes in Kirklees | <p>To receive an update on prevalence rates in Kirklees and to look more closely at the work being done by Public Health to help people manage and control the condition.</p> <p>This area of work may also be developed through the Health and Wellbeing Plan and would potentially help to inform the work of the Panel.</p> | <p><u>Panel meeting 11 September 2018</u></p> <p>The panel was presented with an overview and background to diabetes in Kirklees.</p> <p>The following actions and recommendations were agreed:</p> <ol style="list-style-type: none"> 1. That the Panel is provided with assurance that the provision of diabetes healthcare is equitable across Kirklees and is providing the best outcomes for people across the district. 2. That the Panel recommend that best practices are shared across all providers of diabetes healthcare. 3. That the Panel recommend that Public Health work with voluntary organisations such as the Welcome Centre food bank to ensure that the lived experiences of people are taken into account when developing pathways to prevent or help people to manage or live with diabetes. 4. That the Panel would wish to see the Kirklees Health and Wellbeing Board look at the healthy lifestyle work being developed and ensure that the outcomes of this work are being achieved. |
| 17. NHS Continuing Healthcare | <p>Continuing care means care provided over an extended period of time, to a person aged 18 or over, to meet physical or mental health needs that have arisen as a result of disability, accident or illness.</p> <p>Areas of focus could include:</p> <ul style="list-style-type: none"> • Getting an overview from CCGs of what has happened to continuing care over the last 3 years; | |

| | | <p>processes link to the governance structure that has been established to oversee the programme of change.</p> <p>6. That the Panel receive clearer timescales that outlines the plans for outpatient transformation by service area.</p> <p>7. That the Panel accept the Trust's offer to see a demonstration of the technology to include meeting clinicians from service areas where the new model will be implemented.</p> <p>8. That the Panel receive information that will provide the Panel with a better understanding of how the new model will provide improved outcomes for patients.</p> <p>9. That the Panel recommend that the Trust ensures that it has dialogue with Mid Yorkshire Hospitals Trust to ensure that demand for these new models of outpatient care can be effectively managed across the whole of Kirklees.</p> |

LEAD MEMBER BRIEFING ISSUES

| ISSUE | APPROACH/AREAS OF FOCUS |
|--|---|
| 1. Care Act 2014 | <p>Maintain a High level overview of the implementation of the Act.</p> <p>This could be picked up alongside the Green Paper and the Care Offer</p> |
| 2. All Age Disability and Adult Pathways | Monitor progress of the various transformational workstreams and the redesign of Adult Services pathways. This could also be picked up as part of the Adult Care Offer Consultation work and the Green Paper. |
| 3. Deprivation of Liberty Safeguards | Maintain a High Level overview of the numbers and impact on service. This could be considered as part of the robustness of social care. |

| 4. Healthy Child Programme | Maintain an overview of the progress of the implementation of the programme to include: feedback from practitioners and services users; and assessing the CAMHS cancellation policy. |
|---|---|
| 5. Foetal Alcohol Syndrome | <p>A new issue put forward by a member of the public requesting a review of the provision of support in Kirklees for children with Foetal Alcohol Syndrome. At the July meeting the Panel agreed that an initial investigation into this matter should be undertaken by the Lead Member.</p> <p><u>Lead member Briefing meeting 12 August 2018.</u></p> <p>Lead Member met with the Chief Officer of Greater Huddersfield and North Kirklees CCGs who has agreed to produce a short brief on the position locally, summarising how children currently get diagnosed and how support is then provided. This information will be circulated to the wider panel once received.</p> |
| MONITORING ITEMS | |
| ISSUE | APPROACH/AREAS OF FOCUS |
| 1. Review of Mental Health Assessments | <p>An update outlining progress on the recommendations from the review was issued to the Panel in April 2018.</p> <p>It has been identified that further work on dual diagnosis is required. This work will initially be led by the Lead Member and one other member from the Ad Hoc Panel. Findings will be reported back to full panel to consider next steps.</p> <p><u>Lead Member Briefing meeting 24 September 2018</u></p> <p>Lead Member met with the Director of nursing and quality and deputy chief executive South West Yorkshire Partnership NHS Foundation Trust. It was agreed that the last update of the Ad Hoc Scrutiny action plan would be sent to the Trust to check and report on progress of the plan.</p> |
